Recycling

I. PURPOSE

To set forth the process and guidelines for Montgomery County Public Schools (MCPS) staff, students, and other users of school facilities for recycling in accordance with Montgomery County Government regulation.

II. DEFINITION

A. *Recycling* is any process by which materials are diverted from a disposal facility and are collected, separated, processed, and returned to the economic mainstream in the form of raw materials or product for reuse.

B. A *recycling plan* is a plan describing a program for solid waste reduction and recycling.

C. An *MCPS Site* is defined as any school or facility, including grounds owned or occupied by MCPS.

D. The *facility administrator* is the principal of a school or the administrator responsible for facilities other than schools.

E. The *building recycling coordinator* is the individual designated by the facility administrator to coordinate the facility recycling program.

F. The *recycling material specialist* is the individual assigned to the Division of Maintenance to coordinate material pick up and assist facilities with recycling plan implementation.

III. PROCEDURES

All public facilities are required by the Montgomery County Government to recycle 50 percent of all solid waste material generated.
A. The director of the Department of Facilities Management is responsible for ensuring that the procedures outlined below are properly implemented.

1. Facility administrators for MCPS facilities will designate a building recycling coordinator to complete the following tasks:
   a) Establish a comprehensive recycling plan for the facility. The facility administrator will endorse the recycling plan and submit a copy to the recycling material specialist prior to September 30 of each school year.
   b) Form a team of staff, students, and community members to increase awareness of the need to recycle, build school/community support for the program, and provide oversight for compliance with the recycling plan.

2. Facility administrators will submit the name of the building recycling coordinator and a designated back-up to the recycling material specialist prior to September 15 of each school year.

3. The recycling material specialist will be responsible for assisting the building recycling coordinator and school-based staff in the implementation and maintenance of recycling programs for MCPS facilities.

4. The following items without food contamination will be recycled:
   a) Paper
      Office/classroom paper
      Mixed paper
      Magazines
      Printer paper
      Computer paper
      Fax paper
      Corrugated cardboard
      Phone books
      Newspaper
   b) Other
      Aluminum cans
      Bi-metal (sheet and tin) cans
Glass bottles and jars
Plastic containers (must have a neck on them)
Yard trim (grass, leaves, and brush)

5. The Montgomery County Division of Solid Waste Services (MCDSWS) will assist in the development of recycling plans upon request.

6. MCDSWS will conduct periodic on-site evaluations to monitor the effectiveness of recycling programs and provide assistance for improving recycling efforts. Evaluation results and recommendations will be provided to the school and director, Department of Facilities Management.
