**INVITATION FOR BID 9434.4  
PUMP OUT, CLEAN-OUT, JET-OUT, AND INSPECTION  
OF GREASE INTERCEPTOR AND TRAPS**

**GENERAL CONDITIONS AND SPECIFICATIONS**

**I. GENERAL CONDITIONS**

**A. Intent**

It is the intention of these specifications to pre-qualify contractors who are engaged in the type of work identified in these specifications. Contractor services shall fully cover all required materials and labor to pump out, clean-out, repair, modify, and inspect grease interceptors and traps and associated lines. The bidder shall verify to the satisfaction of MCPS, that they have the labor force, equipment and necessary resources to perform this type of work at any given time. MCPS reserves the right to make on-site visits to assess the capabilities of the individual bidder.

All work shall be in accordance with the latest applicable codes, permits, and regulations of Washington Suburban Sanitary Commission (WSSC), Occupational Safety and Health Administration (OSHA), Maryland Department of the Environment (MDE) and the Environmental Protection Agency (EPA) for grease abatement systems. These regulations and standards will further be considered part of the contract terms and conditions of this solicitation.

**B. Scope of Work (See Part III Detailed Specifications)**

1. It is required to perform weekly pump-out. Contractor shall provide weekly pump-out schedule via email approximately one-week in advance. Upon award MCPS will provide contact information.
2. Supplier will be required to pump-out approximately 65 underground volume-based grease interceptors on a quarterly basis.
3. Clean out approximately 175 kitchens flow-based grease traps on a quarterly basis.
4. Clean out approximately 145 trash room flow-based grease traps on a monthly frequency.
5. Provide electronically, accurate and complete Washington Suburban Sanitary Commission (WSSC) approved documentation for grease abatement systems (manifests, photos, work orders) within five business days after the work has been completed. The electronic method used by the Contractor to provide documentation must be approved by MCPS and WSSC and accessible 24/7 online to all parties.

6. Compile and maintain current spreadsheet/database of interior and exterior grease interceptors (MCPS will provide updates as interceptors are installed). List inches of grease recorded on manifest in spreadsheet/database of current interior and exterior grease interceptors and traps for every pump-out. Include in spreadsheet a calculation of the percentage of grease for each interceptor and traps based on specifications of the interceptor/trap.
7. Contractor shall submit at least monthly via email to the Project Coordinator the updated spreadsheet and invoices.

The following will be performed on an as needed basis:

1. Jet out (power wash) underground volume-based grease interceptors.
2. Jet out (power wash) lines associated with grease interceptors.
3. Perform full cleaning of underground volume-based grease interceptors.
4. Perform repair or modification of grease interceptors/traps as approved by MCPS.
5. Installation of WSSC approved grease abatement systems.

**C. Contract Term**

The term of contract shall be for one year as stipulated on the Invitation for Bid. However, the contract may not begin until one day after approval by the Board of Education and will conclude as stated under the contract terms. MCPS reserves the right to extend this contract at existing prices, terms and conditions for up to four additional one-year terms. Written notice indicating MCPS intention to pursue the extension of the contract will be issued to the successful contractor(s) 90 days prior to the expiration of the original contract. The contractor(s) will have ten days from date of notification to return the notice acknowledging its intent to accept or reject the extension. Once all responses are evaluated, MCPS staff may make a recommendation to the Board of Education to extend the contract or decide to rebid. If the contract is extended a contract amendment will be issued.

**D. Quantities**

MCPS shall not be obligated to purchase any specific quantity. Quantities are subject to change and purchases are dependent upon the requirements of MCPS and on budgetary limitations. Orders will be placed from time to time throughout the contract term to perform work at individual locations.

**E. Quotations**

No bidder will be allowed to offer more than one price on each item. Any bid in which the bidder names a total price for all the articles without quoting a price on each item may be considered informal. If there is any discrepancy between the unit cost and total cost, the unit cost shall prevail.

This solicitation shall be valid for acceptance during a period of no less than 90 days from date of opening. Once the contract is approved, terms and conditions of the solicitation shall prevail throughout the contract period.

**F. Bid Submittals**

Bidders are required to include with their bid packages:

1. A copy of State Contractor's License. MCPS will not waive this requirement as a minor informality and **failure to provide the copy will result in automatic disqualification.**
2. Resume of employees to be assigned to this contract, their background and qualifications.
3. A company financial statement to include an inventory of all equipment. The company should be profitable for the last three years. Financial data will be held confidential.
4. Completed Safety Violations Form (Appendix D)
5. Item Specifications - Pricing (Appendix A)
6. Completed Contractor's Obligation Regarding Criminal Records (Appendix E)

**G. Award**

This solicitation does not commit MCPS to award any contract or to pay cost incurred in the preparation of a response. It is the intention to prequalify responsible bidder(s) submitting the most favorable offer consistent with the specifications, terms and conditions, with consideration being given to any previous performance for the Board of Education as to quality of service, and with regard to the bidder's ability to perform. However, the Board reserves the rights to make awards according to the best interest of the Board of Education of Montgomery County, Maryland. Awards are contingent upon availability of funds.

**H. Provision for Price Adjustment**

Price increases will not be considered for the first year of the contract. Thereafter if the contract is extended the successful vendor must submit a written request for price relief. Adjustments will be based upon the Consumer Price Index (CPI), specifically, the All Consumers Index, published by the U.S. Department of labor, Bureau of Labor Statistics, for the Washington D.C., Metropolitan Area and shall not exceed seventy-five percent (75%) of the percentage change of January 1 CPI's, rounded to the nearest tenth of a percentage. MCPS reserves the right to accept or reject the request as may be determined to be in the best interest of MCPS. Any orders prior to a request for a price increase shall be honored at the original contract price. Downward adjustments may be made by MCPS without a request from the Contractor.

**I. Warranty**

The specifications require that all workmanship and materials be guaranteed for up to two years from the date final payment is made to the contractor for each job completed. Replacements for defective materials, plus installation and labor shall be provided at no cost to MCPS. Failure of a bidder to provide satisfactory warranty service to MCPS will be grounds for exclusion from future bidding.

**J. Deviations**

All bids meeting the intent of the invitation will be considered for award. Bidders who are deviating from the terms, conditions, and/or specifications shall list such and explain fully on a separate sheet to be submitted with their bid. The absence of such a sheet shall indicate that the

bidder has taken no exception and shall be held responsible for performing in accordance with the terms, conditions, and specifications as stated herein.

**K. eMaryland Marketplace Registration**

Maryland law requires local and state agencies to post solicitations on eMaryland Marketplace Advantage. Registration with eMaryland Marketplace Advantage is free. It is recommended that any interested supplier register at <https://emma.maryland.gov> regardless of the award outcome for this procurement as it is a valuable resource for upcoming bid notifications for municipalities throughout Maryland. MCPS issues public notices on eMaryland Marketplace however it is the responsibility of the supplier to visit our website for updates on the solicitation.

**L. Multi-Agency Participation**

MCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not be limited to private schools, parochial schools, non-public schools such as charter schools, special districts, intermediate units, non-profit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that required these goods, commodities and/or services. Use of this solicitation by other agencies may be dependent on special local/state requirements attached to and made a part of the solicitation at time of contracting.

The supplier/contractor agrees to notify the issuing agency of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested. A copy of the contract pricing and the bid requirements incorporated in this contract will be supplied to requesting agencies. Each participating jurisdiction or agency shall enter into its own contract with the Award Bidder(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Award Bidder. MCPS assumes no authority, liability, or obligation on behalf of any other public or non-public entity that may use any contract resulting from this bid MCPS pricing is based on the specifications provided in this solicitation. A negative reply will not adversely affect consideration of your bid/proposal.

**M. Sex Offender/Bidder Obligation**

- a. Maryland Law requires that any person who enters into a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender. **Bidder shall acknowledge that Section 11-722 of the Criminal Proceedings Article, Annotated Code of Maryland, as amended by the Maryland legislature in June 2006, prohibits a person having a contract with a public school from hiring a registered sex offender to perform work at a school.** An employer who violates this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a \$5,000.00 fine.

- b. Each Contractor and Sub-Contractor must screen their work-forces to ensure that a registered sex offender does not perform work at a county public school and also ensure that any subcontractor and independent contractor conducts screening of its personnel who may work at a school. The term “Work-force” is intended to refer to all of the contractor’s direct employees and any subcontractors and/or independent contractors it uses to perform the work. Violation of this provision may cause MCPS to take action against the contractor up to and including termination of the contract.
- c. See attached Contractor’s Response Form and instructions APPENDIX E. To be submitted with response.

**N. Minority Business Enterprise in Public Schools**

Minority business enterprises are encouraged to respond to this invitation.

5. The successful bidder must have their service vehicles equipped with cellular telephones in addition to having the above-mentioned contact person, paging system or answering service.
6. Except for emergency situations as determined by the MCPS project coordinator, estimates shall be given on all projects and submitted to MCPS for approval before work begins. At no time shall the contractor begin work without having submitted an estimate. Approval of the estimate will be returned no later than three days thereafter, unless a different time or return is mutually agreed to between MCPS and the Contractor. These estimates shall be furnished by the contractor at no charge and shall include all costs such as equipment rental, protective clothing, indirect cost, overhead, etc., these costs are considered overhead and are to be included in the bid cost.
7. When providing a response to this solicitation, interested bidders shall carefully consider the requirements of response times, as they shall strictly be held to the stated response time.

**E. Late Charges For Failure To Complete On Time**

1. MCPS shall retain moneys for each calendar day beyond the completion date stipulated on the contract. The late charges shall be assessed by MCPS at five hundred dollars (\$500.00) per day for each day required to complete the project, as a result of late completion.
2. Failure to complete the work within the time specified will entitle MCPS to late charges which will be deducted and retained out of any moneys due the Contractor under this contract for the sum stated in the above paragraph for each calendar day required to complete the work beyond the completion date stated in the contract. This includes Saturdays, Sundays, and legal holidays.
3. If necessary to reach a proper stopping place in any portion of the work or to complete work within contract time limit, the Contractor shall work overtime both their forces and forces of their Sub-contractors without addition to the contract price. Contractor shall be responsible for all incidental costs in connection with such overtime work.
4. If work falls behind schedule, as determined by the MCPS Project Coordinator and MCPS, the Contractor shall provide, at their own expense, additional labor and/or equipment, overtime pay, etc., as required to overcome delays including, but not limited to, MCPS building service staff overtime. If the Contractor chooses to work overtime for any reason, and secures the approval from MCPS, they shall be responsible for any associated cost to MCPS.
5. The Project Coordinator will review requests for extension of completion time due to strikes, lack of materials, or any other condition, over which the Contractor has no control. Written application for extension shall be made immediately upon occurrence of conditions that, in the opinion of the Contractor required such an extension, with reason clearly stated and detailed proof for each such delay. No time extension will be allowed except by final approval of MCPS. No requests for extension due to weather conditions will be considered unless accompanied by documentary evidence supplied by the Weather Bureau showing, by comparison, that such weather suffered is abnormal to any of the past five years as recorded by the Weather Bureau. No request for extension will be considered by MCPS if received from the Contractor after the previous completion date has passed. Late charges will be automatically taken.
