ERRATUM/ADDENDUM #3

**Request for Proposal # 4361.4
Power Purchase Agreement for Electricity
from Solar Photovoltaic Systems**

The above referenced Request for Proposal is hereby modified to reflect the following changes/additions:

DUE DATE EXTENDED: The due date for proposals is hereby extended to Tuesday, August 5, 2025 at 2:00pm.

1. The workbook titled RFP Tables and Attachments A B and C is no longer valid. The workbook titled RFP Attachments 071125 replaced it. Now, Table A – Site Electrical Info within the workbook has been updated. Please use the workbook titled **RFP Attachments 072825**. The initial and subsequent versions will be removed.
2. Please note that all information should be organized according to the table provided in Attachment C. All attachments should be contained in the same spreadsheet.
3. Page 21, Section III. Offeror's Certification, No. 2. Is deleted in its entirety and is hereby replaced and restated below:

The undersigned acknowledges that an Agreement for Professional Services and Electricity will be applicable to each contract that is expected to result from a subsequent award. Proposals that do not include this acknowledgment page may be rejected. The requirement may be satisfied by executing and returning (with the proposal) the acknowledgment shown below.

4. To clarify, the value of the performance bond will be based on the total installed cost of the system.
5. In reference to the following question: Section 3.5 of the RFP Response Checklist states: "Qualifications (no more than 3 pages). Provide a brief summary of similar projects completed for private or government clients. Include reference contact information for each project. Utilize Attachment C as part of your response." However, Attachment C appears to be the Project Description Form intended for the Pricing Proposal. Could you please clarify whether this is the correct reference, or if another document is intended to support the qualifications section? **Yes, supplemental information is allowed to support and respond to the qualifications section.**
