## WELCOME TO THE 2024-2025 SCHOOL YEAR!

We hope that you find this year's Comprehensive Staff Calendar useful. As always, the staff calendar is packed with important dates to remember and systemwide information. Please note that dates, times, and information contained in this calendar are subject to change without notice.

This year's calendar again has the combined dates for Traditional Calendar Schools, as well as the Innovative Calendar School (Arcola Elementary School), as adopted by the Montgomery County Board of Education. Dates and events that apply to only traditional calendar schools will be denoted with **[TRAD]**. Dates and events that apply only to Arcola will be denoted with **[INNO]**.

An interactive version of this calendar also can be found online through the MCPS calendar tool. The tool is customizable and users are able to "build their own calendar" based on select categories. You can view the days schools are open and closed, Board of Education meetings, fine arts events, cultural and religious holidays, and much more. The calendar can be displayed by month or up to 12 months at a time. You can download it on your computer or mobile device in iCal format to Outlook or other calendar programs. The calendar can be accessed from the main MCPS homepage or directly at [www.montgomeryschoolsmd.org/calendar/](http://www.montgomeryschoolsmd.org/calendar/).
