ERRATUM/ADDENDUM #1

**Request for Information # 4904.1
Social Studies Grades Kindergarten-2 Curriculum and Instructional Materials**

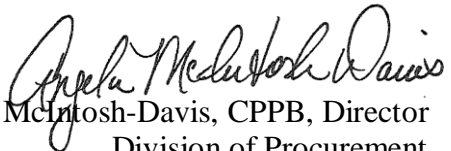

The above referenced Request for Proposal is hereby corrected to reflect the following:

The following language is hereby **deleted under section 3.0 Scope of Services**:

1. Have a comprehensive, independent external evaluation. MCPS strongly prefers evaluations conducted by EdReports (www.edreports.org), an independent nonprofit designed to improve K–12 education that offers reviews of K–12 instructional materials that focus on alignment to college and career-ready standards and other indicators of high quality as recommended by educators. MCPS reserves the right to consider other external independent evaluations comparable to EdReports, but such independent evaluations must be robust and comparable in scale, depth, and methodology.
2. For materials that have EdReports ratings (using Gateways described on EdReports.com), MCPS reserves the right to reject products that:
 - a. Do not incorporate inquiry-based learning in lessons.
 - b. Do not incorporate Social Studies skills practice in lessons.

-
3. The due date on the RFP cover sheet is corrected from January 23, 2023 to January 23, 2024.
 4. A note of clarification, the materials will be purchased by June 30, 2024, but the implementation of grade 2 will not occur until 2025.

All other language, terms and conditions of the RFP remain unchanged.
