## **Directions for Completion of Final Evaluation Dates**

*Please see summary of minimum required formal observation chart in the [Teacher-Level Professional Growth System Handbook](#) for more information.*

### **Dates of Observation:**

For MS content specialists in their evaluation year, at least two formal observations by principal or qualified observer are required. For tenured and second- and third-year probationary MS content specialists, three observations are required if the MS content specialist may be rated below standard. In all cases, one of the formal observations must be announced. At least one of the formal observations must be done each semester.

### **Dates of Conferences:**

Post-observation conferences should be held within three duty days after the formal observation. Conferences may be delayed by mutual agreement, due to extenuating circumstances. For employees who are not meeting standard, it is highly advisable to maintain documentation to demonstrate the conference was delayed by mutual agreement. (This documentation may be requested by the PAR Panel to ensure the evaluation was conducted with fidelity.)

### **Dates of POCR delivery:**

For employees who are not meeting standard, the evaluator must provide the dates on which the POCR was delivered to the employee. If the employee refuses to sign as acknowledgement of receipt of the POCR, please include the signature of a witness.
