Dear Mr. Magnolia:

RE: Award Notification – Bid No. 9434.5, Pump-Out, Clean Out, Jet Out and Inspection of Grease Interceptors and Traps

This is the official notification of your award as it relates to the above referenced bid. This is your notice of award. Delivery of product or service may not begin until you receive an official order, signed by the director of Department of Procurement.

In accordance with Maryland Law any person who enters into a contract with a county board of education “may not knowingly employ an individual to work at a school” if the individual is a registered sex offender. Criminal background checks, including fingerprinting, and identification badges are required as part of this process. Please follow the instructions under the following link.
<https://www.montgomeryschoolsmd.org/departments/procurement/contractors/>

The contract shall consist of the solicitation, your complete bid response, and any subsequent correspondence.

Please contact the Department of Procurement at Procurement@mcpsmd.org if you need additional information.

Thank you for your interest in Montgomery County Public Schools.

Sincerely,

Angela McIntosh-Davis, Director
Department of Procurement
