

School-Level Implementation of Regulation COG-RA

Recommendation 1: Verify the Alignment of Local School PMD Guidelines with Regulation COG-RA: District Level.

Opinion	Responsive Action Plan (Provide Narrative Response)	Status of Responsive Action	Estimated Date of Full Implementation of Responsive Action
Concur	All local school guidelines and procedures should align to MCPS policy and regulations. Verifying alignment for COG-RA should not be separated from verifying alignment from any and all regulations and policies. Implementation of COG-RA should be verified in the same way all other regulation and policies are verified.	Choose an item. A decision and action at the executive level will need to be taken around the roles and responsibilities of different divisions for verifying school alignment of implementation of all policy and regulation guidelines implemented at schools	TBD
