Whitman	460	26	59	39	335	95.2	96.2	96.6	92.3	95.2

Note. Results are calculated for students who were enrolled in Grade 10 on October 15, 2009, excluding students who were enrolled in special schools, students enrolled in ESOL Levels 1 or 2, and special education students who were eligible to take the Alt-MSA (e.g., students enrolled in learning for independence, extension, or community-based special education programs). American Indian students are not reported separately but are included with all students.

^a Students who took the PSAT received scores for all three subtests, namely, critical reading, math, and writing. Students who completed at least part of a subtest received a score for that test. PSAT test takers missing scores for one or more subtests were 0.4% in Grade 10.

Table A 2
 Percentage of MCPS Grade 10 Students Who Took PSAT in 2009–2010 by Cluster
 Group, High School, and Service Group

Cluster Group and High School	N Grade 10 Students ^a				% Grade 10 Students Took PSAT
