

MBE GOAL SETTING MODEL ANALYSIS FORM																										
Date submitted to IAC:		Date submitted to GOSBA:																								
SECTION I (to be completed by LEA)																										
LEA Name:	Montgomery County	PSC #:	Anticipated Bid Date:																							
Project Name:	Goshen Elementary School	Project Type	Elevator Modernization																							
Address of project:	8701 Warfield Road																									
Project delivery method	Gaithersburg, Maryland 20882																									
Cost estimate for total project (without alternates):	\$450,000																									
Date of cost estimate:																										
SECTION II (to be completed by LEA)																										
A. Describe the process and information reviewed and analyzed for this specific project. Attach additional sheets as needed. 1. Identify those portions of the work that could potentially be performed by certified minority firms, including MBE suppliers. 2. Identify geographic factors that were considered. 3. Summarize information that was obtained utilizing the MDOT Directory. 4. Summarize information that was obtained related to similar projects in the jurisdiction where goals were set by a State government department, agency, or another entity. 5. Identify information that was utilized in the jurisdiction for similar past projects for which a State government department, agency, or another entity set MBE goals and subgoals. B. Based upon the above analysis it has been determined that: (Place an "X" in the appropriate box below and complete the appropriate percentage in the blank provided) 1. ☒ The overall MBE subcontracting goal for this project will be <u>10%</u> percent with a subgoal of _____ percent for African American-owned businesses and a subgoal of _____ percent for Women-owned businesses. 2. ☐ There will not be any MBE subcontracting goal or subgoals for this specific project.
