Successful bidder(s) shall schedule their deliveries accordingly. C. Awards

It is the intention to award this contract to the bidder(s) submitting the most favorable unit prices with consideration being given to any previous performance for the MCPS Board of Education as to quality of service and acceptable merchandise, and with regard to the bidder(s) ability to perform should it be awarded the contract. Awards may be made to one successful bidder submitting the lowest aggregate quotation on items of a similar nature or on an individual item basis. However, the MCPS Board of Education reserves the right to make awards according to the best interests of the Montgomery County Public Schools. In addition, the Board reserves the right to remove or add additional items to the specifications as our requirements change, as well as, add suppliers throughout the contract term should a need arise that cannot be facilitated by an awarded supplier.

D. Contract Term

The term of contract shall be for one year as stipulated on the Invitation for Bid. However, the contract may not begin until one day after approval by the MCPS Board of Education and will conclude as stated under the contract term. MCPS reserves the right to extend this contract at existing prices, terms and conditions for up to three additional one-year terms. Written notice

D. Contract Term (continued)

indicating MCPS' intention to pursue the extension of the contract will be issued to the successful bidder(s) 90 days prior to the expiration of the original contract. The bidder(s) shall have ten days from the date of notification to return the notice acknowledging its intent to accept or reject the extension. Once all responses are evaluated, MCPS staff may make a recommendation to the Board of Education to extend the contract or decide to rebid. If the contract is extended by the Board of Education a contract amendment will be issued.

E. Provision For Price Adjustment

Unit prices quoted herein are subject to price adjustment downward in accordance with decreases in prices announced by the manufacturer of the subject item anytime prior to award. Recommendations for awards, however, shall be made based on the original bid submission only.

Subsequent to award, the unit prices quoted herein are subject to price adjustment upward or downward in accordance with increases or decreases announced by the manufacturer after the contract award. The successful bidder must notify the director of the Department of Materials Management of any announced manufacturer's price reductions and give immediate benefit to MCPS in a proportionate amount.

Price increases will not be considered for the first 180 days of the contract. Thereafter the successful bidder must submit a written request for price relief. The request for a price increase shall include documentation from the manufacturer to verify the basis for such request. MCPS reserves the right to accept or reject the request as may be determined to be in the best interest of MCPS. Any orders received prior to a request for a price increase shall be honored at the original contract price. If the request for a price increase is approved, a contract amendment will be issued.

F. Descriptive Literature

When bidding products other than the brand and model specified, bidders are required to furnish with their bid proposal literature properly bound and labeled showing full illustrations and detailed specifications on items bid. The literature and specifications are to be arranged and labeled according to item sequence. The literature shall be clearly marked with the bid number, item number and company name. Bidders shall show the manufacturer's code and catalog number of the item offered.

G. Samples

Samples may be required subsequent to the bid opening. Samples must be received within three business days of notification. Notification will be made in writing or by telephone. Samples shall be sent to MCPS Procurement Unit, 45 West Gude Drive, Suite 3100, Rockville, MD 20857. The outside of the sample package shall be marked "Samples" and identified with bid number affixed to packaging.

H. Brand Names

Except where stated as "only" in the item description, reference to brand names, code or model numbers is offered as a point of reference in order for bidders to consider style, sizes, weights, and similar characteristics. The use of such brand names should not be interpreted as the exclusive brand desired.

In the brand column state the brand name, code or model number on each item being offered, even if bidding the specified brand. If a brand and code or model number is not shown your bid may not be considered.

If an item specification shows code or model numbers that have been discontinued, the bidder shall so state and indicate the current code or model number.

Commodity descriptions that state "Only" are brands that have been evaluated and tested for inclusion on this bid and are the only brands acceptable at this time. Other brands will be evaluated and tested by MCPS if materials are submitted at no cost to MCPS. Forward samples to Montgomery County Public Schools, Procurement Unit, 45 West Gude Drive, Suite 3100, Rockville, MD 20850. Testing normally requires a minimum of sixty days to complete; therefore, your samples for testing may be approved for a future bid if the evaluation is satisfactory.

I. Deviations

All bids meeting the intent of the invitation will be considered for award. Bidders offering and quoting on substitutions or who are deviating from the terms, conditions, and/or specifications shall list such and explain fully on a separate sheet to be submitted with its bid. The absence of such a sheet shall indicate that the bidder has taken no exception and shall be held responsible for performing in accordance with the terms, conditions and specifications as stated herein.

J. Quotations

No bidder will be allowed to offer more than one price on each item even though it may feel that it has two or more types of styles that will meet specifications. Bidders must determine for themselves which to offer. If said bidder should submit more than one price on any item, all prices for that item will be rejected. However, this stipulation does not preclude the offering of new products that do not meet specifications in every respect from being offered as a separate item for consideration for future bids. Such product shall be offered under separate cover, identified as a new product and a brief explanation written as a part of the offer detailing the advantages that can normally be expected of this product over the product specified.

A bidder may restrict its bid to consideration in the aggregate by so stating, but shall name a unit price on each item bid upon. Any bid in which the bidder names a total price for all the articles without quoting a price on each item may be considered informal. If there is a discrepancy between the unit cost and total cost, the unit cost shall prevail.

This solicitation shall be valid for acceptance during a period of no less than 90 days from date of opening. Once the contract is approved, terms and conditions of the solicitation shall prevail throughout the contract period.

K. Interpretation of Specifications

The commodities listed are specified to meet our minimum requirements. Therefore, bidders are informed that they must provide the items in conformance to quality standards equal to the brand specified.

L. Quantities

Quantities in this request are based upon prior usage and are subject to change and are dependent upon current requirements of MCPS and on budgetary limitations. However, MCPS shall not be obligated to purchase any specific quantity. Orders will be placed from time to time throughout the contract term for delivery to individual locations.

M. Warranty

The supplier warrants the items delivered to be of the highest quality, complying with specifications and free from all defects whatsoever in workmanship and materials. The supplier agrees that any replacements and/or adjustments made necessary because of such defects will be made promptly without any cost to MCPS and to the satisfaction of MCPS.

N. Vendor Obligation**Contractors' Obligation Regarding Criminal Records of Individuals Assigned to Work in MCPS Facilities**

Beginning July 1, 2015, all MCPS contracts must include the following provisions:

I. Prohibition against assigning registered sex offenders and individuals convicted of sexual offenses, child sexual abuse, and other crimes of violence to MCPS contracts:

Maryland Law requires that any person who enters into a contract with a county board of education "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender. Under § 11-722 of the Criminal Procedure Article of the Maryland Code, an employer who violates this requirement is guilty of a misdemeanor and, if convicted, may be subject to up to five years imprisonment and/or a \$5000 fine.

Effective July 1, 2015, amendments to § 6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:

a) A sexual offense in the third or fourth degree under § 3-307 or § 3-308 of the Criminal Law Article of the Maryland Code or an offense under the laws of another state that would constitute an offense under § 3-307 or § 3-308 of the Criminal Law Article if committed in Maryland;

b) Child sexual abuse under § 3-602 of the Criminal Law Article, or an offense under the laws of another state that would constitute child sexual abuse under § 3-602 of the Criminal Law Article if committed in Maryland; or

N. Vendor Obligation (continued)

c) A crime of violence as defined in § 14-101 of the Criminal Law Article, or an offense under the laws of another state that would be a violation of § 14-101 of the Criminal Law Article if committed in Maryland, including: (1) abduction; (2) arson in the first degree; (3) kidnapping; (4) manslaughter, except involuntary manslaughter; (5) mayhem; (6) maiming; (7) murder; (8) rape; (9) robbery; (10) carjacking; (11) armed carjacking; (12) sexual offense in the first degree; (13) sexual offense in the second degree; (14) use of a handgun in the commission of a felony or other crime of violence; (15) child abuse in the first degree; (16) sexual abuse of a minor; (17) an attempt to commit any of the crimes described in items (1) through (16) of this list; (18) continuing course of conduct with a child under § 3-315 of the Criminal Law Article; (19) assault in the first degree; (20) assault with intent to murder; (21) assault with intent to rape; (22) assault with intent to rob; (23) assault with intent to commit a sexual offense in the first degree; and (24) assault with intent to commit a sexual offense in the second degree.

Each contractor is required to submit, following award of a contract, documentation confirming that its direct employees and those of any subcontractors and/or independent contractors assigned to perform work in a MCPS school facility under the contract meet this obligation. Additionally, the contractor must confirm that it continues to meet this obligation on an annual basis and/or when there are changes in the work-force that the contractor and/or its subcontractors use to perform the work required by the contract.

Violation of this provision is a material breach of contract for which MCPS may take appropriate action up to and including termination of the contract.

II. Required criminal background check process for certain individuals in the contractor's workforce:

Under recent amendments to § 5-551 of the Family Law Article of the Maryland Code, each contractor and subcontractor shall require that any individuals in its work-force must undergo a criminal background check, including fingerprinting, if the individuals will work in a MCPS school facility in circumstances where they have direct, unsupervised, and uncontrolled access to children. The term "work-force" in this and the preceding section refers to all of the contractor's direct employees, subcontractors and their employees, and/or independent contractors and their employees that the contractor uses to perform the work required by the contract.

Fingerprinting for the criminal background check may be performed by the MCPS Office of Human Resources and Development, 45 W. Gude Drive, Rockville, MD 20850, or through another service approved by MCPS. Individuals fingerprinted by MCPS will be required to provide written consent, and MCPS will maintain copies of all records for criminal background checks performed by MCPS. If the contractor uses another service approved by MCPS, the results of the criminal background check must be provided to MCPS for record keeping. A list of MCPS approved fingerprinting agencies can be found on the Procurement Unit website at <http://www.montgomeryschoolsmd.org/departments/procurement>.

N. Vendor Obligation (continued)

The contractor must take appropriate steps to promptly follow up on information identified in the criminal background check related to the sexual offenses, child sexual abuse offenses, and crimes of violence enumerated above, as well as any information regarding offenses involving distribution of drugs or other controlled substances, or any other criminal information identified by MCPS as warranting further explanation insofar as it may significantly affect the safety and security of MCPS students. If, after following up, the contractor believes that the individual is qualified and should be assigned to work (or continue to work) in a MCPS school facility, then the contractor will provide a written summary to MCPS justifying its recommendation. MCPS will rely on the contractor's summary to determine whether to accept the contractor's recommendation, and the contractor will be responsible for any consequences of a material misrepresentation in its written summary.

Once the contract is awarded, the contractor is responsible for implementing the background check process. An individual in the contractor's work-force may not begin work in a MCPS school facility on an assignment where the individual will have direct, unsupervised, and uncontrolled access to children, until: (a) the background check results for that individual have been received by MCPS; (b) the contractor certifies to MCPS that the individual has received training and/or reviewed informational materials, as appropriate, regarding recognizing, reporting, and preventing child abuse and neglect, consistent with the content provided in training for MCPS employees; and (c) the individual obtains a MCPS identification badge. The badge will be issued by the MCPS Department of Safety and Security, 850 Hungerford Drive, Room 131, Rockville, MD 20850. Appointments are made by calling 301-279-3066. The contractor will be required to return all badges at the conclusion of the contract. The criminal background check and badging process will be at the contractor's expense.

Violation of this provision is a material breach of contract for which MCPS may take appropriate action up to and including termination of the contract.
