QUESTIONS AND ANSWERS

**The following are questions and responses regarding
RFP No 7244.2 Implementation of a Video Software Editing Platform for the Montgomery
County Public Schools (MCPS) High School Interscholastic Athletics Program**

Question 1. Section 5.0 references pricing for 6 sports. Do you have a preference of what those 6 sports are?

Answer: One option should be 6 with football and one option should be 6 without football. No other preferences.

Question 2. Do you need our first revision of legal redlines by 5/30 or do we need to come to mutual agreement on legal terms by 5/30?

Answer: First revision. Award is only possible with agreement of terms.

Question 3. Section 3.7 says that “vendors should provide a sample video software platform”. What exactly are you seeking here?

Answer: We would like a sample/demo of the software that we can explore and play around with as a team. This will allow us to fully assess the platform.

Question 4. For the format of our submission – would you prefer for us to copy the RFP and just put our comments and notes underneath each section or would you prefer a completely clean document with numbered sections?

Answer: Please put them in each section.

Question 5. Section 7.0 asks for references. When you ask for “Past references”, how would you like us to address that?

Answer: We are seeking current references as outlined. Additional references who no longer use the platform are welcome as well.

Question 6. Will each school be required to use the approved vendor for analytics regardless of individual school choice?

Answer: We want all schools consistent across a given sport.

Question 7. Should the use of portable AI camera's to cover various sports be included in our proposal?

Answer: Both options should be included, including pricing.

Question 8. In reviewing the RFP, please confirm that there are 5 different packages requested:

- a. Football only
- b. Field Hockey only
- c. Full Comprehensive
- d. Mini Package
- e. A la Carte

Answer: Correct

Question 9. Advanced Highlights, Leaderboards and Public Player profile pages are in our roadmap as added new features. Should this be included in the proposal?

Answer: Yes, if they are currently operational.
