1.0 INTENT

The purpose of this Request for Proposal (RFP) is to solicit proposals from qualified vendors to provide, install, and support advanced Door Alarm Systems designed to enhance security and minimize unauthorized access within Montgomery County Public Schools (MCPS). These systems must be scalable, user-friendly, and integrate with MCPS's existing security and emergency management infrastructure. MCPS intends to move forward with a full modernization approach while allowing vendors to also present full modernizations in stages of their proposals.

2.0 INTRODUCTION

Montgomery County Public Schools (MCPS) is the 15th largest school system in the United States, and the largest in the state of Maryland. During the 2023-2024 school year, MCPS served more than 160,000 students from 157 countries speaking 167 languages. With a Fiscal Year (FY) 2025 Operating Budget of approximately \$3.32 billion, MCPS employs more than 24,500 employees. Among the 211 schools that MCPS operates, 45 are National Blue-Ribbon schools. Three Montgomery County Public Schools (MCPS) have been recognized as the top schools in Maryland as ranked by Niche, a national school and college search platform. In the latest rankings, an additional 18 MCPS schools—across elementary, middle, and high school levels—also placed in the top 10 for the 2025 Best Public Schools in Maryland. Overall, MCPS was recognized as the second-Best School District in Maryland and the second-Best School District for Athletes in Maryland. In 2010, MCPS was the recipient of the Malcolm Baldrige National Quality Award, the highest presidential honor given to American organizations for performance excellence. The student demographics of MCPS in 2023-2024 were as follows:

Hispanic/Latino: 35.3%

White: 23.9%

Black or African American: 21.6%

Asian: 13.7%

Two or more races: 5.3%

American Indian or Alaskan Native: ≤5.0%

Native Hawaiian or other Pacific Islander: ≤5.0%

Students receiving free & reduced-price meals (FARMS): 43.1%

Emergent Multilingual Learners (EMLs) 19.6%

Students receiving special education services: 13.5%

In alignment with our strategic priorities, MCPS believes that each and every student matter; outcomes should not be predictable by race, ethnicity, or socioeconomic status; equity demands the elimination of all gaps; and creating and maximizing future opportunities for students and staff is necessary. Therefore, MCPS holds high expectations for all students and staff; distributes resources as necessary to provide extra supports and interventions so all students can achieve; identifies and eliminates any institutional barriers to students' success; and ensures that equitable practices are used in all classrooms and workplace.

MCPS also believes that we must engage every student, every day; learning is achieved by cultivating curiosity and encouraging determination, focus, and hard work; and adult learning and engagement are key to student learning. Therefore, MCPS encourages and support critical thinking, problem solving, active questioning, and risk taking to continuously improve; stimulate discovery by engaging students in relevant and rigorous academic, social, and emotional learning experiences; and challenge ourselves to analyze and reflect upon evidence to improve our practices.

MCPS is focused on ensuring that all students receive the same level of opportunities to learn. With the advent of more rigorous standards for college and career readiness in recent years, the rollout of the Next Generation Science Standards, and new assessments aligned to these standards, there is great potential to focus teaching and learning on what all students need to know and be able to do to thrive in college, careers, and life in a global society. Whereas these standards and curricula serve as an important force in getting all students—not just some—to the highest levels of attainment, access to hands-on, outside of the classroom experiences must be expanded to serve under represented populations.

3.0 SCOPE OF SERVICES

The vendor shall provide a complete Door Alarm System solution including but not limited to:

- Real-time monitoring and alarm capabilities for all entry points across schools, offices, and event venues.
- Integration with existing MCPS security systems, including surveillance cameras, alarms, and emergency protocols.
- Automated alerts and escalation notifications when unauthorized access or unsecured doors are detected.
- Scalable deployment options to accommodate elementary, middle, high schools, and central office facilities.
- User-friendly dashboards and reporting tools for monitoring and analytics.
- Compatibility with MCPS's Active Directory and Identity Provider for secure user management.
- Data reporting, analytics, and secure storage of system activity logs.
- GIS mapping and GPS integration to monitor system deployment and coverage.
- Compliance with MCPS safety, security, and emergency management standards.

3.1 FUNCTIONAL OPERATIONAL REQUIREMENTS

The system must support functional and operational requirements aligned to modernization. MCPS requires a solution that provides full modernization of door alarm and monitoring systems, while also allowing for modernization implementation approaches where feasible. Vendors should demonstrate how proposed solutions can address:

- Monitoring students identified as “elopers,” including special education students and others who may exit the building without authorization.

- Preventing and detecting unauthorized entry into secondary schools by visitors or peers who may create safety risks.
- Providing real-time alerts to administrators and security staff when unauthorized doors are opened, enabling rapid response and camera verification.
- Supporting mobile device access (iPads, tablets, or smartphones) to display notifications and associated video feeds in real time.
- Ensuring system reliability in facilities addressing cellular coverage limitations by offering alternative communication methods that remain functional in dead zones.
- Providing audit trails of sensor activity, acknowledgments, and staff responses for accountability.
- Providing flexible scheduling and customizable detection protocols for school hours, events, and special operations.
- Generating detailed reports including alarm history, security response times, and system performance metrics.

3.2 TECHNICAL REQUIREMENTS: Modernization Approach

The Vendors must present solutions that support full modernization as the required path forward. Including options for a full replacement approach to ensure long-term sustainability. At a minimum, the proposed solution must:

Active Directory (AD) and Identity Integration:

- Solution must support integration with Microsoft Active Directory for user authentication and access management.
- Centralized management of accounts should be required (single sign-on or equivalent).
- Eliminate reliance on separate, siloed provisioning processes for alarms and access codes.

Database / Infrastructure Compatibility:

- System must be compatible with Microsoft SQL or equivalent database infrastructure to align with MCPS standards.
- Must support secure, reliable integration with existing IT environment.
- Guarantee secure data storage

Alarm System Modernization:

Current alarm panels rely on analog phone lines for communication. The proposed solution must:

- Enable modernized communication via Ethernet or cellular network.
- Provide two-way communication for real-time status updates (e.g., which zones are armed/disarmed).

- System should address the limitations of legacy alarm codes (e.g., shared static codes that are rarely updated).

Security and Access Management Enhancements:

- Must streamline integration with job codes for automated access provisioning.
- Must address the risks of current “piecemeal” solutions and provide a centralized, manageable architecture
- Must address encryption, and role-based access controls.

4.0 CONTRACT TERM

The initial term of contract shall be one year as stipulated on the RFP. The contract may not begin until one day after approval by the MCPS Board of Education and will conclude as stated under the contract term. MCPS reserves the right to extend this contract at existing prices, terms and conditions for up to three additional terms for one (1) year each. Written notice indicating MCPS’ intention to pursue the extension of the contract will be issued to the successful vendor 90 days prior to the expiration of the original contract. The vendor shall have ten (10) days from the date of notification to return the notice acknowledging its intent to accept or reject the extension.

Once all responses are evaluated, MCPS staff may make a recommendation to the MCPS Board of Education to extend the contract or decide to rebid. If the contract is extended by the MCPS Board of Education, a contract amendment will be issued.

5.0 PRICE PROPOSAL

MCPS requests a fixed price for the scope of services as outlined above inclusive of all costs needed to perform the work in each area of need.

6.0 CONTRACT TERMINATION

MCPS reserves the right to cancel the contract in whole or in part at any time in accordance with Article 12 of the MCPS General Contract Articles. MCPS also reserves the right to cancel the contract with a Respondent for failure to comply or failure to fulfill the terms of this contract in accordance with Article 13 of the MCPS General Contract Articles.

7.0 REFERENCES

All offerors shall include a list of a minimum of three references who use the vendors services and can attest to the firm’s quality of work; and, if possible, shall include school districts of comparable size to MCPS that have utilized the respondents’ services. Include names of client, contact person, email address and phone number of all references. Also, as an attachment, offerors shall include al list of all current school district clients.

References may or may not be reviewed or contacted at the discretion of MCPS. Typically, only references of the top ranked short-listed offerors are contacted. MCPS reserves the right to contact references other than, and/or in addition to, those furnished by an offeror.

- 8.4 Pricing proposal shall be submitted as a separate document outlining content, timeline for implementation, training, professional development, etc. **DO NOT** include the pricing proposal with your technical response. This could result in your submission to be non-responsive.

9.0 MANDATORY SUBMISSIONS

Each offeror must submit a complete proposal including all required information and attachments. The response shall address each paragraph in the same order as the RFP and provide an individual response to each RFP specification. All proposals must be presented using the same numbering sequence and order used in this RFP document or as otherwise specified by MCPS. Rockville, MD 20850

Submissions will become the property of MCPS.

The proposal must be signed by an official having authority to contract with MCPS. The firm and the official's name shall be used in the contract process. MCPS reserves the right to make an award without further discussion of the proposals received. MCPS may also negotiate with the one offeror who submits the best proposal or with two or more offerors who are in the competitive range. Therefore, it is important that the offeror's proposal be submitted initially on the most favorable terms from both the technical and cost standpoints. After the submission and closure of proposals, no information will be released until after the award. It is understood that the offeror's proposal will become a part of the official file on this matter without obligation to MCPS.

The proposal must be complete and comply with all aspects of these specifications. Marketing or promotional verbiage will likely overshadow the offeror's qualifications and expertise. MCPS urges the offeror to be specific and brief in their responses.

Offerors must include any and all statements and representations made within its proposal in the contract for services with MCPS unless otherwise agreed upon by MCPS and offeror during negotiations. This includes, but is not limited to, the vendor's point-by-point response to this RFP. It is the intention to award to the most favorable respondent(s) based on the evaluation criteria in Section 11.0. However, the Board reserves the right to make awards according to the best interest of MCPS. This request for proposals may result in multiple awards for different components of the scope of services.

The selected provider(s) must have demonstrated experience in providing alternative programs for students to obtain a high school diploma (as defined in Section 3) in similar institutions (e.g., school districts, departments of education, etc.).

In determining the qualifications of a contractor, MCPS will consider the contractor's record and performance of any prior contracts with MCPS, federal departments or agencies, or other public bodies, including but not limited to the contractor's record providing such detailed programs/services as described in Section 3.0 to MCPS or other schools or school districts.

MCPS expressly reserves the right to reject the proposal of any contractor if the investigation discloses that the contractor, in the opinion of MCPS, has not properly performed such prior contracts or has habitually and without just cause neglected the payment of bills or has otherwise disregarded its obligations to subcontractors or employees.

MCPS may conduct any necessary investigation to determine the ability of the contractor to perform the work, and the contractor shall furnish to MCPS all such information and data requested, such as information about its reputation, past performance, business and financial capability and other factors that demonstrate that the provider is capable of satisfying MCPS' needs and requirements for a specific contract.

MCPS reserves the right to reject any proposal if the evidence submitted by the contractor or investigation of such contractor fails to satisfy MCPS that such contractor is properly qualified to carry out the obligations of the contract and to complete all requirements contemplated therein. Consideration will be given to any previous performance with MCPS as to the quality and the acceptability of bidder's services. All Contractor's submitting a proposal shall include evidence that they maintain a permanent place of business. Copies of any appropriate licenses necessary to perform this work shall be submitted with each proposal. Contractors also shall demonstrate that they have adequate staff to perform the required services. Use of subcontractor(s) and/or third-party providers, if any, must be specifically identified within the proposal.

Subcontractor and/or third-party provider roles shall be clearly expressed. MCPS reserves the right to accept or reject use of proposed subcontractor(s) and/or third-party provider(s).

MCPS reserves the right to add or delete vendors, as needed, should our requirements change during the contract term.

10.0 TREATMENT OF TECHNICAL DATA IN PROPOSAL

The proposal submitted in response to this request may contain technical data which the offeror does not want used or disclosed for any purpose other than evaluation of the proposal. The use and disclosure of any such technical data, subject to the provisions of the Maryland Public Information Act, may be so restricted:

Provided, that offeror marks the cover sheet of the proposal with the following legend, specifying the pages of the proposal which are to be restricted in accordance with the conditions of the legend: "Technical data contained in pages ___ of this proposal shall not be used or disclosed, except for evaluation purposes."

Provided, that if a contract is awarded to this offeror as a result of or in connection with the submission of this proposal, MCPS shall have the right to use or disclose these technical data to the extent provided in the contract.

This restriction does not limit the right of MCPS to use or disclose technical data obtained from another source without restriction.

MCPS assumes no liability for disclosure or use of unmarked technical data or products and may use or disclose the data for any purpose and may consider that the proposal was not submitted in confidence and therefore is releasable. Price and cost data concerning salaries, overhead, and general and administrative expenses are considered proprietary information and will not be disclosed, if marked in accordance with the instructions in Section 11.0.

11.0 PROPRIETARY AND CONFIDENTIAL INFORMATION

Contractors are notified that MCPS has unlimited data rights regarding proposals submitted in response to this solicitation. Unlimited data rights mean that MCPS has the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, or perform publicly and display publicly any information submitted by the offeror in response to this or any solicitation issued by MCPS. However, MCPS will exempt information that is confidential commercial or financial information of an offeror, as defined by the Maryland Public Information Act, State Government Article, Section 10-617, from disclosure. It is the responsibility of the offeror to clearly identify each part of its proposal that is confidential commercial or financial information by stamping the **bottom right-hand corner** of each pertinent page with one-inch bold face letters stating the words "**confidential**" or "**proprietary**." The offeror agrees that any portion of the proposal that is not stamped as proprietary or confidential is not proprietary or confidential. As a condition for MCPS keeping the information confidential, the offeror must agree to defend and hold MCPS harmless if any information is inadvertently released. Each offeror must submit a proprietary and confidential redacted copy of its proposal to be used in responding to MPIA requests.

12.0 EVALUATION CRITERIA

MCPS reserves the right to ask clarifying questions about submitted proposals. Offerors also may ask questions that they may have related to this RFP prior to submitting their responses. See Section 13.0,

Schedule of Events. Only proposals received by the deadline will be considered. Proposals will be screened down to a number of finalists.

MCPS reserves the right to convene a meeting with the top qualified offerors prior to awarding a contract. The purpose of the meeting will be to afford both parties an opportunity to discuss any aspects of the requirements and services that will be performed and clarify any issues. Issues raised during the meeting, which cannot be resolved to the satisfaction of MCPS, shall be cause to reject the proposal. In addition, vendors shall be prepared to provide a product and services demonstration, providing an overview of the proposed product and services at no cost to MCPS. As appropriate, the vendor shall be responsible for the installation of the proposed products and services and any third-party software at the District-designated demonstration facility before the demonstration, as necessary. If requested by MCPS, the top qualified offeror or offeror shall provide MCPS with an opportunity to access and review the vendor's system as in operation at that time, via the Internet from a MCPS computer, to ensure conformity to the requirements of this RFP as well as for the quality and ease of the user interface.

All offerors are advised that in the event of receipt of an adequate number of proposals, which, in the opinion of MCPS require no clarification and/or supplementary information, such proposals may be evaluated without further discussions. Therefore, proposals should be submitted initially on the most complete and favorable terms and conditions. Should proposals submitted require additional clarification and/or supplementary information, offerors should be prepared to submit such additional clarification and/or supplementary information, in a timely manner, when requested

Proposals meeting all requisite criteria will be evaluated. Those who do not meet requisite criteria will not be evaluated further.

- a. The Offeror's demonstrated knowledge of and experience with school systems of comparable size and demographic characteristics; experience facilitating community meetings among diverse communities and stakeholders, including a wide range of engagement strategies; knowledge of and experience with boundary assignment processes including legal parameters; and experience with large scale, multi-variate data analysis.

15.0 ADDENDA/ERRATA

Changes and addenda to a solicitation may occur prior to the solicitation opening date and time. It is the offeror's responsibility to check the MCPS website under "Event Calendar" <https://ww2.montgomeryschoolsmd.org/calendar/mcpsbids.aspx> or contact the Department of Procurement at Procurement@mcpsmd.org to verify whether addenda/errata have been issued.

In the event that MCPS issues addenda/errata, all terms and conditions will remain in effect unless they are specifically and explicitly changed by the addenda/errata. Offerors must acknowledge receipt of such addenda/errata by returning one signed copy of each of the addenda/errata with its proposal. Failure to provide the signed acknowledgement of the addenda/errata may result in a bid being deemed non-responsive.

16.0 eMARYLAND MARKETPLACE ADVANTAGE (EMMA)

Maryland law requires local and state agencies to post solicitations on eMaryland Marketplace Advantage. Registration with eMaryland Marketplace is free. It is recommended that any interested supplier register at <https://emma.maryland.gov/>, regardless of the award outcome for this procurement as it is a valuable resource for upcoming bid notifications for municipalities throughout Maryland.

17.0 MULTI-AGENCY PARTICIPATION

MCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not be limited to private schools, parochial schools, non-public schools such as charter schools, special districts, intermediate units, non-profit agencies providing services on behalf of government,

and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. Use of this solicitation by other agencies may be dependent on special local/state requirements attached to and made a part of the solicitation at the time of contracting. The supplier/contractor agrees to notify the issuing agency of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested. A copy of the contract pricing and the bid requirements incorporated in this contract will be supplied to requesting agencies. Each participating jurisdiction or agency shall enter into its own contract with the Awarded offeror(s) and this contract shall be binding only upon the principal's signing such an agreement. Invoices shall be submitted "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Awarded offeror. MCPS assumes no authority, liability, or obligation on behalf of any other public or non-public entity that may use any contract resulting from this bid. MCPS pricing is based on the specifications provided in this solicitation.

18.0 INQUIRIES

Inquiries regarding this solicitation must be submitted in writing to Saudy Espinal, via email to saudy_espinaldeveloz@mcpsmd.org. Questions are due by 4:00 p.m. on December 2, 2025. Responses will be posted on eMaryland Marketplace and on the MCPS' Procurement website. The Board will not be responsible for any oral or telephone explanation or interpretation by any agent or employee of MCPS. Any binding information given to a contractor in response to a request will be furnished to all contractors as addenda/errata, if such information is deemed necessary for the preparation of proposals, or if the lack of such information would be detrimental to the uninformed contractors. Only such addenda/errata, when issued by MCPS, will be considered binding on MCPS.

Contact by offerors with any other MCPS employee regarding this solicitation until the contract is awarded by MCPS will be considered by MCPS as an attempt to obtain an unfair advantage and result in non-consideration of their RFP response. The MCPS Procurement website address is <https://www2.montgomeryschoolsmd.org/departments/procurement/vendors/>.

19.0 UNNECESSARILY ELABORATE BROCHURES

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective proposal are not desired and may be construed as an indication of the offeror's lack of cost consciousness. Elaborate art work and expensive visual and other presentation aids are neither necessary nor wanted.

20.0 BID PROTESTS

Any bid protests, including appeals, will be governed by the applicable MCPS Department of Procurement Regulations. The burden of production of all relevant evidence, data and documents and the burden of persuasion to support the protest is on the offeror making the protest.

21.0 CONTRACT

MCPS plans to enter a contractual agreement with Respondent(s) to whom the award is made and intends to make MCPS General Contract Articles, attached hereto and incorporated herein as Appendix A, part of the contractual agreement, except and unless modified by MCPS. In addition, the Contractor will ensure that all staff abide by the provisions of the MCPS General Contract Articles. Proposals must clearly identify any variances from or objections to the specifications in this RFP and the terms and conditions of the MCPS General Contract Articles. Lacking any response to the contrary, MCPS will infer that the Respondent agrees to the specifications of this RFP and each term and condition of the MCPS General Contract Articles. Respondents should note that any variance may provide a basis for MCPS to reject the proposal. **In particular, the provisions set forth in Articles 5, 12-14, 16-18, 21-24, 26, and 28 of the MCPS General Contract Articles are non-negotiable.**
