Request for Proposal #4881.2
College Access and Success Programming

1.0 INTENT

The purpose of this Request for Proposal (RFP) is to partner with one or more organizations that will provide in-person programming to first-generation-to-college Montgomery County Public Schools students and their families for Free Application for Federal Student Aid (FAFSA), financial literacy, college and career awareness and planning. Services for students in grades 9-12 should include advising and/or counseling to assist students with navigating the complexities of the college admissions process and financial aid applications; how to find and apply for scholarships; and financial literacy presentations. The programming plan for students in grades 9 -10 should include college and career development and graduation planning opportunities. This RFP seeks partners who provide services during out-of-school time (OST) such as college information sessions. Ultimately, this project seeks to increase access and participation among traditionally underrepresented students in preparing for future success in college, careers, and high-demand jobs of the future.

In alignment with our strategic priorities, MCPS believes that each and every student matters; outcomes should not be predictable by race, ethnicity, or socioeconomic status; equity demands the elimination of all gaps; and creating and maximizing future opportunities for students and staff is necessary. Therefore, MCPS holds high expectations for all students and staff; distributes resources as necessary to provide extra supports and interventions so all students can achieve; identifies and eliminates any institutional barriers to students' success; and ensures that equitable practices are used in all classrooms and workplace.

MCPS also believes that we must engage every student, every day; learning is achieved by cultivating curiosity and encouraging determination, focus, and hard work; and adult learning and engagement are key to student learning. Therefore, MCPS encourages and support critical thinking, problem solving,

active questioning, and risk taking to continuously improve; stimulate discovery by engaging students in relevant and rigorous academic, social, and emotional learning experiences; and challenge ourselves to analyze and reflect upon evidence to improve our practices.

MCPS is focused on ensuring that all students receive the same level of opportunities to learn. With the advent of more rigorous standards for college and career readiness in recent years, the rollout of the Next Generation Science Standards, and new assessments aligned to these standards, there is great potential to focus teaching and learning on what all students need to know and be able to do to thrive in college, careers, and life in a global society. Whereas these standards and curricula serve as an important force in getting all students—not just some—to the highest levels of attainment, access to hands-on, outside of the classroom experiences must be expanded to serve under represented populations.

3.0 SCOPE OF SERVICES

3.1 Proposals should address the entire scope of services. Requirements include:

1. Provide college and career counseling, advising, and academic planning for students in grades 11-12. Activities may include in-person evening, weekend, and summer programs with families together or in breakout groups of students and adults that address:
 - a) Maryland high school graduation requirements;
 - b) Benefits of attending college;
 - c) What to take for college preparation and admission;
 - d) How to prepare for college visits;
 - e) Financial aid activities that include searching for scholarships and financial planning; and
 - f) Participation in events/activities that highlight jobs/careers.

Additional options include college visits, and student career exploration activities. There is a preference for projects that make a clear connection between careers and course/college choices.

2. Services should include workshops to help parents learn new techniques to improve their children's academic performance.

Vendors must provide evidence of project success by comparing and pre and post-measures of both students and their parents with increased student college applications, scholarship applications, participation and performance on college entrance exams, and parental involvement in the college admissions and financial aid processes. The vendor should be able to provide individual and disaggregated data. The preference for this vendor would be in the local metropolitan area to ensure in person services to our schools, students, and families.

3.2 Technical Requirements and Vendor Experience

The vendor shall have proven experience working with high school students and families in college admissions and career development programming. In addition, the vendor's proposal shall provide examples of similar completed projects, or projects in progress, that demonstrate the responding organization's expertise and capabilities in each of the above-listed areas. The vendor should have experience in working with first-generation-to-college students and racially and economically diverse groups of students. Examples might include, for example, detailed descriptions supported by printed screenshots, references to websites or apps that MCPS will be able to review online, etc.

3.3 Timeline for Implementation and Key Staff

The vendor's proposal shall propose a plan and schedule for implementation. The proposal shall provide a general timeline and sequence of experiences that will be available for participating students.

In addition, the proposal shall identify key staff members on the project team, describe each team member's relevant experience and describe the role he or she would play in the project. Such key staff shall not be substituted with other personnel or reassigned to another project without MCPS' prior approval.

3.4 Data Privacy and Security

As specified in more detail in the MCPS General Contract Articles and elsewhere in this RFP, the vendor will comply with all federal, state, and local laws, regulations, and ordinances applicable to this project, including but not limited to the requirements of the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g, and its implementing regulations (34 C.F.R. part 99), the Children's Online Privacy Protection Act ("COPPA"), 15 U.S.C. § 6501-6505, and its implementing regulations (16 C.F.R. § 312, *et seq.*), the Protection of Pupil Rights Amendment, ("PPRA") 20 U.S.C. § 1232(h) and its implementing regulations (34 C.F.R. § 98.1 *et seq.*), the Maryland Student Privacy Act of 2015, Md. Ed. Code Ann., §4-131, Code of Maryland Regulations (COMAR) 13A.08, as well as applicable Board of Education policies and MCPS regulations, including but not limited to MCPS Regulation AFA-RA, *Research and Other Data Collection Activities in Montgomery County Public Schools*, MCPS Regulation JOA-RA, *Student Records*, and MCPS Regulation JFF-RA, *Federal Requirements for Use of Protected Student Information*.

3.5 Training

The vendor will provide on-site and/or interactive web-based training to school district personnel as needed. Initial training for the first year will be provided to participating teachers, staff, or volunteers at no additional charge. Fee structures for more comprehensive professional development can be provided as part of the response to this RFP.

It is the intention to award to the most favorable respondent(s) based on the evaluation criteria in Section 11.0. However, the Montgomery County Board of Education reserves the right to make awards according to the best interest of MCPS. This request for proposals may result in multiple awards.

The selected provider(s) must have demonstrated experience in increasing access among underrepresented students to college admissions experiences outside the traditional classroom; providing hands-on college and career development experiences to students during and outside the school day.

In determining the qualifications of an offeror, MCPS will consider the offeror's record and performance of any prior contracts with MCPS, federal departments or agencies, or other public bodies, including but not limited to the offeror's record providing online digital curriculum services to MCPS or other schools or school districts. MCPS expressly reserves the right to reject the proposal of any offeror if the

investigation discloses that the offeror, in the opinion of MCPS, has not properly performed such prior contracts or has habitually and without just cause neglected the payment of bills or has otherwise disregarded its obligations to subcontractors or employees.

MCPS may conduct any necessary investigation to determine the ability of the offeror to perform the work, and the offeror shall furnish to MCPS all such information and data requested, such as information about its reputation, past performance, business and financial capability and other factors that demonstrate that the provider is capable of satisfying MCPS' needs and requirements for a specific contract. MCPS reserves the right to reject any proposal if the evidence submitted by the offeror or investigation of such offeror fails to satisfy MCPS that such offeror is properly qualified to carry out the obligations of the contract and to complete all requirements contemplated therein. Consideration will be given to any previous performance with MCPS as to the quality and the acceptability of bidder's services.

All offerors submitting a proposal shall include evidence that they maintain a permanent place of business. Copies of any appropriate licenses necessary to perform this work shall be submitted with each proposal. Offerors also shall demonstrate that they have adequate staff to perform the required services. Use of subcontractor(s) and/or third party providers, if any, must be specifically identified within the proposal. Subcontractor and/or third party provider roles shall be clearly expressed. MCPS reserves the right to accept or reject use of proposed subcontractor(s) and/or third party provider(s).

MCPS reserves the right to add or delete Contractors throughout the contract term should MCPS determine, in its sole discretion, that there be a need for additional services not available from the awarded Contractors.

4.0 CONTRACT TERM

The initial term of contract shall be for one (1) year as stipulated on the RFP. However, the contract may not begin until one day after approval by the MCPS Board of Education and will conclude as stated under the contract term. MCPS reserves the right to extend this contract at existing prices, terms and conditions for up to four (4) additional terms for one (1) year each. Written notice indicating MCPS' intention to pursue the extension of the contract will be issued to the successful vendor 90 days prior to the expiration of the original contract. The vendor shall have ten (10) days from the date of notification to return the notice acknowledging its intent to accept or reject the extension.

Once all responses are evaluated, MCPS staff may make a recommendation to the MCPS Board of Education to extend the contract or decide to rebid. If the contract is extended by the MCPS Board of Education, a contract amendment will be issued.

5.0 CONTRACT TERMINATION

MCPS reserves the right to cancel the contract in whole or in part at any time in accordance with Article 12 of the MCPS General Contract Articles. MCPS also reserves the right to cancel the contract with a Respondent for failure to comply or failure to fulfill the terms of this contract in accordance with Article 13 of the MCPS General Contract Articles.

All offerors shall include a list of a minimum of five references who use the firm’s digital content, assessments, professional development, and customization services who can attest to the firm’s quality of work and, if possible, shall include school districts of comparable size to MCPS that have utilized the respondents’ services. Include names of client, contact person, email address and phone number of all references. Also, as an attachment, offerors shall include al list of all current school district clients.

MCPS reserves the right to make an award without further discussion of the proposals received. MCPS may also negotiate with the one offeror who submits the best proposal or with two or more offerors who are in the competitive range. Therefore, it is important that the offeror's proposal be submitted initially on the most favorable terms from both the technical and cost standpoints. After the submission and closure of proposals, no information will be released until after the award. It is understood that the offeror's proposal will become a part of the official file on this matter without obligation to MCPS.

9.0 TREATMENT OF TECHNICAL DATA IN PROPOSAL

The proposal submitted in response to this request may contain technical data which the offeror does not want used or disclosed for any purpose other than evaluation of the proposal. The use and disclosure of any such technical data, subject to the provisions of the Maryland Public Information Act, may be so restricted:

Provided, that offeror marks the cover sheet of the proposal with the following legend, specifying the pages of the proposal which are to be restricted in accordance with the conditions of the legend: "Technical data contained in pages ___ of this proposal shall not be used or disclosed, except for evaluation purposes."

Provided, that if a contract is awarded to this offeror as a result of or in connection with the submission of this proposal, MCPS shall have the right to use or disclose these technical data to the extent provided in the contract.

This restriction does not limit the right of MCPS to use or disclose technical data obtained from another source without restriction.

MCPS assumes no liability for disclosure or use of unmarked technical data or products and may use or disclose the data for any purpose and may consider that the proposal was not submitted in confidence and therefore is releasable. Price and cost data concerning salaries, overhead, and general and administrative expenses are considered proprietary information and will not be disclosed, if marked in accordance with the instructions in 11.0.

10.0 PROPRIETARY AND CONFIDENTIAL INFORMATION

Offerors are notified that MCPS has unlimited data rights regarding proposals submitted in response to this solicitation. Unlimited data rights means that MCPS has the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, or perform publicly and display publicly any information submitted by the offeror in response to this or any solicitation issued by MCPS. However, MCPS will exempt information that is confidential commercial or financial information of an offeror, as defined by the Maryland Public Information Act, State Government Article, Section 10-617, from disclosure. It is the responsibility of the offeror to clearly identify each part of its proposal that is confidential commercial or financial information by stamping the **bottom right-hand corner** of each pertinent page with one-inch bold face letters stating the words “**confidential**” or “**proprietary**.” The offeror agrees that any portion of the proposal that is not stamped as proprietary or confidential is not proprietary or confidential. As a condition for MCPS keeping the information confidential, the offeror must agree to defend and hold MCPS harmless if any information is inadvertently released. Each offeror must submit a proprietary and confidential redacted copy of its proposal to be used in responding to MPIA requests.

11.0 EVALUATION CRITERIA

See Section 13.0, Schedule of Events. Only proposals received by the deadline will be considered. Proposals will be screened down to a number of finalists.

MCPS reserves the right to convene a meeting with the top qualified offerors prior to awarding a contract. The purpose of the meeting will be to afford both parties an opportunity to discuss any aspects of the requirements and services that will be performed and clarify any issues. Issues raised during the meeting, which cannot be resolved to the satisfaction of MCPS, shall be cause to reject the proposal. In addition, vendors shall be prepared to provide a product and services demonstration, providing an overview of the proposed product and services at no cost to MCPS. As appropriate, the vendor shall be responsible for the installation of the proposed products and services and any third party software at the District-designated demonstration facility before the demonstration, as necessary. If requested by MCPS, the top qualified offeror or offeror shall provide MCPS with an opportunity to access and review the vendor’s system as in operation at that time, via the Internet from a MCPS computer, to ensure conformity to the requirements of this RFP as well as for the quality and ease of the user interface.

All offerors are advised that in the event of receipt of an adequate number of proposals, which, in the opinion of MCPS require no clarification and/or supplementary information, such proposals may be evaluated without further discussions. Therefore, proposals should be submitted initially on the most complete and favorable terms and conditions. Should proposals submitted require additional clarification and/or supplementary information, offerors should be prepared to submit such additional clarification and/or supplementary information, in a timely manner, when requested.

Proposals meeting all requisite criteria will be evaluated. Those who do not meet requisite criteria will not be evaluated further. Selection will be made on the basis of the criteria listed below.

It is recommended that any interested supplier register at <https://procurement.maryland.gov/> regardless of the award outcome for this procurement as it is a valuable resource for upcoming bid notifications for municipalities throughout Maryland.

16.0 MULTI-AGENCY PARTICIPATION

MCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not be limited

to private schools, parochial schools, non-public schools such as charter schools, special districts, intermediate units, non-profit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. Use of this solicitation by other agencies may be dependent on special local/state requirements attached to and made a part of the solicitation at the time of contracting. Disputes must be resolved solely between the participating agency and the Award offeror. MCPS assumes no authority, liability, or obligation on behalf of any other public or non-public entity that may use any contract resulting from this bid. MCPS pricing is based on the specifications provided in this solicitation.

17.0 INQUIRIES

Inquiries regarding this solicitation must be submitted in writing to Sylvia Hardy, Buyer I, MCPS Division of Procurement via email at Sylvia_Hardy@mcpsmd.org. The Board will not be responsible for any oral or telephone explanation or interpretation by any agent or employee of MCPS. Any binding information given to an offeror in response to a request will be furnished to all offeror as addenda/errata, if such information is deemed necessary for the preparation of proposals, or if the lack of such information would be detrimental to the uninformed offerors. Only such addenda/errata, when issued by MCPS, will be considered binding on MCPS.

Contact by offerors with any other MCPS employee regarding this solicitation until the contract is awarded by MCPS will be considered by MCPS as an attempt to obtain an unfair advantage and result in non-consideration of its RFP response. The MCPS Procurement website address is www.montgomeryschoolsmd.org/departments/procurement/.

18.0 UNNECESSARILY ELABORATE BROCHURES

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective proposal are not desired and may be construed as an indication of the offeror's lack of cost consciousness. Elaborate art work and expensive visual and other presentation aids are neither necessary nor wanted.

19.0 BID PROTESTS

Any bid protests, including appeals, will be governed by the applicable MCPS Division of Procurement Regulations. The burden of production of all relevant evidence, data and documents and the burden of persuasion to support the protest is on the offeror making the protest.

20.0 CONTRACT

In addition, the Contractor will ensure that all private duty nurses abide by the provisions of the MCPS General Contract Articles. Proposals must clearly identify any variances from or objections to the specifications in this RFP and the terms and conditions of the MCPS General Contract Articles. Lacking any response to the contrary, MCPS will infer that the Respondent agrees to the specifications of this RFP and each term and condition of the MCPS General Contract Articles.
