ADDENDUM #2

RFP No. 4403.1, STEM Programs

Please note the following addition to above-mentioned RFP:

22.0 PROVISION FOR PRICE ADJUSTMENT

Price increases on both service labor rate and on equipment will not be considered for the first year of the contract. Thereafter, the successful vendor must submit a written request for price relief. The request for a price increase on the equipment shall include documentation from the manufacturer to verify the basis for such request. Adjustments for price increases on service labor rate will be based upon Consumer Price Index (CPI), specifically, the All Consumers Index, published by the U.S. Department of labor, Bureau of Labor Statistics, for the Washington, D.C., Metropolitan Area. The request shall not exceed 75% of the percentage change of January 1 CPI's, rounded to the nearest tenth of a percentage. Downward adjustments shall be made by MCPS without a request from the successful vendors.

MCPS reserves the right to accept or reject the request as may be determined to be in the best interest of MCPS. Any orders received prior to a request for a price increase shall be honored at the original contract price. If the price increase is approved, a contract amendment will be issued authorizing the increase.

All other terms and conditions remain the same.
