Montgomery County Public Schools
Procurement Unit
45 West Gude Drive, Suite 3100
Rockville, MD 20850

Submissions will become the property of MCPS.

The proposal must be signed by an official having authority to contract with MCPS. The firm and the official's name shall be used in the contract process. MCPS reserves the right to make an award without further discussion of the proposals received. MCPS also may negotiate with the one Contractor who submits the best proposal or with two or more Contractors who are in the competitive range. Therefore, it is important that the Contractor's proposal be submitted initially on the most favorable terms from both the technical and cost standpoints. After the submission and closure of proposals, no information will be released until after the award. It is understood that the Contractor's proposal will become a part of the official file on this matter without obligation to MCPS.

The proposal must be complete and comply with all aspects of these specifications. Marketing or promotional verbiage will likely overshadow the Contractor's qualifications and expertise. MCPS urges the Contractor to be specific and brief in their responses.

MCPS shall not be responsible or liable for any costs incurred by the Contractor in the preparation and submission of their proposals and pricing.

Complete Response must include:

Failure to include the following required submissions may render the proposal non-responsive as determined by the director of the Department of Materials Management.

- Point-by-point response to each section of the RFP
- The Respondent must include complete resumes of qualifications and experience of all staff who will be assigned to this project.
- A list of at least three (3) references for the contracting agency including contact persons and telephone numbers must be submitted, See 7.0 References.

- Respondent's annual fiscal report in order to demonstrate the Respondent's financial stability (If desired, the Respondent also may include any other financial documents that the Respondent wishes to include regarding Respondent's financial condition).
- Equal Opportunities Certification (Attachment A)
- Certification of Non-segregated Facilities (Attachment B)
- Minority Business Enterprise (Attachment C)
- Non-Debarment Acknowledgement (Attachment D)
- Mid-Atlantic Purchasing Team Rider Clause (Attachment E)
- Current Form W-9
- A redacted copy of the Respondent's proposal as specified in Sections 10.0 and 11.0.

All of these written deliverables described above shall be submitted in electronic format (MS Word) with at least three (3) hard copies. Absent good cause, payment for the services provided by the Contractor(s) shall be contingent upon meeting the mutually agreed-upon deadlines.

It is the intention to award to the most favorable Respondent(s) based on the evaluation criteria in Section 12.0. However, the Board reserves the right to make awards according to the best interest of MCPS. This request for proposals may result in multiple awards for different components of the scope of services.

In determining the qualifications of a Contractor, MCPS will consider the Contractor's record and performance of any prior contracts with MCPS, federal departments or agencies, or other public bodies, including but not limited to the Contractor's record providing such detailed programs/services as described in Section 3.0 to MCPS or other schools or school districts. MCPS expressly reserves the right to reject the proposal of any Contractor if the investigation discloses that the Contractor, in the opinion of MCPS, has not properly performed such prior contracts or has habitually and without just cause neglected the payment of bills or has otherwise disregarded its obligations to subcontractors or employees.

MCPS may conduct any necessary investigation to determine the ability of the Contractor to perform the work, and the Contractor shall furnish to MCPS all such information and data requested, such as information about its reputation, past performance, business and financial capability and other factors that demonstrate that the provider is capable of satisfying MCPS' needs and requirements for a specific contract. MCPS reserves the right to reject any proposal if the evidence submitted by the Contractor or investigation of such Contractor fails to satisfy MCPS that such Contractor is properly qualified to carry out the obligations of the contract and to complete all requirements contemplated therein. Consideration will be given to any previous performance with MCPS as to the quality and the acceptability of bidder's services.

All Contractor's submitting a proposal shall include evidence that they maintain a permanent place of business. Copies of any appropriate licenses necessary to perform this work shall be submitted with each proposal. Contractors also shall demonstrate that they have adequate staff to perform the required services. Use of subcontractor(s) and/or third party providers, if any, must be specifically identified within the proposal. Subcontractor and/or third party provider roles shall be clearly expressed. MCPS reserves the right to accept or reject use of proposed subcontractor(s) and/or third party provider(s).

MCPS reserves the right to add or delete Contractors, as needed, should our requirements change during the contract term.

9.0 TREATMENT OF TECHNICAL DATA IN PROPOSAL

The proposal submitted in response to this request may contain technical data which the Contractor does not want used or disclosed for any purpose other than evaluation of the proposal. The use and disclosure of any such technical data, subject to the provisions of the Maryland Public Information Act, may be so restricted:

Provided, that Contractor marks the cover sheet of the proposal with the following legend, specifying the pages of the proposal which are to be restricted in accordance with the conditions of the legend: “Technical data contained in pages ___ of this proposal shall not be used or disclosed, except for evaluation purposes.”

Provided, that if a contract is awarded to this Contractor as a result of or in connection with the submission of this proposal, MCPS shall have the right to use or disclose these technical data to the extent provided in the contract.

This restriction does not limit the right of MCPS to use or disclose technical data obtained from another source without restriction.

MCPS assumes no liability for disclosure or use of unmarked technical data or products and may use or disclose the data for any purpose and may consider that the proposal was not submitted in confidence and therefore is releasable. Price and cost data concerning salaries, overhead, and general and administrative expenses are considered proprietary information and will not be disclosed, if marked in accordance with the instructions in Section 11.0.

10.0 PROPRIETARY AND CONFIDENTIAL INFORMATION

Contractors are notified that MCPS has unlimited data rights regarding proposals submitted in response to this solicitation. Unlimited data rights means that MCPS has the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, or perform publicly and display publicly any information submitted by the Contractor in response to this or any solicitation issued by MCPS. However, MCPS will exempt information that is confidential commercial or financial information of a Contractor, as defined by the Maryland Public Information Act, State Government Article, Section 10-617, from disclosure. It is the responsibility of the Contractor to clearly identify each part of its proposal that is confidential commercial or financial information by stamping the **bottom right-hand corner** of each pertinent page with one-inch bold face letters stating the words “**confidential**” or “**proprietary**.” The Contractor agrees that any portion of the proposal that is not stamped as proprietary or confidential is not proprietary or confidential. As a condition for MCPS keeping the information confidential, the Contractor must agree to defend and hold MCPS harmless if any information is inadvertently released. Each Contractor must submit a proprietary and confidential redacted copy of its proposal to be used in responding to MPIA requests.

12.0 EVALUATION CRITERIA

MCPS reserves the right to ask clarifying questions about submitted proposals. Contractors also may ask questions that they may have related to this RFP prior to submitting their responses. See Section 13.0, Schedule of Events. Only proposals received by the deadline will be considered. Proposals will be screened down to a number of finalists.

MCPS reserves the right to convene a meeting with the top qualified Contractor(s) prior to awarding a contract. The purpose of the meeting will be to afford both parties an opportunity to discuss any aspects of the requirements and services that will be performed and clarify any issues. Issues raised during the meeting, which cannot be resolved to the satisfaction of MCPS, shall be cause to reject the proposal.

All Contractors are advised that in the event of receipt of an adequate number of proposals, which, in the opinion of MCPS require no clarification and/or supplementary information, such proposals may be evaluated without further discussions. Therefore, proposals should be submitted initially on the most complete and favorable terms and conditions. Should proposals submitted require additional clarification and/or supplementary information, Contractors should be prepared to submit such additional clarification and/or supplementary information, in a timely manner, when requested.

Proposals meeting all requisite criteria will be evaluated. Those who do not meet requisite criteria will not be evaluated further.

The determination of those that are qualified, interested, and available, and MCPS' choice of the best qualified will be based on the following criteria:

- 12.1 Completeness of Response
- 12.2 Related past experience and qualifications
- 12.3 References
- 12.4 Contract's understanding of the scope of services as demonstrated by the response to the RFP
- 12.5 Availability of contract professional staff.

Contractors must acknowledge receipt of such addenda/errata by returning one signed copy of each of the addenda/errata with its proposal. Failure to provide the signed acknowledgement of the addenda/errata may result in a bid being deemed non-responsive.

16.0 eMARYLAND MARKETPLACE ADVANTAGE (EMMA)

Maryland law requires local and state agencies to post solicitations on eMaryland Marketplace Advantage (EMMA). Registration with EMMA is free. It is recommended that any interested supplier register at www.emma.maryland.gov regardless of the award outcome for this procurement as it is a valuable resource for upcoming bid notifications for municipalities throughout Maryland.

17.0 MULTIAGENCY PARTICIPATION

MCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not be limited to private schools, parochial schools, nonpublic schools such as charter schools, special districts, intermediate units, nonprofit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. Use of this solicitation by other agencies may be dependent on special local/state requirements attached to and made a part of the solicitation at the time of contracting. The

MCPS pricing is based on the specifications provided in this solicitation.

Any binding information given to a Contractor in response to a request will be furnished to all Contractors as addenda/errata, if such information is deemed necessary for the preparation of proposals, or if the lack of such information would be detrimental to the uninformed Contractors. Proposals must clearly identify any variances from or objections to the

specifications in this RFP and the terms and conditions of the MCPS General Contract Articles. Lacking any response to the contrary, MCPS will infer that the Respondent agrees to the specifications of this RFP and each term and condition of the MCPS General Contract Articles. Respondents should note that any variance may provide a basis for MCPS to reject the proposal. **In particular, the provisions set forth in Articles 5-6, 12-18, 21-22, and 26 of the MCPS General Contract Articles are non-negotiable.**
