

**Long-Term Impact of Innovative School Calendar at Arcola Elementary School:
Outcome Evaluation 2023-2024**

Recommendation 1: Data-Driven Decision Making

Opinion	Responsive Action Plan (Provide Narrative Response)	Status of Responsive Action	Estimated Date of Full Implementation of Responsive Action
Concur	ISC implementation and planning meetings will include analysis of student performance to help program leaders tailor interventions to improve outcomes more consistently. Additionally, data will be used to identify professional learning needs for staff.	Not Yet Implemented	9/24/2024

**Long-Term Impact of Innovative School Calendar at Arcola Elementary School:
Outcome Evaluation 2023-2024**

Recommendation 2a: Engagement and Collaboration

Opinion	Responsive Action Plan (Provide Narrative Response)	Status of Responsive Action	Estimated Date of Full Implementation of Responsive Action
Concur	The Title I unit will work with OSA to determine what types of questions should be asked when engaging parents and teachers to provide their perspectives. Also, what is the best format? The goal is to ensure that the discussions are an exchange of ideas,	Not Yet Implemented	9/17/2024

**Long-Term Impact of Innovative School Calendar at Arcola Elementary School:
Outcome Evaluation 2023-2024**

Recommendation 2b: Engagement and Collaboration

Opinion	Responsive Action Plan (Provide Narrative Response)	Status of Responsive Action	Estimated Date of Full Implementation of Responsive Action
Concur	The Title I unit will collaborate with Arcola ES to hold an engaging conversation on parents' perceptions of the impact of the ISC initiative on their children. The Title I unit also will collaborate with Arcola ES to engage in conversation with teachers and to structure a discussion where teachers offer their perspectives on how the program is impacting their students	Not Yet Implemented	10/11/2024
