Rockville, Maryland

OFFICIAL

RACE/ETHNIC MEMBERSHIP OF STUDENTS

As of September 30, 2012

Guidelines for Reporting Data

The federal government has given new guidance regarding the *Family Educational Rights and Privacy Act* (FERPA) that has resulted in restrictions in the amount of student data that can be publically reported. FERPA (20 U.S.C. § 1232g; 34 CFR Part 99) prohibits the release of individually identifiable information to the public. Therefore, the Maryland State Department of Education (MSDE) has adopted the new guidelines for the reporting of aggregate student data and Montgomery County Public Schools (MCPS) is implementing these guidelines for as follows:

Student Enrollment Data

- Any percentage rates greater than or equal to 95.0% or less than or equal to 5.0% will be noted as $\geq 95.0\%$ or $\leq 5.0\%$, respectively.
- If the percentage rate is greater than or equal to 95.0% or less than or equal to 5.0%, the corresponding number of students (N) will not be published.
- When the total N is less than 10, the corresponding N's and percentage rate will not be published.
- When the total N is between 10 and 20, only the percentage rate will be published, provided the percentage rate is not greater than or equal to 95.0% or less than or equal to 5.0%.
- When the total N is greater than 20, the corresponding N's and percentage rate will be published, provided the percentage rate is not greater than or equal to 95.0% or less than or equal to 5.0%.
