ANSWER: *Yes, please complete all sections of the form and submit with your response where applicable.*

- Q34 - Will the district accept 1EdTech Data Privacy Certification for the required independent privacy evaluation?

ANSWER: *This will be determined by the evaluation team upon review of the submission.*

- Q35 - Can the district elaborate on what constitutes a substantive system change that would require 30 days advance notice?

ANSWER: *As on example, should you modify your product substantively that would require revisions to documents or additional training.*
