Horror
Action-Adventure

Films:
IT HAPPENED ONE NIGHT
BRIDE OF FRANKENSTEIN
THE ADVENTURES OF ROBIN HOOD

Enduring understandings

Narrative film categories, called GENRES, have characteristics that define them and that audiences expect to be incorporated in the films they choose to view.

New technologies developed, allowing color to be added to film and posed new challenges for filmmakers.

Essential Questions

What challenges faced filmmakers when color was first introduced to film?

What characteristics define film genres?
