Request for Proposal No. 9810758
English Language Arts Curricular and Instructional Materials
for Elementary Schools

1.0 INTENT

The purpose of this Request for Proposal (RFP) is to solicit one or more established providers of elementary curricula to provide Montgomery County Public Schools (MCPS) with evidence-based, researched, and reviewed curricular and instructional materials in English Language Arts (ELA) that are aligned with the Common Core State Standards, adopted in Maryland as the Maryland College and Career Ready Standards (the “State Standards”) from Prekindergarten through Grade 5 for ELA. This RFP seeks curriculum providers (“Respondents” or “Offerors”) who share a vision for ensuring that all students have access to the highest quality instructional resources aligned to State Standards, and evidence-based practices, to ultimately increase student achievement and ensure success in college, careers, and community participation.

MCPS seeks comprehensive ELA curriculum that provide up-to-date, evidence-based, research-based, relevant, and appropriate materials that will effectively support teaching and learning of all learners in all classrooms in Kindergarten through Grade 5. MCPS seeks curricular materials and approaches that are culturally responsive; explicitly support English Language Learners, students with disabilities, and students in need of additional intervention; allow for enrichment and acceleration; and provide easy-to-understand resources for parents/guardians. Digital tools and formative assessments in the hands of teachers must allow for differentiated instruction and timely support to students, including accessibility features.

2.0 BACKGROUND

Montgomery County Public Schools (MCPS) is the 14th largest school system in the United States, and the largest in the state of Maryland. During the 2020–2021 school year, MCPS served more than 160,000 students from 157 countries speaking 150 languages. With a Fiscal Year (FY) 2021 Operating Budget of approximately \$2.76 billion, MCPS employs more than 24,500 employees.

The development, implementation, and management of MCPS curriculum in ELA is guided by the Montgomery County Board of Education Policy IFA, *Curriculum* (“IFA”), MCPS Regulation IFA-RA, *Curriculum* (“IFA-RA”) and Curriculum Frameworks adopted by the Board of Education (the “Board”).

3.0 SCOPE OF SERVICES

The following list of requirements, although extensive, is not exhaustive and is intended to provide interested Respondents with sufficient basic information to submit proposals meeting minimum requirements, but is not intended to limit a proposal’s content or exclude any relevant or essential information. Proposals should address the entire scope of services requested.

In this RFP, Curricular and Instructional Materials are defined to be the comprehensive curricula and materials needed for the total instructional experience for all diploma-bound learners in every classroom,

aligned to the State Standards, and adaptable to meet the needs of students with disabilities pursuing alternate learning outcomes aligned to Maryland's Alternate Achievement Standards. Materials should utilize current evidence-based and research-based practices; align to State Standards in preparation for increased achievement on Maryland Comprehensive Assessment Program (MCAP) and other measures of college and career readiness; and provide explicit instruction of key shifts in daily lesson materials as outlined by the State Standards;

Proposals must comply with the following requirements as written in Board Policy IFA:

- The Board expects that learning will be enhanced by adherence to a curriculum that promotes continuity and cumulative acquisition and application of skills and knowledge from grade to grade and from school to school. The curriculum should reflect the best knowledge of the growth and development of learners, the needs of learners, and the desires of the community, state law, and state board of education rules;
- The focus of the curriculum shall promote: (1) An opportunity for every student to participate, (2) Achievement at the highest level in every curricular area for every student, and (3) Objectives derived from local, state, national, and international standards as appropriate in all subject areas;
- The curriculum shall provide teachers, students, and parents/guardians with the Board's expectations of what students should know and be able to do at the end of each grade level and course;
- Subject area written curriculum frameworks, scopes and sequences, expectations, curriculum guides, and material for parents/guardians shall be developed for every grade level;
- Instructional resources such as textbooks, software, electronic resources, and other materials shall be selected based upon their alignment with the curriculum standards and priorities of the system using a uniform process.

In the event the Respondent's Curricular and Instructional Materials do not fully align with the respective MCPS curriculum framework, the Respondent must clearly identify these areas. In the event that selected Curricular and Instructional Materials require any changes to an MCPS curriculum framework, such changes will require approval by the Board. Approval of the revised curriculum framework will be required prior to the implementation of the selected Curricular and Instructional Materials in all schools and the continuation of the contract.

Respondents may submit responses for either a comprehensive ELA curriculum or by component of reading and writing. Respondents may submit responses for all grade levels or for specific grade bands in ELA or for One Way Immersion (French, Spanish, Chinese) and/or Two-Way Immersion (Spanish) programs as follows:

- Prekindergarten or Kindergarten through Grade 2
- Grade 3 through Grade 5
- One Way Immersion and/or Two-Way Immersion programs

As a district with both One-Way Immersion and Two-Way Immersion programs in Spanish, French, or Chinese, MCPS is also interested in materials for teaching literacy in these unique programs. Respondents are encouraged to provide information about relevant materials, or in some cases, may provide only materials suitable for these programs. Immersion program requirements include the following. All applicable technical and data requirements apply.

- a) Materials address literacy skills for various language programs, including but not limited to learners of One-way (French and Spanish) and Two-way (bi-lingual) Immersion programs.

- b) Provide evidence-based, researched literacy frameworks authentic to French and Spanish literacy methodologies.
- c) Support literacy through authentic literature reflective of the cultures of the target languages and that provide diverse perspectives of texts from authors representing a variety of regions of French and Spanish speaking countries.
- d) Delineate target language literacy scope and sequence that supports the literacy of non-native speakers of French and Spanish (OWI)
- e) Offers a biliteracy scope and sequence that provides literacy development through the use of metalinguistic connections. (TWI)
- f) Includes language development provisioning embedded through vocabulary, language objectives, orthography, grammar, and strategies that support students learning literacy in French and Spanish.
- g) Provide a scope of expectations and supports for parents who are non-speakers of French or Spanish, as well as those who are speakers of those languages.
- h) Assessment and instructional materials available in French and Spanish.
- i) Customized professional development in French and Spanish for teachers in Dual Language programs.

Each proposal is not required to contain only one unique product, which is defined as a distinct program or curricula of instructional materials, assessments, and teacher resources in a grade band or grade bands. Single responses that contain multiple products, programs, or options therein are accepted. Respondents who publish multiple products or programs should submit separate proposals for each product or program. Single distinct products that cross-over multiple grade bands can be submitted in a single proposal, but must be aligned with the grade bands above and be clearly labeled and organized as such. See Section 8.0 Mandatory Submissions for numbers of copies and other proposal submission requirements. MCPS reserves the right to award contracts for multiple products or outside of the bands listed above if applicable.

For additional requirements for the submission of the proposal and sample materials, see section 3.9 Sample Materials Delivery Process and Section 8.0 Mandatory Submissions below.

3.1 REQUIREMENTS

Each Contractor must submit a complete proposal including all required information and attachments. The response shall address each paragraph in the same order as the RFP and provide an individual response to each RFP specification. All proposals must be presented using the same numbering sequence and order used in this RFP document or as otherwise specified by MCPS. Contractors may request via e-mail to Mr. Caleb Young, Buyer, MCPS Division of Procurement, at Caleb_Young@mcpsmd.org, a Microsoft Word version to help them in preparing the response.

One (1) original and ten (10) copies, as well as one (1) electronic version on CD or flash drive of the response, and one (1) redacted copy, as well as one (1) electronic version on CD or flash drive of the redacted response must be sent by mail, courier, or hand-delivery to the address below. Responses shall be in binders with tabs identifying each section. A table of contents should be included and all pages numbered as referenced in the Table of Contents. No faxes or electronic submission of proposals will be accepted. Proposals are to be received no later than 2:00 p.m. on November 23, 2022. Submit responses of the entire RFP proposal to:

Montgomery County Public Schools
 Division of Procurement
 45 West Gude Drive, Suite 3100
 Rockville, MD 20850

Submissions will become the property of MCPS.

The proposal must be signed by an official having authority to contract with MCPS. The firm and the official's name shall be used in the contract process. MCPS reserves the right to make an award without further discussion of the proposals received. MCPS also may negotiate with the one Offeror who submits the best proposal or with two or more Offerors who are in the competitive range. Therefore, it is important that the Offeror's proposal be submitted initially on the most favorable terms from both the technical and cost standpoints. After the submission and closure of proposals, no information will be released until after the award. It is understood that the Offeror's proposal will become a part of the official file on this matter without obligation to MCPS.

The proposal must be complete and comply with all aspects of these specifications. Marketing or promotional verbiage will likely overshadow the Offeror's qualifications and expertise. MCPS urges the Offeror to be specific and brief in their responses.

MCPS shall not be responsible or liable for any costs incurred by the Offeror in the preparation and submission of their proposals and pricing.

8.1 Complete Response must include:

- One unique product, which is defined as a distinct program or curricula of instructional materials, assessments, and teacher resources in a grade band or grade bands. Single responses that contain multiple products, programs, or options therein will not be accepted. Respondents who publish multiple products or programs should submit separate proposals for each product or program. Single distinct products that cross-over multiple grade bands can be submitted in a single proposal, but must be aligned with the grade bands above described in Section 3.0.
- Point-by-point Response to each section of the RFP, including but not limited to each subsection and bulleted list in Section 3.0.
- Separate overview of the Respondent's products and services as well as a statement explaining its alignment with Maryland College and Career Ready Standards.
- Sample of online curriculum content, either through website access or digital downloads, including accessibility via captions.
- Pricing Proposal (use Microsoft Excel). Provide a completed pricing sheet provided in Attachment F for each curricula, or portion of curricula, that the Respondent proposes, including (i) details regarding the components covered by the unit price per student; and (ii) pricing for the various types of curricular materials offered by the Respondent.
- References, See 6.0 References
- List of all current school district clients, See 6.0 References
- Respondent's annual fiscal report in order to demonstrate the Respondent's financial stability (If desired, the Respondent also may include any other financial documents that the Respondent wishes to include regarding Respondent's financial condition).
- Equal Opportunities Certification (Attachment A)
- Certification of Non-segregated Facilities (Attachment B)
- Minority Business Enterprise (Attachment C)
- Non-Debarment Acknowledgement (Attachment D)
- Mid-Atlantic Purchasing Team Rider Clause (Attachment E)
- Current Form W-9
- A list of any allowable variances from, or objections to, this RFP or the terms and conditions of the MCPS General Contract Articles, as well as a justification for any such variances or objections (a list of non-negotiable terms and conditions are provided in Section 20.0 of this RFP).
- A redacted copy of the Respondent's proposal as specified in Sections 9.0 and 10.0.

9.0 TREATMENT OF TECHNICAL DATA IN PROPOSAL

The proposal submitted in response to this RFP may contain technical data which the Offeror does not want used or disclosed for any purpose other than evaluation of the proposal. The use and disclosure of any such technical data, subject to the provisions of the Maryland Public Information Act ("MPIA"), may be so restricted:

Provided, that Offeror marks the cover sheet of the proposal with the following legend, specifying the pages of the proposal which are to be restricted in accordance with the conditions of the legend:

“Technical data contained in pages ___ of this proposal shall not be used or disclosed, except for evaluation purposes.”

Provided, that if a contract is awarded to this Offeror as a result of or in connection with the submission of this proposal, MCPS shall have the right to use or disclose these technical data to the extent provided in the contract.

This restriction does not limit the right of MCPS to use or disclose technical data obtained from another source without restriction.

MCPS assumes no liability for disclosure or use of unmarked technical data or products and may use or disclose the data for any purpose and may consider that the proposal was not submitted in confidence and therefore is releasable. Price and cost data concerning salaries, overhead, and general and administrative expenses are considered proprietary information and will not be disclosed, if marked in accordance with the instructions in Section 10.0.

10.0 PROPRIETARY AND CONFIDENTIAL INFORMATION

Offerors are notified that MCPS has unlimited data rights regarding proposals submitted in response to this solicitation. Unlimited data rights means that MCPS has the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, or perform publicly and display publicly any information submitted by the Offeror in response to this or any solicitation issued by MCPS. However, MCPS will exempt information that is confidential, commercial, or financial information of an Offeror, as defined by the MPIA, State Government Article, Section 10-617, from disclosure. It is the responsibility of the Offeror to clearly identify each part of its proposal that is confidential, commercial, or financial information by stamping the **bottom right-hand corner** of each pertinent page with one-inch bold face letters stating the words “**confidential**” or “**proprietary**.” The Offeror agrees that any portion of the proposal that is not stamped as proprietary or confidential is not proprietary or confidential. As a condition for MCPS keeping the information confidential, the Offeror must agree to defend and hold MCPS harmless if any information is inadvertently released. Each Offeror must submit a proprietary and confidential redacted copy of its proposal to be used in responding to MPIA requests.

11.0 EVALUATION CRITERIA

MCPS reserves the right to ask clarifying questions about submitted proposals. Offerors also may ask questions that they may have related to this RFP prior to submitting their responses. See Section 12.0, Schedule of Events. Only proposals received by the deadline will be considered. Proposals will be screened down to a number of finalists.

MCPS reserves the right to convene a meeting with the top qualified Offeror(s) prior to awarding a contract. The purpose of the meeting will be to afford both parties an opportunity to discuss any aspects of the requirements and services that will be performed and clarify any issues. Issues raised during the meeting, which cannot be resolved to the satisfaction of MCPS, shall be cause to reject the proposal.

In addition, Respondents shall be prepared to provide a products and services demonstration, providing an overview of the proposed products and services at no cost to MCPS. As appropriate, the Respondent shall be responsible for the installation of the proposed products and services and any third party software at the MCPS designated demonstration facility before the demonstration, as necessary. If requested by MCPS, the top qualified Offeror(s) shall provide MCPS with an opportunity to access and review the Respondent’s Curricular and Instructional Materials as in operation at that time, via the Internet from a

MCPS computer, to ensure conformity to the requirements of this RFP as well as for the quality and ease of the user interface.

All Offerors are advised that in the event of receipt of an adequate number of proposals, which, in the opinion of MCPS require no clarification and/or supplementary information, such proposals may be evaluated without further discussions. Therefore, proposals should be submitted initially on the most complete and favorable terms and conditions. Should proposals submitted require additional clarification and/or supplementary information, Offerors should be prepared to submit such additional clarification and/or supplementary information, in a timely manner, when requested.

Proposals meeting all requisite criteria will be evaluated. Those who do not meet requisite criteria will not be evaluated further.

11.1 The determination of those that are qualified, interested, and available, and MCPS' choice of the best qualified will be based on the following criteria:

- 11.1.1 Completeness of response.
- 11.1.2 Ability to perform and meet MCPS' needs (based on the criteria set forth in this RFP, including but not limited to Section 3.0, Scope of Services).
- 11.1.3 Qualifications, reputation, and experience of the Respondent relevant to the Scope of Services including specific experience in providing products and services to school districts of similar size, including the bidder's knowledge of best practices, educational research, and ability to respond to findings of the external curriculum review.
- 11.1.4 Qualifications, reputation, and experience of key staff that will be responsible for this contract.
- 11.1.5 Past performance as determined by recent and relevant contracts. Evaluation will be based on information obtained from references provided by the bidder as well as other relevant past performance information obtained from other sources known to MCPS.
- 11.1.6 Pricing proposal and fee structure.

A selection committee comprised of MCPS staff and potentially outside stakeholders will evaluate proposals based on these criteria.

14.0 ADDENDA/ERRATA

Changes and addenda to a solicitation may occur prior to the solicitation opening date and time. It is the sole responsibility of the vendor to check the “Vendor Event Calendar” on the MCPS website <http://www.montgomeryschoolsmd.org/departments/procurement> or contact the Division of Procurement at 240-740-7600 to verify whether addenda/errata have been issued.

In the event that MCPS issues addenda/errata, all terms and conditions will remain in effect unless they are specifically and explicitly changed by the addenda/errata. Contractors must acknowledge receipt of such addenda/errata by returning one signed copy of each of the addenda/errata with its proposal. Failure to provide the signed acknowledgement of the addenda/errata may result in a bid being deemed non-responsive.

15.0 eMARYLAND MARKETPLACE ADVANTAGE

Maryland law requires local and state agencies to post solicitations on eMaryland Marketplace Advantage. Registration with eMaryland Marketplace is free. It is recommended that any interested supplier register at <https://emma.maryland.gov/>, regardless of the award outcome for this procurement as it is a valuable resource for upcoming bid notifications for municipalities throughout Maryland.

16.0 MULTIAGENCY PARTICIPATION

MCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not be limited

to private schools, parochial schools, nonpublic schools such as charter schools, special districts, intermediate units, nonprofit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. Use of this solicitation by other agencies may be dependent on special local/state requirements attached to and made a part of the solicitation at the time of contracting. The supplier/contractor agrees to notify the issuing agency of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested. A copy of the contract pricing and the bid requirements incorporated in this contract will be supplied to requesting agencies. Each participating jurisdiction or agency shall enter into its own contract with the Awarded contractor(s) and this contract shall be binding only upon the **principal's signing** such an agreement. Invoices shall be submitted "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Award contractor. MCPS assumes no authority, liability, or obligation on behalf of any other public or nonpublic entity that may use any contract resulting from this bid. MCPS pricing is based on the specifications provided in this solicitation.

17.0 INQUIRIES

Inquiries regarding this solicitation must be submitted in writing to Mr. Caleb Young, Buyer, MCPS Division of Procurement, 45 W. Gude Drive, Suite 3100, Rockville, MD 20850, via fax at 301-279-3173 or email to Caleb_Young@mcpsmd.org. Questions are due by 4:00 p.m. on November 4, 2022. Responses will be posted on eMaryland Marketplace and on MCPS' Procurement website by November 10, 2022. The Board will not be responsible for any oral or telephone explanation or interpretation by any agent or employee of MCPS. Any binding information given to a contractor in response to a request will be furnished to all contractors as addenda/errata, if such information is deemed necessary for the preparation of proposals, or if the lack of such information would be detrimental to the uninformed contractors. Only such addenda/errata, when issued by MCPS, will be considered binding on MCPS.

Contact by contractors with any other MCPS employee regarding this solicitation until the contract is awarded by MCPS will be considered by MCPS as an attempt to obtain an unfair advantage and result in non-consideration of its RFP response. The MCPS Procurement website address is www.montgomeryschoolsmd.org/departments/procurement/.

18.0 UNNECESSARILY ELABORATE BROCHURES

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective proposal are not desired and may be construed as an indication of the contractor's lack of cost consciousness. Elaborate art work and expensive visual and other presentation aids are neither necessary nor wanted

19.0 BID PROTESTS

Any bid protests, including appeals, will be governed by the applicable MCPS Division of Procurement Regulations, as stated in the MCPS Procurement Manual. The burden of production of all relevant evidence, data and documents and the burden of persuasion to support the protest is on the Contractor making the protest.

20.0 CONTRACT

MCPS plans to enter a contractual agreement with Respondent(s) to whom the award is made and intends to make MCPS General Contract Articles, attached hereto and incorporated herein as Appendix A, part of the contractual agreement, except and unless modified by MCPS. In addition, the Contractor will ensure that all private duty nurses abide by the provisions of the MCPS General Contract Articles. Proposals must clearly identify any variances from or objections to the specifications in this RFP and the terms and conditions of the MCPS General Contract Articles. Lacking any response to the contrary, MCPS will infer that the Respondent agrees to the specifications of this RFP and each term and condition of the MCPS General Contract Articles. Respondents should note that any variance may provide a basis for MCPS to reject the proposal. **In particular, the provisions set forth in Articles 5, 12-14, 16-18, 21-24, 26, and 28 of the MCPS General Contract Articles are non-negotiable.**

As a note of clarification, Article 19 of the MCPS General Contract Articles applies to any products or services that the Respondent develops specifically for MCPS pursuant to this RFP, not to the Respondent's existing off-the-shelf products and services. MCPS understands and acknowledges that the Respondent retains all intellectual property rights to its existing off-the-shelf products and services and that MCPS will be granted licenses to utilize such products and services.

In addition, with regard to Article 8.D. of the MCPS General Contract Articles, MCPS reserves the right to submit payment in the form of credit card, Single Use Account (SUA), or Automated Clearing House (ACH). The Respondent shall not assess MCPS with any additional charge, fee, or price for the use of these electronic payment methods.
