

Checklist for LCL! Film Festival

Things To Do Before the Festival	Check When Done
1) We sent invitations.	
2) We discussed changes to make our scene even better.	
3) We revised our storyboard.	
4) We videotaped our shots.	
5) We imported new shots to our production.	
6) We edited our shots.	
7) We added sound elements: sound effects, music, or voiceover when needed.	
8) We listened to the sound levels and adjusted them where necessary.	
9) We added titles and credits.	
10) We showed our final piece to another group for feedback.	
11) We showed our movie to our teacher for feedback.	
12) We tweaked our movie to make it even better.	
13) We created a DVD.	
14) We burned one DVD for each person in our group and one for our teacher.	
15) We gave the labeled DVD's to our teacher.
