

## "Lights, Camera, Literacy! PART TWO"

### The Box Scene

#### Challenge:

Your production team will interpret the following scene within the conditions listed below the script...

INT. A ROOM - DAY

An assistant leads Chris into the room.

ASSISTANT

I hope you find what you are looking for.

The assistant leaves the room. Chris looks around, examines a few objects in the room, then sees an unusual box and picks it up.

THE BOX

On the box are the words: "Do Not Open."

BACK TO SCENE

Chris ponders this, then...

#### Conditions:

- 1) The scene must show "*character vs self*" conflict.
- 2) The scene must use at least 5 different camera shots.
- 3) The scene may not exceed 90 seconds.
- 4) The scene must take place within five feet of where the box is found.

---

*Be considerate of other groups nearby and remember...*

*"Quiet on the set" is what the professionals say to quiet those around them. These 4 words are taken very seriously on movie sets and will be used in the same serious manner in this class.*
