**1.0 INTENT**

The purpose of this RFP is to solicit and engage one or more professional and knowledgeable contractor(s) to analyze current resource allocations and distributions and to implement a method for individual schools and the district to improve the utilization of resources when appropriate.

**2.0 INTRODUCTION**

Montgomery County Public School (MCPS) is the 14th largest school system in the United States, and the largest in the state of Maryland. During the 2017–2018 school year, MCPS serve more than 161,000 students from 157 countries speaking 150 languages. With a Fiscal Year (FY) 2018 Operating Budget of approximately \$2.52 billion, MCPS employs more than 23,000 employees. Among the 205 schools that MCPS operates, 39 are National Blue Ribbon schools. Six MCPS high schools rank in the top 200 of *The Washington Post's* 2015 High School Challenge, and all 25 MCPS high schools appear on this list, which only includes the top 11 percent of high schools in the country. MCPS has one of the highest graduation rates among the nation's largest school districts, according to an *Education Week* report. In 2010, MCPS was the recipient of the Malcolm Baldrige National Quality Award, the highest presidential honor given to American organizations for performance excellence. The student demographics of MCPS in 2017 are as follows:

White: 28.3%

Hispanic/Latino: 32.3%

Black or African American: 21.4%

Asian: 14.4%

Two or more races: ≤ 5.0%

American Indian or Alaskan Native: ≤5.0%

Native Hawaiian or other Pacific Islander: ≤5.0%

Students receiving Free and Reduced-price Meals System (FARMS): 35.1%

Students ever receiving FARMS: 35.1%

English for Speakers of Other Languages (ESOL): 17.5%

Students receiving special education services: 11.7%

In accordance with new regulations set forth in the *Every Student Succeeds Act* (ESSA), school districts will be required to publish per pupil spending by individual school. MCPS must prepare for the technical changes needed to report spending by individual schools, as well as the changes needed to engage employees, our community, and other stakeholders in this new data. This time also provides us an opportunity to enable strategic, data-driven

conversations about how we are spending our education dollars to best meet the needs of our students, our schools, our programs, and our community. Montgomery County Public Schools sees this as an opportunity to continue our work to assess and understand how we use our resources and to explore avenues for improvement. We view the regulation as a beginning point of the important analysis and discussions around how well resources are used. The regulation focuses narrowly on how much funding is spent by each school. In order to create real improvement we believe we must extend this conversation from “how much” we spend to “how well” the resources are utilized. To do this MCPS must deeply understand how resources are deployed and used across its schools, and how effectively those resources are being used to ensure all students are learning at the highest level.

### **3.0 SCOPE OF SERVICES**

MCPS requests an analysis of resource allocations including staffing formulas and comparison to similar and high performing districts. We also request the implementation of a method that can be used by individual schools and at the district level to guide improve utilization of resources, when appropriate. Lastly, we seek support in working with critical stakeholders around the communication and education with respect to the ESSA regulations.

- 3.1 A district wide analysis of current allocated resources including the following;
  - a. Staffing guidelines and formulas
  - b. Non-personnel resources
  - c. Resources equity analysis based on needs (poverty, special education, English language learners, etc.)
  - d. Nature of spending (how funds are being used throughout the district)
  - e. Alignment with the school system strategic plan
- 3.2 An assessment of how resources are deployed through the district (teacher time, instructional time, class size, experience, coursework, etc.) and how well resources are used to effectively and equitably meet the needs of students to ensure all students are learning at the highest level.
  - a. Identification of promising practices
  - b. Trends and patterns for higher performing schools
  - c. Comparison among similar sized schools and among schools with similar resources
- 3.3 An assessment of how MCPS’ distribution of resources compares to higher performing districts and districts of similar size.
- 3.4 An instrument that includes school level reports comparing current distribution of resources with identified promising practices to consider.
- 3.5 Recommendations for changes in distribution of resources based on findings, trends, and patterns; prioritized based on impact of outcomes.
- 3.6 A detailed plan of communication and engagement for work with critical stakeholders around the means of the ESSA regulation requirements.

#### **4.0 CONTRACT TERM**

The initial term of contract shall be for one year as stipulated on the RFP. However, the contract may not begin until one day after approval by the Montgomery County Board of Education and will conclude as stated under the contract term. MCPS reserves the right to extend this contract at existing prices, terms, and conditions for up to three (3) additional terms for one (1) year each. Written notice indicating MCPS' intention to pursue the extension of the contract will be issued to the successful contractor(s) 90 days prior to the expiration of the original contract. The contractor shall have ten (10) days from the date of notification to return the notice acknowledging its intent to accept or reject the extension.

Once all responses are evaluated, MCPS staff may make a recommendation to the Board to extend the contract or decide to rebid. If the contract is extended by the Board, a contract amendment will be issued.

#### **5.0 PRICING**

Pricing shall be broken down into three categories.

- A. Pricing for the district wide analysis of how resources are currently allocated and deployed, see sections 3.1 and 3.2.
- B. Pricing for assessment of MCPS' distribution of resources compared to other districts and analysis of school level reports comparing distribution of resources with identification of promising practices to consider, see sections 3.3 and 3.4.
- C. Pricing for reported recommendations for changes in allocation distribution based on findings and detailed communication and engagement plan for working with critical stakeholders, see sections 3.5 and 3.6.

#### **6.0 CONTRACT TERMINATION**

MCPS reserves the right to cancel the contract in whole or in part at any time in accordance with Article 12 of the MCPS General Contract Articles. MCPS also reserves the right to cancel the contract with a Respondent for failure to comply or failure to fulfill the terms of this contract in accordance with Article 13 of the MCPS General Contract Articles.

#### **7.0 REFERENCES**

All Contractors shall include a list of a minimum of five references who use the Contractor's services who can attest to their quality of work and, if possible, shall include school districts of comparable size to MCPS that have utilized the Respondents' services. - 8.2 Contractors shall include any and all statements and representations made within its proposal in the contract for services with the MCPS. This includes, but is not limited to, the contractors’ point-by-point response to this RFP. - 8.3 MCPS shall not be responsible nor be liable for any costs incurred by the contractor in the preparation and submission of their proposals and pricing.
- 8.4 A pricing proposal shall be submitted as a separate document outlining any content, timeline for implementation, training, professional development, etc.

## 9.0 MANDATORY SUBMISSIONS

Each Contractor must submit a complete proposal including all required information and attachments. The response shall address each paragraph in the same order as the RFP and provide an individual response to each RFP specification. All proposals must be presented using the same numbering sequence and order used in this RFP document or as otherwise specified by MCPS. Contractors may request via e-mail to Emily Anderson, Contract Administrator, MCPS Procurement Unit, at [Emily\\_E\\_Anderson@mcpsmd.org](mailto:Emily_E_Anderson@mcpsmd.org), a Microsoft Word version to help them in preparing the response.

One (1) original and five (5) copies, as well as one (1) electronic version on CD or flash drive of the response, and one (1) redacted copy, as well as one (1) electronic version on CD or flash drive of the redacted response must be sent by mail, courier, or hand-delivery to the address below. Responses shall be in binders with tabs identifying each section. A table of contents should be included and all pages numbered as referenced in the Table of Contents. No faxes or electronic submission of proposals will be accepted. Proposals are to be received no later than 2:00 p.m. on June 14, 2018. Submit responses of the entire RFP proposal to:

Montgomery County Public Schools  
Procurement Unit  
45 West Gude Drive, Suite 3100  
Rockville, MD 20850

Submissions will become the property of MCPS.

The proposal must be signed by an official having authority to contract with MCPS. The firm and the official's name shall be used in the contract process. MCPS reserves the right to make an award without further discussion of the proposals received. MCPS also may negotiate with the one Contractor who submits the best proposal or with two or more Contractors who are in the competitive range. Therefore, it is important that the Contractor's proposal be submitted initially on the most favorable terms from both the technical and cost standpoints. After the submission and closure of proposals, no information will be released until after the award. It is understood that the Contractor's proposal will become a part of the official file on this matter without obligation to MCPS.

The proposal must be complete and comply with all aspects of these specifications. Marketing or promotional verbiage will likely overshadow the Contractor's qualifications and expertise. MCPS urges the Contractor to be specific and brief in their responses.

MCPS shall not be responsible or liable for any costs incurred by the contractor in the preparation and submission of their proposals and pricing.

### **Complete Response must include:**

Failure to include the following required submissions may render the proposal non-responsive as determined by the director of the Department of Materials Management.

- The Contractor must include complete resumes of qualifications and experience of all staff who will be assigned to this project.
- A list of at least five (5) references for the contracting agency including contact persons and telephone numbers must be submitted, See 7.0 References.

- Bidder Information Sheet, see 21.0 Notice to Bidders
- Current Form W-9
- A redacted copy of the Respondent's proposal as specified in Sections 10.0 and 11.0.

All of these written deliverables described above shall be submitted in electronic format (MS Word) with at least five (5) hard copies. Absent good cause, payment for the services provided by the External Consultant(s) shall be contingent upon meeting the mutually agreed-upon deadlines.

It is the intention to award to the most favorable respondent(s) based on the evaluation criteria in Section 12.0. However, the Board reserves the right to make awards according to the best interest of MCPS. This request for proposals may result in multiple awards for different components of the scope of services.

In determining the qualifications of a contractor, MCPS will consider the contractor's record and performance of any prior contracts with MCPS, federal departments or agencies, or other public bodies, including but not limited to the contractor's record providing such detailed programs/services as described in Section 3.0 to MCPS or other schools or school districts. MCPS expressly reserves the right to reject the proposal of any contractor if the investigation discloses that the contractor, in the opinion of MCPS, has not properly performed such prior contracts or has habitually and without just cause neglected the payment of bills or has otherwise disregarded its obligations to subcontractors or employees.

MCPS may conduct any necessary investigation to determine the ability of the contractor to perform the work, and the contractor shall furnish to MCPS all such information and data requested, such as information about its reputation, past performance, business and financial capability and other factors that demonstrate that the provider is capable of satisfying MCPS' needs and requirements for a specific contract. MCPS reserves the right to reject any proposal if the evidence submitted by the contractor or investigation of such contractor fails to satisfy MCPS that such contractor is properly qualified to carry out the obligations of the contract and to complete all requirements contemplated therein. Consideration will be given to any previous performance with MCPS as to the quality and the acceptability of bidder's services.

All Contractor's submitting a proposal shall include evidence that they maintain a permanent place of business. Copies of any appropriate licenses necessary to perform this work shall be submitted with each proposal. Contractors also shall demonstrate that they have adequate staff to perform the required services. Use of subcontractor(s) and/or third party providers, if any, must be specifically identified within the proposal. Subcontractor and/or third party provider roles shall be clearly expressed. MCPS reserves the right to accept or reject use of proposed subcontractor(s) and/or third party provider(s).

**MCPS reserves the right to add or delete contractors, as needed, should our requirements change during the contract term.**

## **10.0 TREATMENT OF TECHNICAL DATA IN PROPOSAL**

The proposal submitted in response to this request may contain technical data which the contractor does not want used or disclosed for any purpose other than evaluation of the proposal. The use and disclosure of any such technical data, subject to the provisions of the Maryland Public Information Act, may be so restricted:

Provided, that contractor marks the cover sheet of the proposal with the following legend, specifying the pages of the proposal which are to be restricted in accordance with the conditions of the legend: "Technical data contained in pages \_\_\_ of this proposal shall not be used or disclosed, except for evaluation purposes."

Provided, that if a contract is awarded to this contractor as a result of or in connection with the submission of this proposal, MCPS shall have the right to use or disclose these technical data to the extent provided in the contract.

This restriction does not limit the right of MCPS to use or disclose technical data obtained from another source without restriction.

MCPS assumes no liability for disclosure or use of unmarked technical data or products and may use or disclose the data for any purpose and may consider that the proposal was not submitted in confidence and therefore is releasable. Price and cost data concerning salaries, overhead, and general and administrative expenses are considered proprietary information and will not be disclosed, if marked in accordance with the instructions in Section 11.0.

## **11.0 PROPRIETARY AND CONFIDENTIAL INFORMATION**

Contractors are notified that MCPS has unlimited data rights regarding proposals submitted in response to this solicitation. Unlimited data rights means that MCPS has the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, or perform publicly and display publicly any information submitted by the contractor in response to this or any solicitation issued by MCPS. However, MCPS will exempt information that is confidential commercial or financial information of a contractor, as defined by the Maryland Public Information Act, State Government Article, Section 10-617, from disclosure. It is the responsibility of the contractor to clearly identify each part of its proposal that is confidential commercial or financial information by stamping the **bottom right-hand corner** of each

pertinent page with one-inch bold face letters stating the words “**confidential**” or “**proprietary**.” The contractor agrees that any portion of the proposal that is not stamped as proprietary or confidential is not proprietary or confidential. As a condition for MCPS keeping the information confidential, the contractor must agree to defend and hold MCPS harmless if any information is inadvertently released. Each contractor must submit a proprietary and confidential redacted copy of its proposal to be used in responding to MPIA requests.

## **12.0 EVALUATION CRITERIA**

MCPS reserves the right to ask clarifying questions about submitted proposals. Contractors also may ask questions that they may have related to this RFP prior to submitting their responses. See Section 13.0, Schedule of Events. Only proposals received by the deadline will be considered. Proposals will be screened down to a number of finalists.

MCPS reserves the right to convene a meeting with the top qualified Contractor(s) prior to awarding a contract. The purpose of the meeting will be to afford both parties an opportunity to discuss any aspects of the requirements and services that will be performed and clarify any issues. Issues raised during the meeting, which cannot be resolved to the satisfaction of MCPS, shall be cause to reject the proposal.

All Contractors are advised that in the event of receipt of an adequate number of proposals, which, in the opinion of MCPS require no clarification and/or supplementary information, such proposals may be evaluated without further discussions. Therefore, proposals should be submitted initially on the most complete and favorable terms and conditions. Should proposals submitted require additional clarification and/or supplementary information, Contractors should be prepared to submit such additional clarification and/or supplementary information, in a timely manner, when requested.

Proposals meeting all requisite criteria will be evaluated. Those who do not meet requisite criteria will not be evaluated further.

12.1 The determination of those that are qualified, interested, and available, and MCPS’ choice of the best qualified will be based on the following criteria:

12.1.1. Completeness of Response

12.1.2. Related past experience and qualifications

12.1.3. References

12.1.4. Contractor’s understanding of the scope of services as demonstrated by the response to the RFP.

12.1.5. Availability of contract professional staff.

A selection committee comprised of MCPS staff and potentially outside stakeholders will evaluate proposals based on these criteria.

### 15.0 ADDENDA/ERRATA

It is the contractor's responsibility to check the MCPS website under "Event Calendar" <http://coldfusion.mcps.k12.md.us/cfms/webteam/calendar/calendar.cfm?calendarID=mcpsbids> or contact the Procurement Unit at 301-279-3555 to verify whether addenda/errata have been issued.

In the event that MCPS issues addenda/errata, all terms and conditions will remain in effect unless they are specifically and explicitly changed by the addenda/errata. Contractors must acknowledge receipt of such addenda/errata by returning one signed copy of each of the

addenda/errata with its proposal. Failure to provide the signed acknowledgement of the addenda/errata may result in a bid being deemed non-responsive.

## **16.0 eMARYLAND MARKETPLACE**

Maryland law requires local and state agencies to post solicitations on eMaryland Marketplace. Registration with eMaryland Marketplace is free. It is recommended that any interested supplier register at [www.eMarylandMarketplace.com](http://www.eMarylandMarketplace.com), regardless of the award outcome for this procurement as it is a valuable resource for upcoming bid notifications for municipalities throughout Maryland.

## **17.0 Multi-Agency Participation**

MCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not be limited to private schools, parochial schools, nonpublic schools such as charter schools, special districts, intermediate units, nonprofit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. Use of this solicitation by other agencies may be dependent on special local/state requirements attached to and made a part of the solicitation at the time of contracting. The supplier/contractor agrees to notify the issuing agency of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested. A copy of the contract pricing and the bid requirements incorporated in this contract will be supplied to requesting agencies. Each participating jurisdiction or agency shall enter into its own contract with the Award contractor(s) and this contract shall be binding only upon the **principal's signing** such an agreement. Invoices shall be submitted "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Award contractor. MCPS assumes no authority, liability, or obligation on behalf of any other public or nonpublic entity that may use any contract resulting from this bid. MCPS pricing is based on the specifications provided in this solicitation.

## **18.0 UNNECESSARILY ELABORATE BROCHURES**

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective proposal are not desired and may be construed as an indication of the contractor's lack of cost consciousness. Elaborate art work and expensive visual and other presentation aids are neither necessary nor wanted.

## **19.0 BID PROTESTS**

Any bid protests, including appeals, will be governed by the applicable MCPS Procurement Unit Regulations, as stated in the MCPS Procurement Manual. The burden of production of

all relevant evidence, data and documents and the burden of persuasion to support the protest is on the Contractor making the protest.

## **20.0 CONTRACT**

MCPS plans to enter a contractual agreement with Respondent(s) to whom the award is made and intends to make MCPS General Contract Articles, attached hereto and incorporated herein as Appendix A, part of the contractual agreement, except and unless modified by MCPS. In addition, the Contractor will ensure that all private duty nurses abide by the provisions of the MCPS General Contract Articles. Proposals must clearly identify any variances from or objections to the specifications in this RFP and the terms and conditions of the MCPS General Contract Articles. Lacking any response to the contrary, MCPS will infer that the Respondent agrees to the specifications of this RFP and each term and condition of the MCPS General Contract Articles. Respondents should note that any variance may provide a basis for MCPS to reject the proposal.
