^a The number of graduates in Maryland and the nation who took the SAT is published by the College Board and available at www.collegeboard.org.

^b Estimates of Maryland graduation rates are available from the Western Interstate Commission for Higher Education (WICHE) at www.wiche.edu/knocking.

^c Results for MCPS class of 2010 are recalculated to include full cohort (change in College Board reporting rule) and therefore these results might not match the already published results which were based on the March cohort. For Maryland and nation the results are based on March cohort for the Class of 2010. Therefore, comparison between 2010 and 2011 data for Maryland and nation should be interpreted with caution.
