November 5, 2026

Dear Parent or Guardian:

Each year, Montgomery County Public Schools (MCPS) is eligible to apply for Federal Impact Aid, a federal grant program that provides funding to school districts serving federally connected students. Federally connected students are defined as—

- children who live on federal property or federally subsidized housing units;
- children with a parent/guardian who is an active-duty uniformed services member; and
- children with a parent/guardian who is employed on eligible federal properties **in Maryland**, which includes working on federal reservations and Non-Appropriated Fund employees.

If you believe your child(ren) qualify as federally connected, please complete one of the Federal Impact Aid Survey listed options. MCPS can qualify for this funding only if federally connected students are identified through this survey.

Directions to access the survey are provided on the reverse of this letter. Questions about information in the survey can be sent to impactaid@mcpsmd.org.

OR
