

# SNOW WHITE AND THE SEVEN DWARFS

## LCL! 3x3 Film Guide

### **Act I**

“Life as Usual” is life in the castle as royalty.

- a) Snow White is taken to the forest to be killed as ordered by the Queen.
- b) Snow White cries in the forest when she is left all alone.
- c) The animals of the forest act as mentors and find her a place to live.

### **Act II**

- a) The first obstacle: Snow White must convince the dwarfs to let her stay at the cottage.
- b) The second obstacle: The queen discovers that Snow White is still alive and creates a poison apple.
- c) The third obstacle: Snow White is thought to be dead.

### **Act III**

- a) The prince awakens Snow White with his kiss.
- b) Snow White, in love, decides to return to a life of royalty, with the prince.
- c) The prince and Snow White set off on their new life together.
