The Newspaper

1) What is one of the differences between a newspaper printed in the 1700's and a newspaper printed today?

2) Why do you think this change was made?

3) What do you think a person living in the 1700's might say about a 2010 newspaper?

4) Which job would you most want if you worked at a modern newspaper? Why?

5) What is one important personal quality for effective reporters? Why?

6) What surprised you most about the daily production of the newspaper?
