Request For Proposal No. 1033.5, Legal Services for Special Education Issues

1.0 INTENT

On behalf of the Board of Education of Montgomery County, Maryland, Montgomery County Public Schools (MCPS) is soliciting a Request for Proposal (RFP) to prequalify one or more law Firms to provide legal services in certain cases and matters related to the implementation of requirements under the Individuals with Disabilities Education Act, 20 U.S.C. 1400 *et seq.* (IDEA) and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 *et seq.* (Section 504), as well as related federal and state laws and regulations. It is expected that Firms will deliver such services consistent with Board Policy BLC, *Procedures for Review and Resolution of Special Education Disputes*, which expresses “the intent of the Montgomery County Board of Education (Board) to resolve all disputes related to special education in as efficient and cooperative a manner as possible.” Firms shall provide such services when necessary to supplement the work of attorneys in the MCPS Office of General Counsel and ensure timely communication with and input from appropriate MCPS staff, including but not limited to the Office of General Counsel and the Office of Special Education.

2.0 INTRODUCTION

MCPS is the 15th largest school system in the United States, and the largest in the state of Maryland. During the 2016–2017 school year, it is projected that MCPS will serve more than 159,000 students from 157 countries speaking 138 languages. With a Fiscal Year (FY) 2017 Operating Budget of approximately \$2.46 billion, MCPS employs more than 22,500 employees. Among the 204 schools that MCPS operates, 37 are National Blue Ribbon schools. Six MCPS high schools rank in the top 200 of *The Washington Post*’s 2015 High School Challenge, and all 25 MCPS high schools appear on this list, which only includes the top 11 percent of high schools in the country. MCPS has one of the highest graduation rates among the nation’s largest school districts, according to an *Education Week* report.

Approximately 11.7 percent of MCPS students receive special education under the IDEA. Parents and children with disabilities are afforded a number of procedural safeguards under IDEA for the resolution of disputes concerning identification, evaluation, educational placement, and the provision of free appropriate public education, including the right to file a state complaint, the right to request mediation, and the right to request a due process hearing. In addition, MCPS makes available less formal options for resolution of disputes, including the administrative review process set forth in Board Policy BLC.

MCPS’ dispute resolution processes were recently examined as part of an external review of the district’s special education processes and services by WestEd, a non-profit organization with extensive experience conducting data-focused program evaluations and research studies. This external review is an example of MCPS’ organizational commitment to ongoing continuous improvement, building upon our 2010 Malcolm Baldrige National Quality Award for Performance Excellence, the highest presidential honor given to American organizations for performance

excellence.

The WestEd report “commended” MCPS “on reducing the number of mediation and due process filings. The number of cases has declined by 50 percent since 2007.” In addition, the report noted: “There has also been an increase in the number of informal resolution meetings and the number of cases resolved.” MCPS staff are working to prioritize and implement the recommendations identified by WestEd. MCPS expects that Firms will review the report’s findings and recommendations in formulating their responses to this RFP.¹

The vast majority of cases and issues involving special education that arise are managed and resolved by MCPS staff, including those in the MCPS Office of General Counsel and the Office of Special Education. At times, however, due to case load or the specific issues presented, MCPS may find it necessary to consult with or seek support from outside counsel to assist in problem-solving of such disputes, as well as other issues regarding the implementation of requirements under the IDEA, as well as Section 504 and other related federal and state laws and regulations. Typically such cases have involved issues concerning placement in a non-public school in due process hearings, and subsequent proceedings in state or federal courts, where the student’s parents are represented or assisted by counsel. In such cases, outside counsel work closely with MCPS staff, including those in the Office of General Counsel and the Office of Special Education to navigate legal requirements, evaluate and manage legal risk, align and conserve resources, promote collaborative dispute resolution and reduce avoidable litigation, if possible, and engage in strategic decision making to promote equity and academic excellence for all students.

3.0 SCOPE OF SERVICES

It is expected that Firms will provide high-quality, ethical representation of the Board and school system on individual special education matters at IEP team meetings, due process hearings, Office of Administrative Hearings proceedings, and in federal and state court proceedings. Services may also include the development of process documents and providing staff training, as well as general advice to staff on implementing the requirements of IDEA, Section 504, and related federal and state laws.

3.1 Delivery of Legal Services

In MCPS, each request for a due process hearing or other matter in which parents or guardians seek to invoke dispute resolution proceedings regarding the requirements of the IDEA, Section 504, or related federal and state laws and regulations, is reviewed by MCPS staff in conjunction with attorneys in the Office of General Counsel to determine a course of action that is cost effective, in compliance with the law, and meets the student’s needs. Consistent with Board Policy BLC, the goal is to pursue litigation only when it is believed that the outcome will assist in providing an appropriate special education program for students and avoid unnecessary expense and protracted litigation. Because of the nature and importance of this initial evaluation, attorney availability is essential to discuss merits of the case and provide additional input. The Firms must be available to

handle multiple cases simultaneously, conduct briefings, and meet with witnesses in a cost-effective manner until all assigned cases are resolved, including administrative and court procedures.

Proposals shall include a plan for availability and maximum efficiency in providing expert legal services in a cost-effective manner. This includes the ability to work effectively with staff, draft settlement agreements, and advise MCPS of a recommended course of action. The proposal shall include the plan and strategies the Firm will provide to allow MCPS staff sufficient information to make determination of the Firm's ability to perform.

MCPS staff place student records in chronological order, conduct preliminary case analyses, complete cost benefit analyses, and arrange for witness briefings. MCPS does not expect to be billed for the aforementioned services. With this process, attorneys are expected to work closely with the assigned team to prepare for due process hearings. It should be noted that MCPS does not use counsel in mediation sessions unless the parents are represented at mediation, but seeks advice from counsel prior to mediation.

3.2 Uniform Task-based Management System

The proposal shall detail a uniform task-based management system that provides MCPS with meaningful cost information on legal services provided. The proposal also shall cover all contested matters, including administrative and court proceedings, and it shall provide specific strategies to:

- Enable MCPS to plan and maintain an efficient, effective, and standard system for billing and filing;
- Facilitate effective communication of the tasks and costs of administrative and court proceedings and any variations from the expected norm;
- Allow MCPS to access the cost of litigation, provide for greater efficiency, and build a framework for a standardized billing system; and
- Coordinate the various litigation tasks to ensure a simple, concise, and flexible management approach for legal services rendered.

3.3 Duties

Firms have the duty and responsibility to devote their best professional efforts to legal matters referred to them by the Office of General Counsel on behalf of the Board of Education and MCPS. Pursuant to this responsibility, it is incumbent upon Firms to work cooperatively with the Office of the General Counsel, the Office of Special Education, and other authorized MCPS administrators and staff. It is expected that Firms will offer well-informed and relevant guidance to ensure that MCPS staff are aware of any significant legal implications associated with matters before them for decision making and action. It is the Firm's responsibility to keep MCPS staff advised about all pending matters being handled by the Firm for the school system. The Firm's services include consultation with the Office of General Counsel to assure consistency of legal position and to avoid duplication of effort and cost.

All of the Firm's attorneys are personally responsible for professional conduct and strict confidentiality in all matters they are handling, and it is expected that they will plan, organize, and appropriately allocate resources to successfully complete a specific task, project, or matter in order to deliver value to MCPS and the Board. Cases and matters should be staffed by the fewest number of attorneys and paralegals necessary to perform the work effectively and efficiently.

3.4 Communication

Firms are expected to engage in regular communication with MCPS about pending matters.

The Firms must always provide the responsible MCPS attorney or staff member designated by the general counsel with the following documentation in a timely manner: (a) copies of all pleadings and amended pleadings, briefs and memoranda on dispositive motions, reports, evaluations or other substantive documents that are either prepared or received by outside counsel; (b) releases, orders of dismissal, and final judgments; and (c) any other documents reasonably requested by MCPS including research memoranda, motions and briefs, deposition transcripts, and expert and medical reports. MCPS will not provide compensation for routine transmittal letters.

It is essential that copies of pleadings and briefs and memoranda on dispositive motions received from other parties, as well as those proposed to be filed on behalf of the school system, be forwarded to the responsible MCPS attorney or staff member as early as possible to allow MCPS a substantive opportunity for input. MCPS reserves the right not to compensate the Firms for preparation of pleadings, memoranda and briefs on dispositive motions, and other substantive documents when drafts have not been furnished to the responsible MCPS attorney or staff member for review and/or approval prior to filing or submission.

On many matters, a flexible collaboration with the general counsel and authorized administrators, in which complementary portions of a project are handled by MCPS staff and outside counsel, may yield the most cost-effective results. Therefore, we may ask the Firm to revise or refine a basic document drafted in-house or to advise MCPS only with respect to certain aspects of a transaction, or to assist in preparing standard forms and procedures that can be applied as needed by in-house staff in the future.

It is expected that the Firms will hold each of its attorneys and those they supervise to high-quality standards for effective communication so that ideas, opinions, and conclusions are expressed clearly and concisely.

3.5 Pricing and Billing

Firms shall provide their fee structure with their RFP response to include, at a minimum, the hourly rates for the initial one year contract term for partners, associates, and paralegals/clerks proposed to perform work for MCPS. To the extent that the Firm is listed with the Maryland Association of Boards of Education Legal Services Association, the Firm must identify the rates provided for services to participating Boards of Education and justify any differences between the rates proposed to be charged to MCPS and those rates.

In addition, from time to time, MCPS may negotiate a flat rate or alternate fee arrangement for particular projects, provided that the hourly rate does not exceed the hourly rates proposed. **If the Firm seeks to propose a flat rate or alternative fee arrangement as part of this RFP, please provide a justification, with evidentiary documentation, as to its benefits to MCPS with respect to efficient and effective provision of legal services.**

Firms are expected to use a billing format that will adequately describe the services rendered, identify the hours expended on the matter and at what rate, and itemize any costs advanced. The bill should not be in such detail that it would be against the public interest if obtained by an opposing

party. Firms are expected, however, to have detailed records of legal services available if the Board of Education, the superintendent of schools, or the general counsel wishes to inspect them. Firms should bill only for actual time spent on a matter, rather than in minimum billable segments. Time entries must be separated by each task performed. Under no circumstances should a bill be submitted with blocked or bulk time entries. Attorneys may not bill attorney rates for paralegal tasks.

Only one attorney is to be compensated for intra-office conferences and compensation shall be at the rate of the more senior attorney. Only one attorney shall be compensated for attending mediations, settlement conferences, depositions, hearings, or meetings with school system representatives and third parties, unless prior approval is received from the Office of General Counsel.

Travel time may be charged to attend meetings at MCPS' request or to attend hearings, depositions, etc., on behalf of the client so long as it does not exceed two hours each way per day. Such travel shall be compensated at one-half the usual hourly rate. Every effort should be made to diminish travel time billed to the client, including reducing travel time by any time spent on a mobile phone devoted to other clients.

Copying costs should be kept to a minimum, and lengthy documents should be given to MCPS for copying whenever possible. Copying charges are to be at actual cost and may not exceed 10 cents per page. Charges for legal research services, such as Lexis/Nexis or Westlaw, are to be billed at actual cost to your firm. Charges for faxing, office telephone, or meals will not be reimbursed.

Fees should not be charged for preparing bills, status reports, or responding to inquiries about fees and expenses. Day-to-day case management is not billable. This includes, by way of example, time spent assigning tasks, organizing or closing a file, scheduling or calendar maintenance, word processing, faxing, or copying.

Employee courier services, law clerk "runners," or other individuals who perform functions such as delivering documents, checking docket entries, and filing papers should be charged only when such activity cannot be completed timely through the mail or other routine channels. These exceptions must be accompanied by an explanation of the extenuating circumstances.

For matters in litigation before a state or federal court, it will be expected that an estimated budget and litigation plan, including an estimate of the number of hours that the assigned attorney(s) may devote to different phases of litigation, will be provided to the Office of General Counsel as promptly as possible after the litigation is initiated and/or the assistance of outside counsel is requested. The budget and litigation plan should be updated prior to beginning of each phase, e.g., discovery, summary judgment, preparation for trial, trial, post-judgment pleadings, and/or memoranda. In addition, the assigned attorney(s) may be asked to attend meetings in person or by conference call with MCPS staff to further discuss the estimate and course of litigation.

No expert witnesses or professional investigators are to be engaged without specific prior authorization by the general counsel or the superintendent of schools/designee.

Bills are to be submitted within fifteen (15) days of the date of the billing period. The Firms will work with the Office of General Counsel to implement appropriate protocols for maintaining records

for assigned cases and matters. As part of the response to this RFP, please provide information regarding your firm's record retention practices.

Direct costs incurred in handling legal matters for MCPS shall be separately itemized. Prior authorization shall be obtained from the general counsel or the superintendent of schools/ designee before expending any unusual or extraordinary costs.

MCPS reserves the right to delete services or add additional services or pre-qualify additional firms throughout the contract term should MCPS determine, in its sole discretion, that there is a need for such additional services or firms.

In addition to the insurance provisions of Section 33 of the MCPS General Contracting Articles, it is expected that Firms shall maintain throughout the contract term professional liability insurance or its equivalent with minimum limits of: \$ 1,000,000 each claim or wrongful act; and \$ 1,000,000 annual aggregate.

4.0 CONTRACT TERM

The initial term of contract shall be for one year. However, the contract may not begin until one day after approval by the Board of Education. MCPS reserves the right to extend this contract with the existing terms and conditions at one (1) year intervals. Written notice indicating MCPS' intention to pursue the extension of the contract, will be issued to the Contractor(s) prior to the expiration of the contract terms. The Contractor(s) shall have ten (10) days from the date of notification to accept or reject the extension and may submit a request for price adjustment, to be reviewed, from time to time.

Once all responses are evaluated, MCPS staff may make a recommendation to the MCPS Board of Education to extend the contract or decide to rebid. If the contract is extended by the MCPS Board of Education, a contract amendment will be issued.

This RFP and the MCPS General Contracting Articles shall take precedence over any Firm policies, terms and conditions, user agreements, or other documents in effect at the time of this contract or thereafter, unless otherwise expressly agreed in writing by the Parties.

Price increases will not be considered for the first year of the contract. Thereafter the successful Firm(s) must submit a written request for price relief. MCPS reserves the right to accept or reject the request as may be determined to be in the best interest of MCPS. Any orders received prior to a request for a price increase shall be honored at the original contract price. Downward adjustments shall be made by MCPS without a request from the successful Firm(s).

5.0 REFERENCES

All Firm proposals shall include a list of school districts and schools that use their services and a minimum of three references **from current clients** who can attest to the firm's quality of work. All Firms also shall include contact information for a minimum of three **former clients (within the last two years)** and, if possible, shall include schools or school districts that have utilized the respondents' services. Include names of client, contact person, email address and phone number of all references.

References may or may not be reviewed or contacted at the discretion of MCPS. Typically, only references of the top ranked short listed Firms are contacted. MCPS reserves the right to contact references other than, and/or in addition to, those furnished by a Firm.

Submissions will become the property of MCPS.

The proposal must be signed by an official having authority to contract with MCPS. The firm and the official's name shall be used in the contract process. MCPS also reserves the right to make an award without further discussion of the proposals received. MCPS may also negotiate with the one Firm who submits the best proposal or with two or more Firms who are in the competitive range. Therefore, it is important that the Firms' proposals be submitted initially on the most favorable terms from both the technical and cost standpoints. After the submission and closure of proposals, no information will be released until after the award. It is understood that the Firms' proposals will become a part of the official file on this matter without obligation to MCPS.

The proposal must be complete and comply with all aspects of these specifications. Marketing or promotional verbiage will likely overshadow the Firm's qualifications and expertise. MCPS urges the Firm to be specific and brief in their responses.

Complete Response must include:

- Point-by-point Response to each section of the RFP.
- A written overview (no more than 3 pages) that fairly and briefly depicts the firm's proficiency, experience, and capability to provide services specified in this RFP in alignment with Board Policy BLC, as well as the Firm's general statement of philosophy on the role of legal counsel on behalf of a public school district in special education matters.

Maryland Bar. (During the contract term if staff changes, prior approval must be obtained by the Office of General Counsel.)

- Equal Opportunities Certification (Attachment A)
- Certification of Non-segregated Facilities (Attachment B)
- Minority Business Enterprise (Attachment C)
- Non-Debarment Acknowledgement (Attachment D)
- Mid-Atlantic Purchasing Team Rider Clause
- A list of any variances from or objections to the terms and conditions of the MCPS General Contracting Articles, as well as a justification for any such variances or objections.
- A redacted copy of Firm's proposal as specified in Sections 8.0 and 9.0.

In addition, each Firm must disclose any existing or potential conflict of interest relative to provision of services under this RFP. Examples of potential conflicts may include an existing business or personal relationship between the firm, its principal, or any affiliate or subcontractor, with MCPS or any other entity or person involved in any way in the contract. Similarly, any personal or business relationship between the firm, the principals, or any affiliate or subcontractor, with any employee of MCPS or its suppliers must be disclosed. Any such relationship that might be perceived or represented as a conflict must be disclosed. Failure to disclose any such relationship or reveal personal relationships with MCPS employees may be cause for contract termination. MCPS reserves the right, in its sole discretion, to determine if an actual or perceived conflict should result in submittal disqualification. Each firm must reveal any past or existing relationship between the firm, its principal, employees, or any affiliate or subcontractor, with any state agency, entity, state employee, or other person in any way involved in the state's procurement and/or contracting processes. MCPS reserves the right, in its sole discretion, to determine if such relationship constitutes a conflict of interest. In submitting a response, the Firm affirms that it has not given, nor intends to give, at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement.

8.0 TREATMENT OF TECHNICAL DATA IN PROPOSAL

The proposal submitted in response to this request may contain technical data which the Firm does not want used or disclosed for any purpose other than evaluation of the proposal. The use and disclosure of any such technical data, subject to the provisions of the Maryland Public Information Act, may be so restricted:

Provided, that Firm marks the cover sheet of the proposal with the following legend, specifying the pages of the proposal which are to be restricted in accordance with the conditions of the legend: "Technical data contained in pages ___ of this proposal shall not be used or disclosed, except for evaluation purposes."

Provided, that if a contract is awarded to this Firm as a result of or in connection with the submission of this proposal, MCPS shall have the right to use or disclose these technical data to the extent provided in the contract.

This restriction does not limit the right of MCPS to use or disclose technical data obtained from another source without restriction.

MCPS assumes no liability for disclosure or use of unmarked technical data or products and may use or disclose the data for any purpose and may consider that the proposal was not submitted in confidence and therefore is releasable. Price and cost data concerning salaries, overhead, and general and administrative expenses are considered proprietary information and will not be disclosed, if marked in accordance with the instructions in 11.0.

9.0 PROPRIETARY AND CONFIDENTIAL INFORMATION

Firms are notified that MCPS has unlimited data rights regarding proposals submitted in response to this solicitation. Unlimited data rights means that MCPS has the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, or perform publicly and display publicly any information submitted by the Firm in response to this or any solicitation issued by MCPS. However, MCPS will exempt information that is confidential commercial or financial information of a Firm, as defined by the Maryland Public Information Act, State Government Article, Section 10-617, from disclosure. It is the responsibility of the Firm to clearly identify each part of its proposal that is confidential commercial or financial information by stamping the **bottom right-hand corner** of each pertinent page with one-inch bold face letters stating the words “**confidential**” or “**proprietary**.” The Firm agrees that any portion of the proposal that is not stamped as proprietary or confidential is not proprietary or confidential. As a condition for MCPS keeping the information confidential, the Firm must agree to defend and hold MCPS harmless if any information is inadvertently released. Each Firm must submit a proprietary and confidential redacted copy of its proposal to be used in responding to MPPIA requests.

10.0 EVALUATION CRITERIA

MCPS reserves the right to ask clarifying questions about submitted proposals. Firms also may ask questions that they may have related to this RFP prior to submitting their responses. See Section 13.0, Schedule of Events. Only proposals received by the deadline will be considered. Proposals will be screened down to a number of finalists.

MCPS reserves the right to convene a meeting with the top qualified Firm or Firms prior to awarding a contract. The purpose of the meeting will be to afford both parties an opportunity to discuss any aspects of the requirements and services that will be performed and clarify any issues. Issues raised during the meeting, which cannot be resolved to the satisfaction of MCPS, shall be cause to reject the proposal.

All Firms are advised that in the event of receipt of an adequate number of proposals, which, in the opinion of MCPS require no clarification and/or supplementary information, such proposals may be evaluated without further discussions. Therefore, proposals should be submitted initially on the most complete and favorable terms and conditions. Should proposals submitted require additional clarification and/or supplementary information, Firms should be prepared to submit such additional clarification and/or supplementary information, in a timely manner, when requested.

Proposals meeting all requisite criteria will be evaluated. Those who do not meet requisite criteria will not be evaluated further. Selection will be made on the basis of the criteria listed below.

1. Completeness of Response
2. Ability to perform and commitment to professionalism and ethical conduct (based on the criteria set forth in this RFP, including but not limited to Section 3.0 Scope of Services)

3. References and Other Evidence Regarding the Qualifications of the Firm
4. Pricing Structure

While is the intention to award to the most favorable respondent based on these evaluation, the Board of Education of Montgomery County reserves the right to make awards according to the best interest of MCPS.

In determining the qualifications of each Firm, MCPS will consider the Firm's record and performance of any prior contracts with MCPS, federal departments or agencies, or other public bodies, including but not limited to the Firm's record providing legal services related to special education to MCPS or other schools or school districts. MCPS expressly reserves the right to reject the proposal of any Firm if the investigation discloses that the Firm, in the opinion of MCPS, has not properly performed such prior contracts or has habitually and without just cause neglected the payment of bills or has otherwise disregarded its obligations to subcontractors or employees.

MCPS may conduct any necessary investigation to determine the ability of the Firms to perform the work, and the Firms shall furnish to MCPS all such information and data requested, such as information about its reputation, past performance, business and financial capability and other factors that demonstrate that the provider is capable of satisfying MCPS' needs and requirements for a specific contract. MCPS reserves the right to reject any proposal if the evidence submitted by the Firm or investigation of such Firm fails to satisfy MCPS that such Firm is properly qualified to carry out the obligations of the contract and to complete all requirements contemplated therein. Consideration will be given to any previous performance with MCPS as to the quality and the acceptability of the Firm's services.

All Firms submitting a proposal shall include evidence that they maintain a permanent place of business. Copies of any appropriate licenses necessary to perform this work shall be submitted with each proposal. Firms also shall demonstrate that they have adequate staff to perform the required services. Use of subcontractor(s) and/or third party providers, if any, must be specifically identified within the proposal. Subcontractor and/or third party provider roles shall be clearly expressed. MCPS reserves the right to accept or reject use of proposed subcontractor(s) and/or third party provider(s).

A proposal that contains false or misleading statements, or which provides references, that do not support an attribute or condition contended by the Firm, may be rejected. If, in the opinion of MCPS, such information was intended to mislead MCPS in its evaluation of the proposal, the proposal may be rejected.

11.0 SCHEDULE OF EVENTS

The anticipated schedule of activities related to this RFP is as follows:

Changes and addenda to a solicitation may occur prior to the solicitation opening date and time. It is the Firm's responsibility to check the MCPS website under "Event Calendar" <http://coldfusion.mcps.k12.md.us/cfms/webteam/calendar/calendar.cfm?calendarID=mcpsbids> or contact the Procurement Unit at 301-279-3555 to verify whether addenda/errata have been issued. In the event that MCPS issues addenda/errata, all terms and conditions will remain in effect unless they are specifically and explicitly changed by the addenda/errata. Firms must acknowledge receipt of such addenda/errata by returning one signed copy of each of the addenda/errata with its proposal. Failure to provide the signed acknowledgement of the addenda/errata may result in a bid being deemed non-responsive.

14.0 eMARYLAND MARKETPLACE

As of June 1, 2008, Maryland law requires local and state agencies to post solicitations on eMaryland Marketplace. Registration with eMaryland Marketplace is free. It is recommended that any interested supplier register at www.eMarylandMarketplace.com, regardless of the award outcome for this procurement as it is a valuable resource for upcoming bid notifications for municipalities throughout Maryland.

15.0 Multi-Agency Participation

MCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not be limited to private schools, parochial schools, non-public schools such as charter schools, special districts, intermediate units, non-profit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. Use of this solicitation by other agencies may be dependent on special local/state requirements attached to and made a part of the solicitation at the time of contracting. The supplier/contractor agrees to notify the issuing agency of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested. A copy of the contract pricing and the bid requirements incorporated in this contract will be supplied to requesting agencies. Each participating jurisdiction or agency shall enter into its own contract with the Award Firm(s) and this contract shall be binding only upon the **principal's signing** such an agreement. Invoices shall be submitted "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Award Firm. MCPS assumes no authority, liability, or obligation on behalf of any other public or non-public entity that may use any contract resulting from this bid. MCPS pricing is based on the specifications provided in this solicitation.

16.0 INQUIRIES

Inquiries regarding this solicitation must be submitted in writing to Barbara Regalia, MCPS Procurement Unit Team Leader, 45 W. Gude Drive, Suite 3100, Rockville, MD 20850, via fax at 301-279-3173 or email to Barbara.Regalia@mcpsmd.org. Questions are due by 4:00 p.m. on October 30, 2017. Responses will be posted on eMaryland Marketplace and on MCPS' Procurement website on November 8, 2017. The Board will not be responsible for any oral or telephone explanation or interpretation by any agent or employee of MCPS. Any binding information given to a Firm in response to a request will be furnished to all Firm as addenda/errata, if such information is deemed necessary for the preparation of proposals, or if the lack of such information would be detrimental to the uninformed Firms. Only such addenda/errata, when issued by MCPS, will be considered binding on MCPS.

Contact by Firms with any other MCPS employee regarding this solicitation until the contract is awarded by MCPS will be considered by MCPS as an attempt to obtain an unfair advantage and result in non-consideration of its RFP response. The MCPS Procurement website address is www.montgomeryschoolsmd.org/departments/procurement/.

17.0 UNNECESSARILY ELABORATE BROCHURES

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective proposal are not desired and may be construed as an indication of the Firm's lack of cost consciousness. Elaborate art work and expensive visual and other presentation aids are neither necessary nor wanted.

18.0 BID PROTESTS

Any bid protests, including appeals, will be governed by the applicable MCPS Procurement Unit Regulations. The burden of production of all relevant evidence, data and documents and the burden of persuasion to support the protest is on the Firm making the protest.

19.0 CONTRACT

MCPS plans to enter a contractual agreement with the Firm to whom the award is made and intends to make the attached MCPS General Contracting Articles a part of the contract, except and unless modified by MCPS. **Articles 29 and 30 are not applicable to this RFP.** Proposals must clearly identify any variances from or objections to the specifications in this RFP and the terms and conditions of the MCPS General Contracting Articles. Lacking any response to the contrary, MCPS will infer that the Firm agrees to the specifications of this RFP and each term and condition of the MCPS General Contracting Articles. In particular, the insurance and indemnification provisions set forth in Section 33 of the MCPS General Contracting Articles, as well as the data collection and confidential information provisions set forth in Article 15, are non-negotiable.

ARTICLE 1. DESCRIPTION AND GENERAL INTENT

For the purposes of these MCPS General Contract Articles, "MCPS" refers to the Board of Education of Montgomery County, which operates a system of public schools commonly known as Montgomery County Public Schools, and "Contractor" refers to the entity awarded a Contract pursuant to authorization by MCPS in accordance with applicable laws, Board of Education policies, and MCPS regulations. Together MCPS and the Contractor are collectively referred to as the "Parties" and each individually as a "Party." The term "Contract" refers to these MCPS General Contract Articles and any other contract documents duly executed by the Parties that expressly incorporate these MCPS General Contract Articles by reference, as well as any request for proposals (RFP) or solicitation by MCPS, the Contractor's proposal or bid in response, and any Contract award notification issued by MCPS.

ARTICLE 2. MCPS PROJECT CONTACT

The MCPS Project Contact is responsible for the technical and programmatic aspects of the Contract and is the technical and programmatic liaison with the Contractor. The MCPS Project Contact is responsible for the review and approval of any and all deliverables, products, and/or services, and such other responsibilities as may be specified in the Contract. The MCPS Project Contact is not authorized to make any commitments, otherwise obligate MCPS, or make any changes which affect the Contract price, terms, or conditions. Any Contractor requests for changes to the Contract price, terms, or conditions shall be referred to the Director of the MCPS Department of Materials Management or designee (DMM Director). No such changes shall be made without the written authorization of the DMM Director. The MCPS Project Contact may be changed at any time, provided that notification of the change, including the name and address of the successor MCPS Project Contact, is provided to the Contractor in writing. Any written notice by the Contractor to MCPS required under the Contract shall be provided to the DMM Director, with a copy to the MCPS Project Contact, using contact information available on the MCPS website.

ARTICLE 3. INDEPENDENT CONTRACTOR

The Parties agree that the Contractor is an independent contractor under the Contract and will in no way be considered to be an agent, partner, or employee of, or joint venture with, MCPS. Neither the Contractor nor its employees, agents, affiliates, or subcontractors will be entitled to any benefits, coverage, or other privileges made available to MCPS employees.

ARTICLE 4. KEY CONTRACTOR PERSONNEL

Any of the Contractor's key personnel, identified as such in the Contract, are considered to be essential to the work being performed under the Contract. Prior to diverting any such key personnel to other programs, the Contractor shall notify the MCPS Project Contact reasonably well in advance and submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the Contract. No diversion shall be made by the Contractor without the written consent of the MCPS Project Contact. Failure to obtain the approval of the MCPS Project Contact as required or to propose replacement personnel acceptable to the MCPS Project Contact may be cause for termination pursuant to Article 13. MCPS reserves the right to require that the Contractor replace any key personnel or any individual charged to the Contract at any point during the Contract term if MCPS determines that this action is in its best interests.

ARTICLE 5. CONTRACTOR RESPONSIBILITY

- A. The Contractor shall furnish all personnel, materials, products, tools, services, and facilities necessary to perform the requirements set forth in the Contract. All deliverables, products, and/or services required by the Contract shall be submitted to the MCPS Project Contact according to the kinds and

- C. The Contractor shall obtain any licenses or permits necessary for performance of the work required under the Contract. In the event the work to be performed by the Contractor must by law or regulation be provided by individuals who are licensed and/or certified to provide certain Professional Services, the Contractor shall only assign individuals to perform work under the Contract who are licensed and/or certified in accordance with applicable law, and all such individuals shall maintain their license and/or certification in good standing (not under review or subject to suspension) during the entire term of the Contract. "Professional Services" for the purpose of the Contract shall mean any service provided by a licensed, certified, or otherwise documented professional. Upon request by MCPS, the Contractor shall promptly submit documentation to the MCPS Project Contact that the individuals assigned to provide Professional Services under the Contract are properly licensed and/or certified.
- D. Any performance or bid bond obligations of the Contractor will be as described in the RFP or solicitation.
- E. Whenever the Contractor has knowledge that any actual or potential situation (including, but not limited to, labor disputes) delaying or threatening to delay the timely performance of the work under the Contract or a force majeure event as described in Article 7, the Contractor shall immediately give written notice, including all relevant information, to the DMM Director.
- F. The Contractor shall comply with all applicable federal, state, and county laws and regulations, as well as all applicable safety requirements, Board of Education policies, and MCPS regulations issued by the Superintendent of Schools. Board of Education policies and MCPS regulations are available at this link: www.montgomeryschoolsmd.org/departments/policy/. Consistent with Board Policy ACA and applicable federal, state, and county laws and regulations, the Contractor will not discriminate against any of its employees or applicants for employment because of the actual or perceived personal characteristics listed above. The Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to these actual or perceived personal characteristics. In addition, the Contractor agrees to provide such accommodations as are required under federal, state, and county laws and regulations, including but not limited to the Individuals with Disabilities Education Act (IDEA), the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973.

The Contractor shall include provisions in its subcontracts requiring its subcontractors to comply with the Contract, to indemnify, defend, and hold harmless MCPS, and to provide insurance coverage for the benefit of MCPS, in a manner consistent with the Contract. The Contractor also shall cause its employees, agents, affiliates, and subcontractors to comply with the Contract and adopt such review, audit, and inspection procedures as are necessary to assure such compliance.

ARTICLE 7. FORCE MAJEURE

Neither Party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile foreign action, nuclear explosion, earthquake, hurricane, tornado, or other catastrophic event. Should there be such an occurrence that impacts the ability of either Party to perform its responsibilities under the Contract, the nonperforming Party shall give immediate written notice to the other Party to explain the cause and probable duration of any such nonperformance. If the DMM Director determines that a failure to perform was occasioned by any one or more of the said causes, the delivery schedule shall be revised accordingly, subject to the rights of MCPS to invoke Articles 12 and 13.

ARTICLE 8. PAYMENT TERMS AND CONDITIONS

- A. The Contractor certifies that all information the Contractor has provided or will provide to MCPS is true and correct and can be relied upon by MCPS in awarding, modifying, making payments, or taking any other action with respect to the Contract including resolving disputes. Any false or misleading information is a ground for MCPS to terminate the Contract pursuant to Article 13 and/or pursue any other appropriate remedy. The Contractor certifies that the Contractor's accounting system conforms to generally accepted accounting principles, is sufficient to comply with the Contract's obligations, and produces reliable financial information.
- B. The prices, rates and other compensation for work performed is as described in the Contract.
- C. The Contractor's invoices shall be approved for payment by the MCPS Project Contact only after the MCPS Project Contact is satisfied that the Contractor is performing the work and has prepared the invoice as required by the Contract. Prior to approving any Contractor invoices for payment, MCPS, through any authorized representative, has the right at all reasonable times to inspect, or otherwise evaluate, the work performed or being performed at the premises on which it is being performed. If any inspection or evaluation is made by MCPS on the premises of the Contractor or any of its subcontractors, the Contractor shall provide and shall require its subcontractors to provide all reasonable facilities and assistance for the safety and convenience of MCPS representatives in the performance of their duties. All inspections and evaluations shall be performed so that they will not unduly delay the work.
- D. Within thirty (30) days after receipt of each invoice and accepting the work, MCPS shall, except as provided in the Contract, pay for the work performed when approved by the MCPS Project Contact. A payment schedule will be jointly developed between MCPS and the Contractor.
- E. Regardless of any other provisions of the Contract, failure of the Contractor to submit required reports when due or failure to perform or deliver acceptable work, deliverables, products, or services will result

in MCPS withholding payments under the Contract unless such failure arises pursuant to Article 7 and without the fault or negligence of the Contractor. MCPS shall promptly notify the Contractor of its intention to withhold payment of any invoice submitted.

- F. MCPS is tax exempt as a governmental entity. The Contractor shall be responsible for all federal and/or state tax, and Social Security liability that may result from the performance of and compensation for its work. MCPS assumes no responsibility for the payment of any compensation, wages, benefits, or taxes by, or on behalf of the Contractor, its employees, agents, affiliates, and/or subcontractors by reason of the Contract.
- G. If at any time MCPS determines that a cost for which payment has been made is a disallowed cost, such as overpayment, MCPS shall notify the Contractor in writing of the disallowance or claim for unallowable costs. MCPS shall also state the means of correction, which may be, but shall not be limited to, adjustment of any future claim submitted by the Contractor by the amount of the disallowance, or to require repayment of the disallowed amount by the Contractor.

ARTICLE 9. CHANGES

The DMM Director may, at any time, make non-material changes that are within the original general scope of the Contract and the RFP or solicitation in any one or more of the following: (i) specifications or statement of work, and (ii) place of performance or delivery. If any such changes cause an increase or decrease in the cost of or the time required for the performance of the Contract, whether changed or not changed by any such order, an equitable adjustment shall be made: (i) in the Contract price or time of performance or both; and/or (ii) in such other provisions of the Contract as may be so affected; and the Contract shall be modified in writing accordingly. Any claim by the Contractor for adjustment under this Article must be asserted within thirty (30) days from the date of receipt by the Contractor of the notification of change, however, if the DMM Director decides that the facts justify such action, the DMM Director may receive and act upon any such claim asserted at any time prior to final payment under the Contract. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of Article 15.

ARTICLE 10. AUDIT AND DOCUMENT RETENTION

During the term and for three (3) years thereafter, the Contractor shall: (i) maintain complete and accurate books and records regarding its business operations relevant to the calculation of amounts payable under the Contract and any other information relevant to the Contractor's compliance with the terms and conditions of the Contract; and (ii) upon MCPS' request, make such books and records, as well as any of its employees, agents, affiliates, or subcontractors who might reasonably have information related to such records, available during normal business hours for inspection and audit by MCPS or its authorized representative, provided that MCPS shall: (a) provide the Contractor with reasonable prior notice of any audit; (b) undertake an audit no more than once per calendar year, except for good cause shown; and (c) conduct or cause to be conducted such audit in a manner designed to minimize disruption of the Contractor's normal business operations.

ARTICLE 11. TERM OF CONTRACT

Unless otherwise specified in the Contract, the term of Contract shall be for one year, provided that the Contract is not terminated pursuant to Article 12, 13, or 14. After the initial term, MCPS, in its sole discretion, reserves the right to extend the Contract if agreed to by both Parties.

ARTICLE 12. TERMINATION FOR CONVENIENCE

The Contract may be terminated in whole or in part by MCPS whenever the Superintendent of Schools, or an authorized designee, determines that such a termination is in MCPS' best interest. Any such termination shall be effected by delivery of a notice of termination to the Contractor, at least ten (10) business days prior to the

termination date. The notice of termination shall specify the extent to which performance shall be terminated and the date upon which such termination becomes effective. The Contractor shall be entitled to receive just and equitable compensation for any work completed, as determined by MCPS, but no amount shall be allowed for anticipated profit on unperformed work. In the event of such termination, all finished and unfinished deliverables, documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the Contract shall become the property of MCPS.

ARTICLE 13. TERMINATION FOR CAUSE

A. Termination for Cause by MCPS

1. If, through any cause (other than as set forth in Article 7), the Contractor fails to fulfill in a timely manner its obligations under the Contract, or if the Contractor violates any of the covenants, agreements or stipulations of a Contract (hereinafter a "Default"), MCPS shall have the right to terminate the Contract, in addition to MCPS' remedies in the Contract and all other rights available at law or in equity. Such termination shall be effected by MCPS delivering a written notice of termination to the Contractor, which notice may, in the sole discretion of MCPS, provide for a period of up to thirty (30) days for the Contractor to cure the Default. If MCPS provides for an opportunity to cure the Default and the Default is not remediated within the specified period, as determined by MCPS, MCPS shall issue a final notice of termination specifying the effective date of such termination.
2. A Contractor bankruptcy or bankruptcy event shall be deemed grounds for a termination for cause.
3. In the event of such termination for cause, all finished and unfinished deliverables, documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the Contract shall become the property of MCPS.
4. A termination for cause is a termination for convenience if the termination for cause is later found to be without justification.
5. The Contractor shall be entitled to receive just and equitable compensation for any work completed prior to termination, as determined by MCPS, but no amount shall be allowed for anticipated profit on unperformed work.
6. Notwithstanding the foregoing provisions, the Contractor shall not be relieved of liability to MCPS for damages sustained by MCPS by virtue of any breach of Contract by the Contractor for the purposes of set off, until the exact amount of said damages is ascertained.

B. Termination for Cause by the Contractor

1. If, through any cause (other than as set forth in Article 7), MCPS is in breach of the Contract and has not cured such breach within thirty (30) days of written notice from the Contractor specifying the same, the Contractor shall have the right to immediately terminate the Contract. Such termination shall be effected by delivering a notice of termination to the DMM Director specifying the effective date of such termination.

ARTICLE 14. NON-APPROPRIATION

If the term of the Contract, or any Contract extension, extends beyond the end of the MCPS fiscal year (July 1 to June 30) in which the Contract was awarded or extended, and the approved MCPS budget for the subsequent fiscal year does not appropriate sufficient funds that may be utilized for the Contract, the Contract shall no longer be in force and effect upon the expiration of the current fiscal year funding. In this event, upon expiration of the

current fiscal year funding, MCPS shall have no liability to pay any funds whatsoever to the Contractor or to furnish any other consideration under the Contract, and the Contractor shall not be obligated to perform any further work under the Contract. If the approved MCPS budget for the subsequent fiscal year reduces funding available for the Contract, MCPS shall have the option, in its sole discretion, to cancel the Contract with no liability occurring to MCPS, or offer a Contract amendment to the Contractor reflecting the reduced amount, which the Contractor may accept in lieu of termination.

ARTICLE 15. DISPUTES

The Parties shall collaborate to resolve any disputes arising under the Contract. In the event that the Parties are not able to resolve a dispute concerning a question of fact arising under the Contract, the dispute shall be submitted in writing to the DMM Director for a determination. The Contractor may appeal the decision of the DMM Director in writing to the Superintendent of Schools, whose decision shall be final. This Article does not preclude consideration of questions of law arising under the Contract, provided that nothing in the Contract shall be construed as making final the decision of any MCPS official, representative, or the Board of Education on a question of law. The Parties specifically agree that no dispute or cause of action arising out of the Contract shall be submitted to arbitration or mediation, and the Parties waive any right to a jury trial in any court of competent jurisdiction.

ARTICLE 16. CONTRACTOR INTEGRITY, ETHICS, AND CONFLICTS OF INTEREST

- A. The Contractor is prohibited from using the services of MCPS employees or officials (including Board of Education members) in performing the Contract. Former employees or officials may be used, provided that a 12-month period has elapsed since their last employment at MCPS. A former MCPS employee or official, may not assist or represent the Contractor for compensation in any case, controversy, dispute, contract, or other specific matter involving MCPS, if that case, controversy, dispute, contract, or other specific matter is one in which the former employee or official significantly participated as an employee or official.
- B. No official or employee of Maryland, Montgomery County, or MCPS shall benefit from or receive any money as a result of the Contract. This prohibition does not apply to contracts with MCPS employees or officials who contracted in their own name.
- C. The Contractor hereby declares and affirms that, to its best knowledge, none of its officers, directors, partners, employees, agents, affiliates, or subcontractors directly involved in obtaining contracts has been convicted of bribery, attempted bribery, or conspiracy to bribe under any federal, state, and county laws and regulations.
- D. The Contractor agrees to review and at all times abide by the Board of Education Policy BBB, *Ethics* ("Board Policy BBB"). In addition, the Contractor shall have an affirmative obligation to disclose in writing to the DMM Director any actual or potential conflicts of interest as identified in Board Policy BBB, and neither the Contractor nor any of its officers, directors, partners, employees, agents, affiliates, or subcontractors shall take any action that they know or should have reason to know would result in any MCPS official or employee violating Board Policy BBB.
- E. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee.
- F. Violation of this Article constitutes a breach of contract for which MCPS may terminate the Contract pursuant to Article 13 and/or pursue any other appropriate remedy.

ARTICLE 17. PUBLICATION AND PUBLICITY

The Contractor shall not, without consultation and consent by MCPS, (i) originate any report, publication, presentation, publicity, news release, or other announcement, written or oral, relating to the Contract or any results achieved pursuant to the Contract (hereinafter "Publication"); or (ii) use any names, trademarks, or logos of MCPS, except as necessary to perform the work of the Contract. To the extent that MCPS agrees to any such Publication regarding the Contract, the Contractor shall abide by the following terms:

- A. The primary purpose shall be to disseminate information about the work rather than to promote the Contractor's accomplishments or knowledge.
- B. Such Publication shall prominently display or acknowledge MCPS support and include the following disclaimers: (i) the contents of this publication do not necessarily reflect the views or policies of MCPS; and (ii) the mention of trade names, commercial products, or organizations does not imply endorsement by MCPS.
- C. The Contractor shall abide by the provisions of Article 18 and any other data-sharing agreement between the Parties.

ARTICLE 18. DATA COLLECTION AND CONFIDENTIAL INFORMATION

- A. The Contractor shall comply with all federal, state, and county laws and regulations applicable to the Contract regarding data collection, privacy, and security, including but not limited to the requirements of the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, and its implementing regulations (34 C.F.R. part 99), the Children's Online Privacy Protection Act (COPPA), 15 U.S.C. § 6501-6505, and its implementing regulations (16 C.F.R. § 312, et seq.), the Protection of Pupil Rights Amendment, (PPRA) 20 U.S.C. § 1232(h) and its implementing regulations (34 C.F.R. § 98.1 et seq.), the Maryland Student Privacy Act of 2015, Md. Ed. Code Ann., §4-131, Code of Maryland Regulations (COMAR) 13A.08, as well as applicable Board of Education policies and MCPS regulations, including but not limited to MCPS Regulation AFA-RA, *Research and Other Data Collection Activities in Montgomery County Public Schools*, MCPS Regulation JOA-RA, *Student Records*, and MCPS Regulation JFF-RA, *Federal Requirements for Use of Protected Student Information*.
- B. Questionnaires, survey instruments, or any other form of data collection from MCPS students, staff, parents/guardians or others pursuant to the Contract or otherwise must be reviewed and approved by the MCPS Office of Shared Accountability prior to use as required by MCPS Regulation AFA-RA, *Research and Other Data Collection Activities in Montgomery County Public Schools*.
- C. Access to Confidential Information
 - 1. To assist the Contractor in its work under the Contract, MCPS may disclose to the Contractor, either in writing or orally, records or information which MCPS deems to be proprietary and/or confidential (hereinafter, "Confidential Information"). For purposes of the Contract, Confidential Information is any information or data labeled or identified as confidential in the Contract or at the time of disclosure. This definition and the obligations of this Article shall not extend to any information that: (i) the Contractor possesses prior to acquiring it from MCPS; (ii) becomes available to the public or trade through no violation by the Contractor; or (iii) is developed by the Contractor independently of and without reliance on confidential or proprietary information provided by MCPS.
 - 2. Confidential Information also includes any and all "Personally Identifiable Information" regarding MCPS students, parents/guardians, employees, or others in any medium, including but not limited to any user-generated content that MCPS students, parents/guardians, employees, or others ("MCPS

Users”) input to access or use the Contractor’s deliverables, products, and/or services (e.g., log-in information or responses to assessment questions), as well as “Metadata.” Metadata includes but is not limited to: information about how long a MCPS User took to perform a task; information about how long a MCPS User’s mouse hovered over an item; keystroke data; or other data about the MCPS User’s use of the Contractor’s deliverables, products, and/or services that has not been stripped of all direct and indirect identifiers. With respect to MCPS students, Personally Identifiable Information, as defined under applicable law, includes:

- a. A student’s name;
 - b. The name of the student’s parent/guardian or other family members;
 - c. The address of the student or student’s family;
 - d. A personal identifier, such as the student’s social security number, student number, or biometric record;
 - e. Other indirect identifiers, such as the student’s date of birth, place of birth, and mother’s maiden name;
 - f. Other information (including but not limited to Metadata) that, alone or in combination, is linked or linkable to a specific student or family that would allow a reasonable person in the MCPS community, who does not have personal knowledge of the relevant circumstances, to identify the student or family with reasonable certainty; or
 - g. Information requested by a person, who is not an authorized representative of the educational agency and who MCPS and/or the Contractor reasonably believes knows the identity of the student to whom the education record relates.
3. Confidential Information shall be maintained in confidence during the Contract and thereafter, except to the extent that it is required to be either disclosed or protected from disclosure by law, regulation or judicial or administrative process. The Contractor shall use the Confidential Information solely for the purposes of the Contract. The Contractor shall protect the Confidential Information from any Data Security Breach (as defined below), loss, theft, or disclosure using a commercially reasonable care commensurate with the sensitivity of the Confidential Information that in no circumstances is less than the degree of care that the Contractor uses to protect its own confidential information. The Contractor agrees to assist MCPS in maintaining the privacy of Confidential Information as may be required by all federal, state, and county laws and regulations applicable to the Contract including but not limited to the requirements listed above.
 4. The Contractor shall not permit unauthorized access to the Confidential Information to any individual or entity at any time or provide Confidential Information to any person, party, or organization ineligible or prohibited from receiving such information pursuant to any federal, state, and county laws and regulations applicable to the Contract including but not limited to the requirements listed above.
 5. In the event that the Contractor is required by law, regulation, or judicial or administrative process to disclose any Confidential Information, the Contractor will promptly notify MCPS in writing, if permitted by law, prior to making any such disclosure in order to facilitate MCPS’ seeking of a protective order or other appropriate remedy from the appropriate body. Should the proprietary or confidential status of any such information be disputed, the Parties agree to work in good faith to reach a mutually satisfactory disposition.

6. To the extent that Confidential Information includes Personally Identifiable Information regarding MCPS Users, MCPS may require additional data sharing protocols, as agreed in writing by the Parties, prior to its disclosure to the Contractor. The Contractor also agrees to comply with the re-disclosure limitations set forth in FERPA, including in 34 C.F.R. § 99.33, and shall not authorize access to Confidential Information that includes Personally Identifiable Information to any of its employees, agents, affiliates, and subcontractors, or to any auditor, unless such employee, agent, affiliate, subcontractor, or auditor (i) requires such access in order to allow the Contractor to provide the deliverables, products, and/or services set forth in the Contract or to fulfill the Contractor's obligations under the Contract; and (ii) has signed a non-disclosure agreement no less restrictive than the terms of the Contract that will (a) prohibit the such individual or entity from using any Confidential Information for any purpose other than providing the contracted service to, or on behalf of the Contractor; (b) prohibit the individual or entity from disclosing any Confidential Information provided by the Contractor to third parties; (c) require the individual or entity to implement and maintain strict security procedures and practices that, at a minimum, comply with industry standards for data security; and (d) require the individual or entity to promptly notify the Contractor if the individual or entity becomes aware of any unlawful access to any Confidential Information stored on its equipment or facilities resulting in loss, disclosure, or alteration of Confidential Information.. Such non-disclosure agreements shall be made available for inspection, upon demand, to MCPS. The Contractor agrees to remind (in writing) individuals or entities who cease working with the Contractor of their non-disclosure obligations at the time of departure, and to terminate the network access of such individuals or entities at the time of separation.
7. Notwithstanding any other provision of the Contract, MCPS and/or MCPS Users, as appropriate, retain all right, title, and interest in and to the Confidential Information provided by MCPS and/or MCPS Users. Neither the Contractor, nor any successor or entity to which the Contractor's assets are sold, acquires rights in the Confidential Information, other than the rights MCPS grants to the Contractor to perform the work contemplated in the Contract. If the Contractor becomes subject to dissolution or insolvency, MCPS' and MCPS Users' Confidential Information will not be considered an asset or property of the Contractor. MCPS reserves the right to demand the prompt return of any Confidential Information at any time and for any reason whatsoever. The disclosure of Confidential Information to the Contractor shall not be construed as a grant of any right or license with respect to the information other than for the purposes set forth in the Contract.

D. Use of Confidential Information

1. The Contractor shall collect, use, and store only such Confidential Information that is necessary in connection with the Contractor's obligations under the Contract.
2. The Contractor may collect and use aggregated de-identified Confidential Information for the Contractor's lawful quality assurance and for no other purpose; provided, however, that all direct and indirect personal identifiers are permanently removed and there is no reasonable basis to believe that the remaining information in the records can be used to successfully link the de-identified information to an identifiable individual or to MCPS. Furthermore, the Contractor agrees not to: (i) attempt to re-identify de-identified Confidential Information; and/or (ii) transfer de-identified Confidential Information to any party unless that party agrees not to attempt to re-identify the de-identified Confidential Information and unless MCPS has provided written express consent of the transfer.
3. Neither the Contractor nor any of its employees, agents, affiliates, and subcontractors shall: (i) engage in targeted advertising to MCPS Users; (ii) engage in targeted advertising when the targeting of the advertising is based on Confidential Information; (iii) use Confidential Information to amass a profile about a MCPS User, except in connection with the Contractor's performance of its obligations under the Contract; (iv) sell Confidential Information; or (v) share with any individual

or entity outside MCPS, without prior review and approval from MCPS, any report, data, or research findings that are based on Confidential Information or the use by MCPS or MCPS Users of the Contractor's deliverables, products and/or services and that could be linked to an identifiable MCPS User, stakeholder, school, or the district.

4. To the extent that the Contract requires the Contractor to provide online or mobile services to MCPS that involve the collection, maintaining, or use of Confidential Information that includes Personally Identifiable Information regarding MCPS students, the Contractor warrants that it has signed-on to the *K-12 School Service Provider Pledge to Safeguard Student Privacy* (the "Student Privacy Pledge," available at www.studentprivacypledge.org) and agrees to manage such Confidential Information in a manner consistent with the Student Privacy Pledge; provided, however, that if any statement of the Student Privacy Pledge is inconsistent with the requirements set forth herein, these MCPS General Contract Articles shall govern.
5. The Contractor acknowledges that there are no user agreements (whether electronic, click-through, verbal or in writing) in existence or contemplated between the Contractor and any MCPS Users in connection with their access and use of the Contractor's deliverables, products, or services, and this Contract shall supersede any user agreements that may be adopted during the term of the Contract.

E. Security of Confidential Information

1. The Contractor shall implement and maintain a comprehensive data-security program in accordance with commercial best practices for the protection of Confidential Information, whether the Confidential Information is stored electronically and/or in hard copy. Such data-security program shall include, but is not limited to, the following:
 - a. Security policies for the Contractor's employees, agents, affiliates, and subcontractors related to the storage, access, retention, transportation, and disposition of data containing Confidential Information;
 - b. Reasonable restrictions on access to records containing Confidential Information, including access to any locked storage where such records are kept;
 - c. Secure access controls to Confidential Information, including but not limited to passwords;
 - d. Procedures for data recovery, incident response and processes, and business continuity processes and procedures;
 - e. Encryption of Confidential Information in accordance with industry standard encryption when it is stored or transmitted electronically;
 - f. Protocols for regular backups that include retention of backup copies for such period of time as may be required by MCPS, or by federal, state, and county laws and regulations;
 - g. Audit logs of its system on a secured server with restricted access to prevent tampering or altering of audit data; and
 - h. A process for reviewing policies, procedures, and security measures, as well as training on security policies for employees who have access to Confidential Information, at least annually.
2. The Contractor certifies that it has implemented policies, procedures, and security measures to protect against reasonably foreseeable unauthorized access to, or disclosure of, Confidential Information, and to prevent other reasonably foreseeable events that may result in substantial harm

to MCPS. In addition, the Contractor shall not maintain or store Confidential Information outside of the United States. To the extent that the Contractor uses cloud computing services, all Confidential Information provided by MCPS or MCPS Users shall be securely stored with a commercially reasonable third-party vendor using physical servers located solely within the United States and subject to network security measures consistent with industry standards. The Contractor will confirm to MCPS that the third-party vendor agrees to the non-disclosure agreement terms described in Article 18.C.6.

3. Access to the Contractor's server(s) hosting Confidential Information shall be limited to the Contractor's operations employees, agents, affiliates, or subcontractors who: (i) have access to Contractor's access keys and are specifically trained to manage and secure data; and/or (ii) are involved in providing the Contractor's deliverables, products and/or services.
 4. Any computer, server, or database on which Confidential Information, or any analysis conducted pursuant to the Contract, is maintained shall have anti-virus, configuration control, monitoring/alerting, automated backups, and regular vulnerability testing. Such computer, server, or databases shall be password protected and securely stored at all times with proper authentication and authorization procedures and with access limited to the Contractor's operations personnel and personnel directly involved in implementing the Contract. The Contractor shall not permit Confidential Information to be maintained or stored on any portable memory device, such as thumb drives or portable hard drives, without the express written consent of MCPS.
 5. The Contractor will regularly backup or cause to be backed up all Confidential Information under its control and will securely store and retain backups for such period of time as may be required by federal or state law or regulation, or by MCPS. The Contractor will remove Confidential Information from backups in a manner consistent with technology best practices and industry standards for secure data disposal methods. If the Contractor is required to restore any materials from its backups, it will purge all personally identifiable Confidential Information not currently in use in the production systems from the restored backups.
- F. MCPS reserves the right in its sole discretion to perform audits of the Contractor at its sole expense to ensure compliance with this Article. The Contractor shall reasonably cooperate in the performance of such audits. The Contractor also will conduct regular internal monitoring and vulnerability assessments of the computers, computing environment, servers, and physical data centers that the Contractor uses to collect, process, maintain, or store MCPS' Confidential Information that includes Personally Identifiable Information regarding MCPS Users, and to hire a third party to conduct no less than annual security audits, which includes penetration testing. The Contractor shall review audit findings and will implement recommended security program changes and enhancements where practical and appropriate. The Contractor will provide MCPS, upon request, summary data of the above audits, scans, and tests. The Contractor will take reasonable measures, including maintaining audit trails, to protect Confidential Information against deterioration or degradation of data quality and authenticity.
- G. Data Security Breach
1. A "Data Security Breach" is any instance in which the Contractor has actual knowledge or a reasonable basis on which to suspect or conclude that there has been an unauthorized release or access of Confidential Information, regardless of whether the Contractor stores and manages data directly or through a contractor such as a third-party cloud computing vendor. A Data Security Breach may take various forms, including but not limited to: hackers gaining access to data through a malicious attack; lost, stolen, or temporarily misplaced data or equipment (e.g., mobile computing devices or portable memory devices); employee negligence (e.g., leaving a password list in a publicly-accessible location, technical staff misconfiguring a security service or device); or policy and/or system failure.

2. The Contractor shall notify the MCPS Project Contact immediately of any Data Security Breach, and inform MCPS (to the extent known) what data has been compromised, but in no event later than twenty-four (24) hours after the Contractor learns of the Data Security Breach. If the Contractor becomes aware of a Data Security Breach, it shall cooperate with MCPS regarding recovery, remediation, and the necessity to involve law enforcement, if any. The Contractor shall be responsible for performing an analysis to determine the cause of the Data Security Breach, and for producing a remediation plan in consultation with MCPS. MCPS and the Contractor agree to work together to determine an appropriate notification plan to any MCPS Users of the Contractor's deliverables, products and/or services regarding any such Data Security Breach. In addition, to the extent not prohibited, the Contractor agrees to notify MCPS of Data Security Breaches that affect its customers generally.
 3. In addition to any other remedies available to MCPS, at law or in equity, the Contractor will reimburse MCPS in full for all costs incurred by MCPS in investigating and remediating any Data Security Breach caused in whole or in part by the Contractor or its employees, agents, affiliates, or subcontractors. The Contractor shall use commercially reasonable efforts to mitigate any negative consequences caused to MCPS, or to a MCPS User, as the result of a Data Security Breach and to implement procedures to prevent the recurrence of a similar Data Security Breach.
 4. The Contractor shall provide notice to MCPS within twenty-four (24) hours of notice or service on the Contractor, whichever occurs first, of any lawsuits resulting from, or government investigations of, the Contractor's handling of Confidential Information, failure to follow security requirements, and/or failure to safeguard confidential information of any third party.
- H. Except as specifically set forth by MCPS in writing, or as required by federal, state, and county laws and regulations, the Contractor shall upon the termination or expiration of the Contract, upon cessation or dissolution of the Contractor's business operations, or upon request by MCPS:
1. Erase, destroy, permanently delete, and render unreadable all Confidential Information in its paper files, computers, computing environment, systems, equipment, servers, and physical data centers; or, upon MCPS' request to ensure the integrity of MCPS operations, transfer/migrate such Confidential Information to MCPS or its designated third party;
 2. Certify in writing that the actions set forth in this subsection have been completed on or before agreed-upon deadlines;
 3. Ensure that any transfer/migration uses facilities and methods that are compatible with the relevant systems of MCPS or its designated third party; and
 4. To the extent technologically possible, ensure that MCPS will have access to the Confidential Information during any transfer/migration.
- I. Nothing in this Article shall supersede in any manner the Contractor's obligations or the obligations of its employees, agents, affiliates, or subcontractors pursuant to all federal, state, and county laws and regulations applicable to the Contract including but not limited to the requirements listed above, or the provisions of the Contract concerning the Contractor's obligations to MCPS.
- J. Violation of this Article constitutes a breach of contract for which MCPS may terminate the Contract pursuant to Article 13 and/or pursue any other appropriate remedy. Notwithstanding anything in the Contract to the contrary, the provisions of this Article shall survive the expiration or earlier termination of the Contract.

ARTICLE 19. DOCUMENTATION AND COPYRIGHT

- A. The Contractor warrants that any deliverables, products, and/or services provided by the Contractor to MCPS through the Contract, as delivered by the Contractor for MCPS' normal use, will not infringe any valid patents or copyrights existing at the time the deliverables, products, and/or services are made available to MCPS, provided however, that this warranty does not extend to any infringement arising out of the use of such deliverables, products, and/or services in combination with other systems, equipment, or platforms not supplied by the Contractor. Notwithstanding the foregoing, collected data, analyses, and any analytical processes, programs, files, reports, and other deliverables developed as a contractual requirement are the sole property of MCPS. MCPS may waive title to any portion or to all data and analyses. MCPS has the sole right to copyright any deliverable or product developed for MCPS purposes under the Contract and may license its use by others for a fee or without charge.
- B. The Contractor agrees that it shall not assert any ownership rights, property rights, or copyright to MCPS student work product, as defined in Md. Code Ann., Education § 4-130.

ARTICLE 20. MCPS PROPERTY

The use of MCPS property, including but not limited to equipment and technology, must be approved in advance by the DMM Director. If the DMM Director has agreed to the Contractor's use of MCPS property, the following provisions shall apply:

- A. The Contractor shall insure all MCPS property in its possession or control and shall be liable to MCPS for the fair market value of any damage or loss to MCPS property, aside from that incurred by normal wear and tear. The Contractor shall maintain the property in operating condition, with the cost being chargeable to the Contract.
- B. All MCPS property shall be returned promptly upon completion of the Contract or otherwise disposed of, as directed in writing by MCPS. All costs of shipment or disposal are a Contract cost.
- C. Unless stated otherwise in writing, MCPS property may be used only for the performance of the Contract.
- D. Title to all MCPS property shall remain in the hands of MCPS at all times. Title to the property acquired by the Contractor for use under the Contract shall vest in MCPS upon delivery to the Contractor. Title to property leased with a purchase option shall pass to MCPS even if the option date is later than the Contract period. Any payments required to acquire title are a Contract cost.

ARTICLE 21. OBLIGATIONS REGARDING CRIMINAL RECORDS OF INDIVIDUALS ASSIGNED TO WORK IN MCPS FACILITIES

- A. **Prohibition against assigning registered sex offenders and individuals convicted of sexual offenses, child sexual abuse, and other crimes of violence to MCPS contracts:**
 - 1. Maryland Law requires that any person who enters into a contract with a county board of education "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender. Under § 11-722 of the Criminal Procedure Article of the Maryland Code, an employer who violates this requirement is guilty of a misdemeanor and, if convicted, may be subject to up to five (5) years imprisonment and/or a \$5,000 fine.
 - 2. Maryland Law further requires that a contractor or subcontractor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo

contendere to, a crime involving:

- a. A sexual offense in the third or fourth degree under § 3-307 or § 3-308 of the Criminal Law Article of the Maryland Code or an offense under the laws of another state that would constitute an offense under § 3-307 or § 3-308 of the Criminal Law Article if committed in Maryland;
 - b. Child sexual abuse under § 3-602 of the Criminal Law Article, or an offense under the laws of another state that would constitute child sexual abuse under § 3-602 of the Criminal Law Article if committed in Maryland; or
 - c. A crime of violence as defined in § 14-101 of the Criminal Law Article, or an offense under the laws of another state that would be a violation of § 14-101 of the Criminal Law Article if committed in Maryland, including: (1) abduction; (2) arson in the first degree; (3) kidnapping; (4) manslaughter, except involuntary manslaughter; (5) mayhem; (6) maiming; (7) murder; (8) rape; (9) robbery; (10) carjacking; (11) armed carjacking; (12) sexual offense in the first degree; (13) sexual offense in the second degree; (14) use of a handgun in the commission of a felony or other crime of violence; (15) child abuse in the first degree; (16) sexual abuse of a minor; (17) an attempt to commit any of the crimes described in items (1) through (16) of this list; (18) continuing course of conduct with a child under § 3-315 of the Criminal Law Article; (19) assault in the first degree; (20) assault with intent to murder; (21) assault with intent to rape; (22) assault with intent to rob; (23) assault with intent to commit a sexual offense in the first degree; and (24) assault with intent to commit a sexual offense in the second degree.
3. The Contractor is required to submit, following award of the Contract, documentation confirming that its direct employees and those of any subcontractors and/or independent contractors assigned to perform work in a MCPS school facility under the Contract meet this obligation. Additionally, the Contractor must confirm that it continues to meet this obligation on an annual basis and/or when there are changes in its workforce that the Contractor and/or its subcontractors use to perform the work required by the Contract.

B. Required criminal background check process for certain individuals in the Contractor's workforce:

1. Under § 5-551 of the Family Law Article of the Maryland Code, each contractor and subcontractor shall require that any individuals in its workforce must undergo a criminal background check, including fingerprinting, if the individuals will work in a MCPS school facility in circumstances where they have direct, unsupervised, and uncontrolled access to children. The term "workforce" in this and the preceding section refers to all of the Contractor's direct employees, subcontractors and their employees, and/or independent contractors and their employees that the Contractor uses to perform the work required by the Contract.
2. Fingerprinting for the criminal background check may be performed by the MCPS Office of Human Resources and Development, 45 W. Gude Drive, Rockville, MD 20850, or through another service approved by MCPS. Individuals fingerprinted by MCPS will be required to provide written consent, and MCPS will maintain copies of all records for criminal background checks performed by MCPS. If the Contractor uses another service approved by MCPS, the results of the criminal background check must be provided to MCPS for record keeping. A list of MCPS approved fingerprinting agencies is available at www.montgomeryschoolsmd.org/departments/procurement.
3. The Contractor must take appropriate steps to promptly follow up on information identified in the criminal background check related to any sexual offenses, child sexual abuse offenses, and crimes of violence enumerated above, as well as any information regarding offenses involving distribution of drugs or other controlled substances, or any other criminal information identified by MCPS as

warranting further explanation insofar as it may significantly affect the safety and security of MCPS students. If, after following up, the Contractor believes that the individual is qualified and should be assigned to work (or continue to work) in a MCPS school facility, then the Contractor will provide a written summary to MCPS justifying its recommendation. MCPS will rely on the Contractor's summary to determine whether to accept the Contractor's recommendation, and the Contractor will be responsible for any consequences of a material misrepresentation in its written summary.

4. Once the Contract is awarded, the Contractor is responsible for implementing the background check process. An individual in the Contractor's workforce may not begin work in a MCPS school facility on an assignment where the individual will have direct, unsupervised, and uncontrolled access to children, until: (i) the background check results for that individual have been received by MCPS; (ii) the Contractor certifies to MCPS that the individual has completed the online training regarding recognizing, reporting, and preventing child abuse and neglect, available on the MCPS website at: www.montgomeryschoolsmd.org/childabuseandneglect/; and (iii) the individual obtains a MCPS identification badge. The badge will be issued by the MCPS Department of Safety and Security, 850 Hungerford Drive, Room 131, Rockville, MD 20850. Appointments are made by calling 301-279-3066. The Contractor will be required to return all badges at the conclusion of the Contract.
 5. The criminal background check and badging process will be at the Contractor's expense.
- C. Violation of this Article constitutes a breach of contract for which MCPS may terminate the Contract pursuant to Article 13 and/or pursue any other appropriate remedy.

ARTICLE 22. INDEMNIFICATION AND LIABILITY

- A. The Contractor is responsible for any loss, personal injury, death, cost, claim, damages (including but not limited to incidental and consequential damages), and other expenses (including attorney's fees and litigation expenses) that may be suffered or incurred by reason of, or occasioned wholly or in part by, the Contractor's negligence, its performance or failure to perform any of its obligations under the Contract, or its violation of any applicable legal requirement. For purposes of this Article, the negligence of employees, agents, affiliates, or subcontractors of the Contractor is deemed to be the negligence of the Contractor. In addition, the Contractor must defend, indemnify, and hold MCPS harmless from and against: (i) any claim (including but not limited to an enforcement action by any federal, state, or local agency) arising from or related to any loss, personal injury, death, cost, claim, damages (including but not limited to incidental and consequential damages), and other expenses (including but not limited to attorney's fees and litigation expenses) that may be suffered or incurred by reason of, or occasioned wholly or in part by, the Contractor's negligence, its performance or failure to perform any of its obligations under the Contract, or its violation of any applicable legal requirement; (ii) any claims, costs, and/or losses whatsoever occurring or resulting from: (a) the Contractor's failure to pay any such compensation, wages, benefits, or taxes; and/or (b) the supplying to the Contractor of work, services, materials, or supplies in connection with or in support of the performance of the Contract; and (iii) any claim of infringement or misappropriation of any patent, copyright or other intellectual property right.
- B. In the event of any intellectual property infringement or misappropriation claim, or if the Contractor becomes aware of the possibility of such a claim, the Contractor may, in its discretion, within sixty (60) days: (a) furnish MCPS with non-infringing replacement of its deliverables, products, and/or services which are functionally equivalent in all material respects to MCPS' satisfaction; (b) modify the applicable deliverables, products, and/or services so that they become non-infringing but functionally equivalent in all material respects to MCPS' satisfaction; (c) obtain for MCPS the right to use such deliverables, products, and/or services upon commercially reasonable terms, subject to adjusted payment obligations on the part of MCPS if such terms differ from those set forth in the Contract; or (d) if and only if (a) – (c) are commercially impracticable, terminate the Contract in whole or in part and

refund to MCPS the fees received for such deliverables, products, and/or services that are the subject of such a claim.

- C. In any action or proceeding brought against MCPS by reason of the foregoing, the Contractor must reimburse MCPS the cost of defending such action or proceedings, or upon MCPS' written demand and at the Contractor's sole cost and expense, the Contractor must defend such action and proceeding by counsel approved by MCPS.
- D. For the purposes of this Article, MCPS includes the Board of Education of Montgomery County, and its officers, officials, agents, and employees. Nothing herein or any other provision of the Contract shall be construed to abrogate, impair, or waive any defense, liability or damages limitation, or governmental immunity of MCPS pursuant to Maryland law, or otherwise. In addition, nothing herein or any other provision of the Contract shall be construed to require MCPS to defend, hold harmless, indemnify, or pay any expenses (including but not limited to attorney's fees and litigation expenses) to the Contractor. The Contractor expressly understands and agrees that any performance bond or insurance protection required by the Contract, or otherwise provided by the Contractor, shall in no way limit its responsibility under the Contract to defend, indemnify, and hold harmless MCPS.
- E. NEITHER PARTY SHALL BE LIABLE FOR ANY SPECIAL, EXEMPLARY, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE CONTRACT, THE CONTRACTOR'S DELIVERABLES, PRODUCTS, SERVICES, AND/OR OTHER ITEMS PROVIDED HEREUNDER; HOWEVER, THE FOREGOING EXCULPATION OF LIABILITY SHALL NOT APPLY TO THE INDEMNIFICATION PROVISIONS OF THIS ARTICLE. NO OTHER DISCLAIMER OR LIMITATION OF LIABILITY SHALL BE APPLICABLE TO THE DELIVERABLES, PRODUCTS, AND/OR SERVICES, OR WORK PROVIDED BY THE CONTRACTOR UNDER THE CONTRACT.
- F. Notwithstanding anything in the Contract to the contrary, this Article shall survive the expiration or earlier termination of the Contract.

ARTICLE 23. INSURANCE

- A. The Contractor shall be solely responsible for any insurance, including, but not limited to, general comprehensive liability, worker's compensation, professional liability insurance, and business automobile insurance. The Contractor agrees to provide MCPS with certificates of insurance verifying the following minimum coverage:
 - 1. Comprehensive General Liability Insurance: Liability limits of not less than One Million Dollars (\$1,000,000.00) per occurrence for claims arising out of bodily injuries or death, and property damages, subject to a minimum limit of Three Million Dollars (\$3,000,000.00) aggregate. Such insurance shall include contractual liability insurance.
 - 2. Comprehensive Business Automobile Liability Insurance: Liability limits of not less than One Million Dollars (\$1,000,000.00) per occurrence for all claims arising out of bodily injuries or death and property damages. The insurance shall apply to any owned, non-owned, leased, or hired automobiles used in the performance of the Contract.
 - 3. Worker's Compensation Insurance: Statutory coverage as required by federal, state, and county laws and regulations.
 - 4. Professional Liability, Errors, and Omissions Insurance: Liability limit of not less than One Million Dollars (\$1,000,000.00) in the event the deliverables, products, and/or services delivered pursuant to the Contract, either directly or indirectly, involve or require Professional Services.

- B. The minimum limits of coverage listed above shall not be construed as the maximum as required by the Contract or as a limitation of any potential liability on the part of the Contractor; nor shall failure by MCPS to request evidence of this insurance in any way be construed as a waiver of the Contractor's obligation to provide the insurance coverage specified. The Contractor must keep this insurance in full force and effect during the term of the Contract, including all extensions. If coverage is written on a claims made basis, the policy shall be endorsed to provide at least a three-year extended claims reporting provision.
- C. Insurance is to be placed with insurers licensed/approved to do business in the State of Maryland with a Best's rating of no less than A:VII, or if not rated with Best's, with a minimum surplus the equivalent of Best's surplus size VII, unless otherwise approved by the DMM Director. The Contractor's insurance coverage shall be primary. The Board of Education of Montgomery County and its officers, officials, agents, and employees shall be covered by endorsement, as additional insureds with respect to liability arising out of activities performed or to be performed by or on behalf of the Contractor in connection with the Contract. The Contractor's insurance shall apply separately to each insured against whom a claim is made and/or a lawsuit brought. Any insurance and/or self-insured program maintained by the Board of Education of Montgomery County or its officers, officials, agents, and employees shall not contribute to the Contractor's insurance or benefit the Contractor in any way.
- D. The Contractor shall provide MCPS with certificates of insurance within ten (10) days of execution of the Contract evidencing the coverage required above. The certificates shall confirm that the Board of Education of Montgomery County and its officers, officials, agents, and employees have been made additional insureds under the respective insurance policies. The Contractor must provide to MCPS at least thirty (30) days written notice of a cancellation of, or a material change to, an insurance policy. The Contractor must provide the certificates of insurance before commencing the work covered by the Contract.

ARTICLE 24. ORDER OF PRECEDENCE

Unless expressly agreed in writing by the Superintendent of Schools, these MCPS General Contract Articles shall take precedence over, supersede, and void any other provision of the Contract to the extent such other provision is contrary to or inconsistent with the MCPS General Contract Articles. For avoidance of doubt, to the extent that any provision of the Contract provides MCPS with additional or greater rights than those provided in the MCPS General Contract Articles, or any other provision of the Contract imposes requirements on the Contractor in addition to those set out in the MCPS General Contract Articles, such other provision shall be deemed to be supplemental to, and not contrary to or inconsistent with, the MCPS General Contract Articles.

ARTICLE 25. SEVERABILITY

Should any portion of the Contract be found illegal, the remainder shall remain in full force and effect and shall be binding on both Parties.

ARTICLE 26. GOVERNING LAW AND JURISDICTION

The Contract shall be governed by and construed in accordance with the laws of Maryland, without regard to conflicts of law provisions. Sole and exclusive jurisdiction for any action or proceedings arising out of or related to the Contract shall be in an appropriate state or federal court located in Maryland.

ARTICLE 27. ENTIRE CONTRACT

The Contract is binding between the Parties and constitutes the entire understanding between the Parties regarding the subject matter of the Contract and supersedes all prior or contemporaneous statements,

understandings and contracts, whether oral or written, between the Parties with respect to the subject matter of the Contract. Any changes and additions hereto shall not become binding upon any Party unless they are incorporated into a written contract amendment signed by the Parties.

ARTICLE 28. SUCCESSORS AND ASSIGNS

The Contract and all of its provisions shall apply to and bind the successors and assigns of the Parties. No assignment or transfer of the Contract or any part hereof, rights hereunder, or interest herein by the Contractor shall be valid unless and until it is approved in writing by MCPS and made subject to such reasonable terms and conditions as MCPS may impose. Unless performance is expressly waived in writing by the DMM Director, an assignment does not release the Contractor from responsibility for performance of the Contract.

ARTICLE 29. GUARANTEE

- A. The Contractor guarantees for one year from acceptance, or for a longer period that is otherwise expressly stated in the RFP or solicitation, all deliverables, products, and/or services, including those used in the course of providing the deliverables, products, and/or services. This includes a guarantee that all such deliverables, products, and/or services carry a guarantee against any and all defects for a minimum period of one year from acceptance, or for a longer period stated in the RFP or solicitation. The Contractor must correct any and all defects in material and/or workmanship that may appear during the guarantee period, or any defects that occur within one (1) year of acceptance even if discovered more than one (1) year after acceptance, by repairing (or replacing with new items or new materials, if necessary) any such defect at no cost to MCPS and to MCPS' satisfaction.
- B. Should a manufacturer's or service provider's warranty or guarantee exceed the requirements stated above, that guarantee or warranty will be the primary one used in the case of defect. Copies of manufacturer's or service provider's warranties must be provided upon request.
- C. All warranties and guarantees must be in effect from the date of acceptance by MCPS of the deliverables, products, and/or services.
- D. Deliverables, products, and/or services provided under the Contract must be of first quality, latest model, and of current manufacture, and must not be of such age or so deteriorated as to impair their usefulness or safety.
