ERRATUM/ADDENDUM 3

Request for Proposal No. 4699.1,

Special Education and Student Support Services

The above referenced Request for Proposal is hereby modified to reflect the following changes.

A. Proposal Due Date

Date and time set for receipt of RFPs are extended from **Monday, July 27, 2026, at 2:00 PM** – now opens **Thursday, July 30, 2026, at 2:00 P.M.**

B. Attachment E-Pricing Form

After further review of Attachment E- Pricing quotation, it is necessary to make the following amendments to the pricing quotation form.

The single posted line "3.12 BCBA - Supervisory/Consultation (per hour)" is replaced by two lines, because clinical supervision and consultation are different services and cannot share one rate as follows:

1. **3.12 BCBA - Assessment / Consultation / Treatment Planning (per hour), not capped**
2. **3.12 BCBA - Clinical Supervision of RBTs (per hour), billable up to 5% of RBT direct service hours; hours above the cap require prior written approval of the MCPS Project Contact**
3. The two RBT lines are replaced with "RBT Direct Service ... per hour" to make it explicit that billing is per hour of direct documented service.
4. Nothing else on the form changes. No-Show and Group Rate columns are untouched, and all other disciplines are exactly as posted.
5. The updated Pricing Form (Attachment E) is uploaded separately titled Revised Attachment E

C. Section 6.0 Data Privacy and Security- Clarification

The SOC 2 Type 2 report is required of respondents that host, store, process, or transmit MCPS data within systems the respondent owns or controls (for example, a vendor-hosted teletherapy platform). Respondents that provide only on-site personnel who access MCPS-provided systems are not required to submit a SOC 2 Type 2 report and should indicate 'Not Applicable' on that submission item; such respondents remain fully bound by the data-privacy, confidentiality, and breach-notification obligations of Section 6.0 and the MCPS General Contract Articles."

All other terms and conditions remain the same.
